

### **Multiple Ownership Exhibit**

Stations KJHM(FM), Watkins, CO and KFCO(FM), Bennett, CO are part of the Denver BIA metro market. In this market there are 56 stations. See attached BIA metro market report. According to the FCC's ownership tiers specified in Section 73.3555(a)(1)(iii), in a market having at least 45, a licensee may own up to 8 stations of which no more than 5 stations can be of the same service.

Pillar of Fire owns Station KPOF(AM) in this market. Therefore, this application complies with the FCC's rule. In addition, there are no other stations owned by Pillar of Fire or any of its principals which overlap any of these stations. Thus, a contour overlap study is not required.
