

WBUO-LD - BUFFALO, NY  
Channel 30 LPTV

Application Purpose:

Amendment to a Modification of a Licensed Facility for LPTV Station Application

Amendment proposes a new transmitter site location, new antenna pattern, new antenna height, and reduces predicted interference to Canadian station CITY-DT, and is in compliance with the international agreement between the United States and Canada. See Engineering narrative statement and supporting figures. Application is in compliance with the minor change rules as demonstrated in Figure 1.
