

**Request to Extend STA**  
**December 2023**  
Radio License Holding SRC LLC  
Station KTCT(AM), San Mateo, California

**KTCT(AM) NARRATIVE TO REQUEST TO EXTEND STA**

RADIO LICENSE HOLDING SRC LLC ('RLH-SRC'), LICENSEE OF STATION KTCT(AM), SAN MATEO, CALIFORNIA, RESPECTFULLY REQUESTS A FURTHER EXTENSION OF THE KTCT SPECIAL TEMPORARY AUTHORIZATION ("STA"), PURSUANT TO SECTION 73.1635 OF THE COMMISSION'S RULES, TO ENABLE IT TO OVERCOME INTERFERENCE CAUSED BY THE UNAUTHORIZED OPERATION OF CO-CHANNEL STATION XED, MEXICALI, BAJA CALIFORNIA, MEXICO.

STATION KTCT IS LICENSED TO OPERATE ON 1050 KHZ WITH 50 KW DURING THE DAY AND 10 KW AT NIGHT UTILIZING A DIRECTIONAL ANTENNA. THE FCC HAS CONTINUED TO AUTHORIZE KTCT TO OPERATE WITH ITS DAYTIME FACILITIES DURING NIGHTTIME HOURS AT A REDUCED POWER OF 35 KW TO OFFSET THE INTERFERENCE CAUSED BY STATION XED. THE INTERFERENCE SITUATION WITH RESPECT TO THIS MEXICAN STATION HAS NOT CHANGED.

THEREFORE, RLH-SRC RESPECTFULLY REQUESTS AN EXTENSION OF THE KTCT STA TO OPERATE WITH ITS DAYTIME FACILITIES DURING NIGHTTIME HOURS WITH REDUCED POWER OF 35 KW. THIS WILL PERMIT THE STATION TO CONTINUE TO PROVIDE SERVICE TO THE PUBLIC DURING NIGHTTIME HOURS.
