

Sinclair Media Licensee, LLC  
KRCR-TV DRT34  
Redding, CA

Justification of the Request to Extend Special Temporary Authority

Sinclair Media Licensee, LLC (“Licensee”) requests to extend Special Temporary Authority to operate Digital Replacement Translator KRCR-TV-DRT34 (“the Station”) at reduced power using a temporary antenna. The new antenna and transmitter have been delivered and are on-site but Licensee requires additional time to schedule installation due to snow, ice and extreme wind conditions in the area which have disrupted the scheduling of tower crews. Licensee hereby requests extension of STA for an additional 90 days for the Station to complete the necessary antenna installation and repairs and to restore service to the public.
