Multiple Ownership

The University of Utah (the “University”) is a body politic and corporate of the State of Utah, and thus for regulatory classification purposes before the Commission it is equivalent to a not-for-profit corporation. The University is currently the licensee of six noncommercial radio stations in Salt Lake City-Ogden-Provo, UT Nielsen Radio Market, KUEU(FM), KUER-FM, KUHU(FM), KUOU(FM), KUQU(FM) and KUXU(FM).¹ In addition, the University is licensee of three noncommercial television stations in the Salt Lake City Designated Market Area, KUED, KUES, and KUEW. Its parent, Utah Board of Higher Education is the licensee of KUEN. The Station that is the subject of this application, KCPW-FM, operates as a noncommercial educational station and will continue to operate in this manner upon assignment.

Under FCC rules, noncommercial broadcast stations are not subject to the radio ownership limits of Section 73.3555(a) or radio-television cross-ownership limits of Section 73.3555(c). *See* 47 C.F.R. § 73.3555(f) (“The ownership limits of this section are not applicable to noncommercial educational FM and noncommercial educational TV stations.”). Accordingly, this application does not present any issues with respect to the Commission’s multiple ownership rules and cross-ownership rules.

¹ Noncommercial radio stations KUEU(FM), KUHU(FM), KUOU(FM) and KUXU(FM) operate as satellites of KUER-FM.
