

Justification for STA Request

Polnet Communications, Ltd., ("Polnet") licensee of Station WRDZ(AM), (Facility ID No.28309) requests a silent special temporary authority pursuant to Section 73.1635 of the Commission's Rules. The land on which the station operates has been sold and the supporting structure has been removed. Polnet is actively searching for another location to apply for permanent authority. Until the new transmitter site is identified and an application filed, Polnet requests authority to remain silent.
