

### Educational Statement

**At Universidad Internacional Cristiana de Ministerios, our educational purpose is to teach the community the importance of education and to understand no matter the age or circumstances in their personal life, there is always room to grow.**

**Through the radio, our voice will amplify to be able to get that message to a broader audience and allow more people to be educated.**

**The organization was incorporated in the State of Tennessee on 2/10/2022.**
