

Purpose of Amendment

The purpose of this amendment is to change the answer from “Yes” to “No” to the certifications for K09XW-D for “Silent Stations,” “Rebroadcast Status,” and “Adherence to Minimum Operating Schedules” because that station is currently licensed and silent.¹ No other changes are being proposed in this amendment.

¹ See LMS File Nos. 0000205631 and 0000210391.
