Due to a major transmitter failure we are unable to reach authorized ERP for KBFP-FM. We are requesting Special Temporary Authority ("STA") until the problem is resolved.

We are currently operating at 22 percent ERP with the intent to remain near that level until the main transmitter can be replaced early in 2024.

It is in the interests of the public that the station be allowed to operate at reduced power as repairs are carried out.

Please direct any inquiries regarding this matter to the undersigned.

Respectfully submitted,
