

## Amendment to WOPI-CD 2023 Annual Children's Television Programming Report

After I filed the WOPI-CD report I noticed I had inadvertently left out one of the Digital Core Children's Programs on the main program stream. The Harlem Globetrotters: Play It Forward was added to the total number of hours of regularly scheduled weekly Core Programming broadcast per quarter by the station on its main program stream, but was not on the report as a Digital Core Program that information is below:

- Title of Program: **Harlem Globetrotters: Play It Forward**
- Did each broadcast of the program occur between 6:00 AM and 10:00 PM: **Yes**
- Does the program have serving the educational and informational needs of children ages 16 and under as a significant purpose: **Yes**
- Type of Core Programming: **Regularly scheduled weekly program**
- Total Times Aired: **14X**
- State the number of hours the program aired on the main program stream:  
**Q1: 0.0      Q2: 0.0      Q3: 0.0      Q4: 7.0**
- State the number of hours the program aired on a multicast stream: **-0-**
- Were any regular scheduled weekly programs preempted: **No**
- Length of Program: **30 minutes**
- Age Range of target Child Audience: **13-16**
- For each broadcast of the program on a commercial or Class A station, did the licensee identify the program by displaying throughout the program the E/I symbol? **Yes**

Adding this amendment to the WOPI-CD 2023 Annual Children's Report is now complete.
