

## **Silent STA Exhibit**

Educational Media Foundation (EMF) requests special temporary authority to for FM NCE booster station WKVB-FM1 to remain silent.

WKVB-FM1 Boston, MA (Facility ID: 755567) has been silent since 11/07/2023 due to issues with synchronization, causing signal crash and distortion with the main. It is uncertain exactly how long it will take until EMF can restore WKVB-FM1 to operations, but EMF is actively working to resolve this issue. As a result, EMF is hopeful to return the booster station to operations in the next few months.

A grant of this request is in the public interest as it permits WKVB-FM1 to continue to provide its unique programming to its listeners.
