To Whom it May Concern,

I hereby certify that for the entire consecutive two year period from December 16, 2021 through December 16, 2023, the organization's headquarters has been located within 10 miles (16.1 kilometers) of the proposed transmitter site. The Organization had a "branch" within 10 miles for the entire period between December 16, 2021 and December 16, 2023, in fact the main office has been headquartered the entire time at my home office and studios located at my residence, which is also the tower site. We also have another office located iat 835 North Highland Springs, Ste 305 in Beaumont where the studios will be, and another business office in Redlands.

I hereby certify that under penalty of perjury, that this information information is correct and to the best of my knowledge.
