

## **Other Broadcast/Non-Broadcast Efforts**

NBC (13.1), Me-TV (13.3), and CBS (23.10) each carry 3 hours of regular scheduled weekly children's programming.

WREX experienced feed issues in the delivery of Earth Odyssey II, 10/14/23 to 12/30/23, on more than one occasion causing a repeat episode of Earth Odyssey during the Earth Odyssey II time. We ran the repeat episodes, but we didn't include these programs in our total numbers for the quarter.
