

The Great Marathon Radio Company
FM Station WGMX, Fac ID 65663, Marathon FL
January 2024

CIRCUMSTANCES OF OPERATION

Authority is requested to enable WGMX to return to operation at its licensed transmitter site with reduced power of 250 watts. The site has been without power for a number of years. The licensee will resume operation using a portable generator on site. The Commission previously authorized such operation in File No. 0000206572.
