

Silent STA Exhibit

Jeff Chang (“Licensee”), licensee of station KRPH, Morristown, Arizona, Facility ID 166065 (the “Station”) acquired the Station from the previous licensee, Deportes y Musica Comunicaciones, LLC (“Deportes”) on August 25, 2023 pursuant to an assignment of license (File No. 0000212685). Deportes had taken the station silent on August 16, 2023 (File No. 0000219397). Licensee was granted a Silent Special Temporary Authority (“STA”) to keep the Station silent due to loss of tower site, and the need to renegotiate new tower lease (File No. 0000221050). Licensee has continued to diligently look for a suitable tower site and is working towards returning the Station to air as soon as possible. Therefore, Licensee respectfully requests a 180 day extension of the existing silent STA.
