We are forming a non-profit entity to bring a brand spanking new non-commercial radio station to the Vegas airways. Our station's mission is to embrace and promote Las Vegas arts, independent music, and culture. Students and youth, as well as to elderly, will be able to volunteer and contribute. When individuals become active participants in their community, they care. This station would provide a haven for people to explore their interests and build life-long relationships with their fellow community members and help build Vegas's legacy as a city with camaraderie and limitless opportunities. A place with community, and a place to call home. We'd relay important information for residents to be aware of in the form of PSAs submitted by local community organizations, such as health and safety. Through diverse programming, not only will underground music (including local artists) get recognition, we would be able to support and bring attention to local events within the art community and local entertainment, which would expand the demographic of future tourists and enable opportunities for the people of our city to have a voice and contribute to the ever evolving, but always spirited, culture.
