EDUCATIONAL STATEMENT

New(LP)
Petersburg, Virginia
Channel 268LP100 (101.5 MHz)

To serve the underprivileged community of Petersburg Va. A reliable and valuable source of information, training programs and volunteering opportunity in broadcasting through not for profit community radio.

The radio station will advance our educational program through on-air teaching of the various techniques that we train in our classes as well as introduce those who are interested in community radio and broadcasting with basic guidance on how to properly present on community radio by providing instructional information on practical uses of community radio.

We will also be working with locals and professionals in the community to present topics that are of importance to the community we serve, including information about opportunities, resources and local events that are of major concern within the community.

With an educational objective to train and develop high-quality, noncommercial content and services with particular attention to the needs and interests of the unserved and underserved community of Petersburg, VA., in on air programming.

Programming includes:

Broadcasting basic - Information for those ready to jump into broadcasting but don't know how. Learn about production and creative capacities required to make radio programmes, either by producing programs or simply by participating in them on-air.

Community radio - discussion each week. Promoting better understanding of community radio, the many ways community radio can be utilized and help benefit and serve the community. After each episode, listeners will be more informed about the functionality of community radio and how to utilize it
