## Educational Objectives for

### Greater Love Radio \* 101.1 FM KOWJ

At Homer United Pentecostal Church (now known as Greater Love Tabernacle), we have always had a motto: "Where everybody is somebody, and Jesus Christ is Lord!" We intend to carry that motto on into our radio broadcasting. Every person deserves to have a positive experience in life and those who have made mistakes or poor choices deserve a second chance, or a third chance, or how ever many chances it takes. No one is a lost cause unless they have stopped trying.

We want to give everyone who listens to Greater Love Radio a chance to have positivity in his/her life. With all the negative voices in our world today, people just need to hear an uplifting word. Our goals are to provide that with good, wholesome music, informative teaching, and encouraging preaching on our programming.

#### GOAL #1: MUSIC

Greater Love Radio will be broadcasting southern gospel music. We feel that this genre is well-liked in our area but is not offered on many platforms. We will be airing the latest in southern gospel music as well as some popular classics. We will also incorporate nationally syndicated shows such as those by *Singing News: Mornings with Gregg Hutchins* and *The Singing News Top 20*.

#### GOAL #2: TEACHING

Teaching will be provided by local pastors and teachers. We have several staff members as well as local leaders who are willing and able to teach and inform listeners of a way of life that will help them to become happier and more beneficial to the society around them. We support a local Bible school called Texas Bible College and will be able to invite some of the teachers to speak on various topics that will explain aspects of life that people struggle with. Other syndicated programs may also be used such as *Focus on the Family with James Dopsan*.

#### GOAL #3: PREACHING

# Homer United Pentecostal Church Educational Objectives for Greater Love Radio \* 101.1 FM KOWJ

Greater Love Radio also has several preachers available to expound on the good news of the gospel. The preaching we broadcast will be uplifting and encouraging. It's aim will be to bring hope to those in despair, joy to the depressed, and faith to the lost.

In summary, the purpose of Greater Love Radio is to help people become who they were intended to be. We want to give everyone a chance to be their better self. We will encourage our listeners to be involved and productive citizens in the world around them.
