November 6, 2023

Due to main antenna damage we are unable to reach authorized ERP for KWTX-FM. We are requesting a STA until the antenna is repaired or replaced.

We are currently operating at 80 kW ERP with the intent to remain near that level, however further degradation in the system and eventually needed repair work will likely require further reductions.

It is in the interests of the public that the station be allowed to operate at reduced power as repairs are carried out.

Please direct any inquiries regarding this matter to the undersigned.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Troy Langham".
