

Children's Television Programming Report
2023 Reporting Year

Licensee is submitting the instant Children's Television Programming Report ("Report") to report Core Programming from January 1, 2023 through December 31, 2023 ("Reporting Period"). As indicated in the Report, Licensee aired three hours of Core Programming each week during the Reporting Period, which equates to a total of 156 hours of Core Programming during the Reporting Period. Because Licensee has satisfied the Category A, Option 1 safe harbor processing guideline through Core Programming aired on its main program stream, it is not reporting Core Programming aired on Licensee's multicast streams.
