**REQUEST FOR WAIVER OF §73.807(a)**  
**SHORT-SPACED SECOND-ADJACENT CHANNEL**

New(LP)  
Roslyn, Washington  
Channel 225LP100 (92.9 MHz)

The instant application meets all §73.807 distance separation requirements with the exception of second-adjacent channel station KQMV, Bellevue, Washington. To address this shortcoming, we propose the following as set forth:

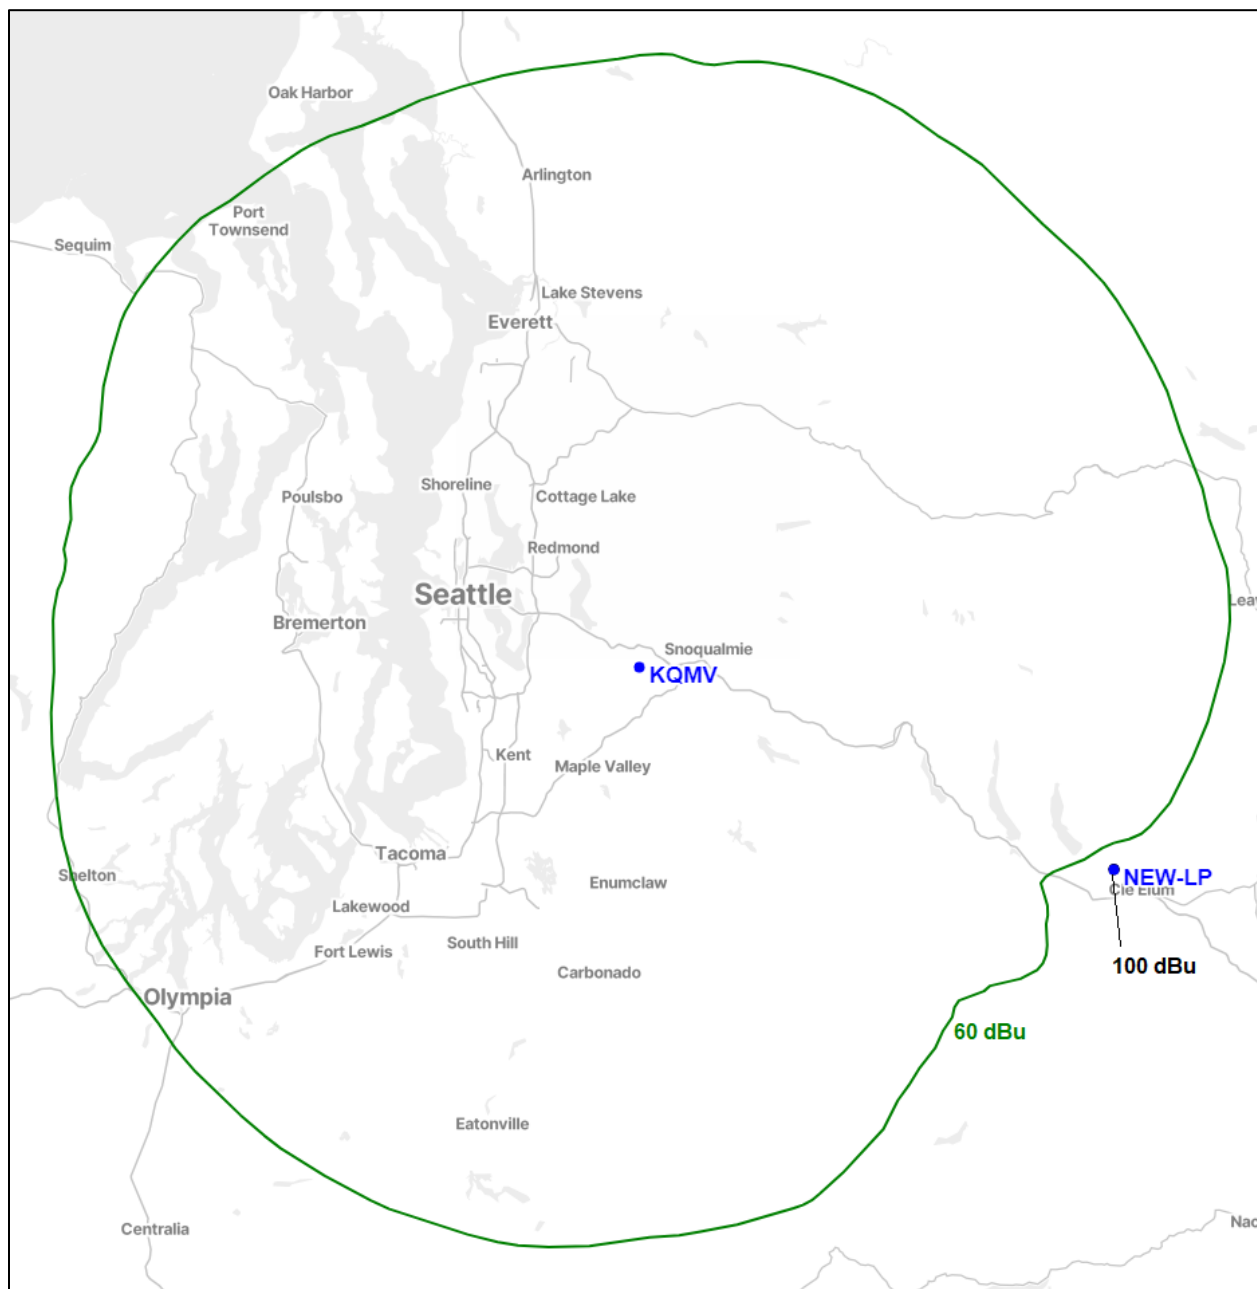

KQMV operates on Channel 223C with 60 kW effective radiated power (ERP) at 698 meters height above average terrain (HAAT) into a nondirectional antenna.

As shown in the contour map on the following page, there is no prohibited contour overlap between the KQMV 60 dBu service contour and the 100 dBu interfering contour of the proposed LPFM facility. Therefore, there is no interference to any listeners or potential listeners of KQMV.

As we have determined that the proposed facility will not cause any interference, the applicant is requesting a waiver of §73.807(a) in respect to KQMV, Bellevue, Washington.

## **EDUCATIONAL STATEMENT**

New(LP)  
Roslyn, Washington  
Channel 225LP100 (92.9 MHz)

The Swiftwater Foundation was created with an objective to inform and educate community members of all ages in the rural areas of Cle Elum, Roslyn and Ronald in the State of Washington. The Swiftwater Foundation works with the local school district and various community groups to both augment existing education programs and provide new and unique educational opportunities on a variety of topics.

The radio station will increase the effectiveness and reach of these educational goals through on-air teaching in a variety of programming offerings, including:

**ENVIRONMENT WATCH:** Local environmental concerns are introduced and discussed with local domain experts with an emphasis on characterizing the problem/mechanism, its cause & effect, and promoting community participation in solutions. (e.g.: Wild fires, how-to identify risk, how to fire-wise land and structures, how-to participate in prevention, detection, rescue, and recovery). Other topics include River/Stream Health, Managing Wilderness Health with Recreation: ATV/Hiking/Biking/Horses, etc.

**CAREER PATH:** Weekly interview style discussions where the host discusses a career of a local professional and explores the career path of that individual, including high school aspirations, intermediate work experience, post high-school education/training, and ultimately - motivating stories about the journey towards the current position. Includes particular emphasis on providing listeners with tips on identifying if a similar path is compelling, and if so, who to contact and/or how-to engage in the community to explore that path.

**DID YOU KNOW?** Designed and aired for family participation, the show provides an introduction to timely and accessible STEM topics. The goal is to inform and demystify with a “how-to” approach, ultimately encouraging engagement with new technologies such as: Artificial Intelligence for writing, problem solving, image generation, etc. Other topics include 3D Printing, Social Media creation and consumption, and more.

Other programming addresses local history and culture featuring interviews with long-time community members.

### LPFM POINT FACTORS

New(LP)  
Roslyn, Washington  
Channel 225LP100 (92.9 MHz)

County of transmitting antenna	Market Name	Market Rank
Kittitas, Washington	(outside metro)	N/A

The proposed facility will claim 4 points as set forth:

*Established Community Presence – no points*

The applicant's organization was formed on September 29, 2023, which is less than two years prior to the window snapshot date. Therefore, the applicant is unable to claim the established community presence point, pursuant to §73.872(b)(1).

*Local Programming – 1 point*

Applicant pledges to originate at least 8 hours of local programming, pursuant to Commission policies regarding the LPFM point system, pursuant to §73.872(b)(2).

*Main Studio – 1 point*

Applicant pledges to make available an accessible main studio, capable of program origination for a Applicant of 20 hours per week. Applicant claims the Main Studio point, pursuant to §73.872(b)(3).

*Local Programming and Main Studio – 1 point*

As both the Local Programming and Main Studio points are being claimed, the additional Local Programming and Main Studio "bonus" point is also claimed, pursuant to §73.872(b)(4).

*Diversity of Ownership – 1 point*

Applicant has no other attributable interests and therefore is eligible to claim the Diversity of Ownership point, pursuant to §73.872(b)(5) and Page 5 of the Second Window Notice.
