

EXHIBIT B – affidavit of purpose of Triangle Repeater Association

The Triangle Repeater Association (TRA) , a non profit in the State of Texas, is committed to truth and facts. We plan to program such over the air to the community as a public service, providing local programming of discussion and open thought. Our normal programming will consist of adult music programming, news and information, local events, possible sports of high schools and other organizations, and public affair programming allowing the listening audience to have their thoughts known via the station broadcasts.

We are committed to serving the public in this capacity and look forward to doing so.

Our Texas SOS certificate is attached in EXHIBIT A which shows we are a non profit organization operating in the State of Texas as required by the FCC.

This statement is true and signed under penalty of perjury by a director of the TRA.

Signed,

Christopher W Boone, Director TRA
