ESTABLISHED COMMUNITY PRESENCE INFORMATION

Applicant is claiming the point for Established Community Presence.

To demonstrate qualification for this point:

Extract from the State of West Virginia showing a principal office address within 20 miles of the transmitting site, established in 2013.

As this date is before the two year Established Community Presence qualification period of December 13, 2021 through December 13, 2023, it can be clearly determined that the organization has met the requirements in order to claim the point.
