### **Educational Objectives**

Church 320 Radio Inc (a non-stock, not-for-profit broadcasting corporation, incorporated under the laws of the State of Florida hereinafter "320 Radio") views mankind with three distinctive components: physical, emotional, and spiritual. It is our belief that all three of these components must be in balance for mankind to have a fulfilled life. 320 Radio further believes that our American society and secular media have ignored the spiritual component of mankind.

320 Radio will focus on both local and national programs to bring the spiritual component of mankind to the attention of our listeners. Thus, the radio station's focus and mission will be to educate our community in the following areas:

1. To make our audience aware of the spiritual component of man and to encourage them to be people of positive values, positive attitudes and to have a Bible based morality. Instructing the listeners to be people of faith, truth, and honesty; encouraging each listener to have an attitude of fairness and compassion as they deal with others in their communities.

2. To reinforce positive family values in the home. Educating and encouraging families to fulfill their respective roles in a productive society.

3. To serve as a venue for positive community news and activities.

4. To share positive and uplifting Christian music. 320 Radio will be non-denominational in religious focus. There is an oversight board composed of members who believe and have a personal relationship with Jesus Christ. Board members will: Set goals and give programming direction.

Ensure that the programming is biblical and honoring to Christ.

Determine if the programs meet the 320 Radio purpose of educating the public.

320 Radio will seek out local and national programming sources so that a regular schedule of programming can be provided which fulfills our four educational goals and purposes for the community. In summary, the programming presented to the public will encourage people to live their lives in right relationship with God. And, the Bible will be the cornerstone in the foundation of our teaching and programming focus.
