

FCC Educational Proposal

This presentation aims to showcase the educational objectives of Rio Linda Elverta Community Theater and emphasize that the proposed radio station is geared toward advancing an educational program under Rule 73.503(a).

Educational Program Intent

Rio Linda Elverta Community Theater is committed to educating our community on culture and the arts. The proposed station's educational broadcast program is to be a community led and managed radio broadcasting service, providing access, information, communication, entertainment and training.

We are focused on broadcasting arts and culture and music, specifically focusing on information and entertainment relevant to the Rio Linda/Elverta area. Our primary goal is to champion the creative arts while amplifying the voices of underserved communities in Rio Linda/Elverta. We are dedicated to nurturing a creative community. We will continue to encourage and promote a voice for those who are under-represented or socially excluded to provide an outlet for creativity, shared vision, and expression.

Objectives:

Rio Linda Elverta Community Theater plans to use its facilities and resources to extend its educational mission to the airwaves by:

- Facilitating the development of radio shows related to empowering the local community
- Training underrepresented voices in our community on radio show and podcast creation
- Programming featuring independent voices from our community

Rio Linda Elverta Community Theater's Public Participation initiative invites the community to engage with the radio station, offering opportunities to learn broadcasting techniques, including playing music, studio operations, acting and writing, all within an instructional environment.
