RE: Reasonable Assurance of Tower Availability

We are willing to accept, and will process as quickly as possible, your application(s) for co-location at the site(s) identified below. If and when we determine that the site(s) can accommodate your proposed equipment and operations, we will proceed to negotiate the terms of a mutually acceptable co-location agreement with you.

- Crown Castle Site Number 873930, located at 4450 Waterway Dr., Dumfries, Virginia 22026, for the operation of an 80 W ERP or less radio station at the frequency 102.9 MHz.

Sincerely,

Pinnacle Towers Acquisition LLC  
Ashley T. Brown, Regional Sales Manager
