**ACCREDITED EDUCATIONAL INSTITUTION**  
**STATEMENT OF NCE QUALIFICATION**

New(LP)  
Fork Union, Virginia  
Channel 230LP100 (93.9 MHz)

§73.503(a) of the Commission's Rules states that a noncommercial educational FM broadcast station will only be licensed to a nonprofit educational organization and upon showing that the station will be used for the advancement of an educational program.<sup>1</sup>

Subparagraph (2) further states that in determining the eligibility of privately controlled educational organizations, the accreditation of state departments of education and/or recognized regional and national educational accrediting organizations shall be taken into consideration.<sup>2</sup>

Fork Union Military Academy (FUMA) is one of the leading college preparatory boarding schools in the United States based on the structure and discipline of a military academy system. FUMA provides in-person education for boys in grades 7 through 12 and postgraduates.

FUMA offers high-quality academics and athletics built on a foundation of traditional core values that helps build character development, self-discipline, responsibility, and leadership development skills.

FUMA is fully accredited by the Virginia Association of Independent Schools (VAIS).

Founded in 1973, VAIS is the leader in advancing and advocating for independent school education in Virginia. The VAIS accreditation program is one of a select few recognized through the International Council Advancing Independent School Accreditation (ICAISA). VAIS is also recognized and approved by the Virginia Board of Education through the Virginia Council for Private Education.

The radio station will advance the academy's educational program by providing new educational opportunities for students of the school as well as providing educational, informative and entertaining programming to the general public in the community.<sup>3</sup>

Pursuant to §73.503(a)(2), based on FUMA's accreditation from VAIS, a state recognized accreditation program as well as accreditation from ICAISA, a recognized national educational accrediting program, FUMA is qualified to hold noncommercial educational (NCE) authorizations, including in the LPFM service.
