

**RESUMPTION OF OPERATIONS
WITH CONSTRUCTION PERMIT (CP) PARAMETERS
WMEL-LD - FACILITY ID 16828**

Legacy Broadcasting of MS (the "Licensee") hereby provides notice to the FCC Video Division staff that station WMEL-LD has resumed operations on Channel 13 in accordance with the CP parameters in FCC File No. 0000223536. This CP authorizes the station to operate from a different location using a new antenna and transmitter.

The Licensee also has simultaneously submitted a license to cover application for the on-air CP parameters.
