site):

K285GP LIC 285D NO PROTECTED CONTOUR OVERLAP

The current site is outside the 60 dBu of K285GP

There is no interference to any population within the K285GP 60 dBu.

Due to zero population within this radiation radius, this meets the "Living Way" Criteria to qualify for a Waiver of 47 C.F.R. Section 73.807.

Thus, the applicant requests a second adjacent waiver based upon evidence no interference is proposed.
