

Radio Vermont, Inc.  
Application for Pro-Forma Transfer of Control  
January 2024

### **Pro-Forma Transfer of License**

This application seeks Commission approval for the transfer of control of Radio Vermont, Inc. ("RVI") from Glen Wright to Ashley Squier. The application is pro forma because the proposed transfer is due solely to the death of Mr. Wright.

As explained in a separate exhibit to this application showing the change in control of RVI, Mr. Wright held 100% voting control of RVI.

Mr. Wright passed away on December 15, 2023. By the Acceptance and Consent of Successor Trustee dated December 15, 2023 attached to this application, Mr. Wright's voting interests were transferred to Ms. Squier. Because the proposed transfer is solely due to the death of Mr. Wright, the filing of this application for pro-forma transfer of license from Mr. Wright to Ms. Squier is appropriate.
