Original Construction Permit Application

BAKER, MT

SOUTHEAST MONTANA AREA REVITALIZATION TEAM

Facility ID: 779904

ESTABLISHED COMMUNITY PRESENCE INFORMATION

Applicant is claiming the point for Established Community Presence.

To demonstrate qualification for this point:

Extract from the State of Montana showing the principal address of the organization within 20 miles of the proposed transmitter site as of October 1, 1990.

As this date is before the two year Established Community Presence qualification period of December 13, 2021 through December 13, 2023, it can be clearly determined that the organization has met the requirements in order to claim the point.
