

## **NATURE AND EDUCATIONAL PURPOSES OF APPLICANT**

### **Non-Profit and Educational Nature**

It is the intent of the applicant to operate the proposed station in a manner consistent of Subpart G of Part 73 of the Commission's Rules.

The applicant, a non-profit religious and educational organization, is an Iowa non-profit corporation. Our articles of incorporation are included as a part of this exhibit.

The applicant is headquartered at 9173 Union Road, Platteville, Wisconsin, where two of its directors, Tom Cullen and Melissa Cullen have resided since September 24, 2016. We have calculated the NAD83 coordinates of this location at 42° 50' 7.2" north latitude and 90° 31' 40.9" west longitude.

The proposed transmitter and antenna location for our proposed low power FM station will be in Platteville, Wisconsin at 42° 43' 59.8" north latitude and 90° 29' 00.7" west longitude.

The applicant is an entity which is organized exclusively for charitable, religious, educational and scientific purposes, within the meaning

of Section 501(c)(3) of the Internal Revenue Code. In particular, the applicant intends to use the proposed LPFM station to further its work in supporting the educational activities of the Roman Catholic church in Platteville and surrounding Grant county in southwest Wisconsin. Platteville is home to the University of Wisconsin Platteville, and our station would serve the student population as well as all radio listeners in the area.

In *Columbia Bible College Broadcasting Co.*, 6 FCC Rcd 516 (1991), at paragraphs 9 and 10, the Commission stated that religiously-oriented applicants can meet the eligibility standards set forth in Section 73.503 of the Commission's Rules, where the applicant (1) proposes an overall educational program and (2) its proposed programming furthers its educational objectives. As can be seen by this Exhibit, the applicant's stated corporate purposes evidence an overall educational program, and its proposed programming will further its educational objectives.

**Furtherance of Educational Objectives**

The applicant is eligible pursuant to Sections 73.503 and 73.870 of the FCC Rules to be a non-commercial licensee of the station covered by this application, because the applicant proposes programming which constitutes an overall educational program and the programming furthers the

organization's educational objectives. In this case, the applicant intends to broadcast programs to further its educational purposes as outlined above.

Although the exact titles and subject matter of the programs will be determined at the time the proposed station is constructed and ready for operation, we can state that the selection of all programs to air on our proposed station will be consistent with the purposes stated in the applicant's articles of incorporation. We will select programming from such recognized religious educational media sources as Eternal Word Television Network (EWTN) of Irondale, Alabama, Ave Maria Radio of Ann Arbor, Michigan, and Relevant Radio of Green Bay, Wisconsin.

The proposed low power FM station will also work with other Roman Catholic parishes in the area, catechism programs and organizations to assist their educational efforts with respect to teaching of the Roman Catholic religion.

In sum, it is our objective to use the proposed radio station to provide a valuable educational resource for the residents of Platteville, Wisconsin and its surrounding area.
