

Declaration of Thomas Driggers

I, Thomas Driggers, hereby declare under penalty of perjury that the following is true and correct:

My name is Mr. Thomas Driggers. I serve as the Chief Technology Officer at Vita Broadcasting and also serve as an RF consultant for several television stations in the Bakersfield California Central Valley general area. I have worked in this field of radio and television broadcast operations and maintenance for over forty five years.

As the Chief Technology Officer for Vita Broadcasting and RF consultant in the general area. I have personal knowledge of the equipment in use at a number of the stations reported in the attached TZ Sawyer Technical Consultants Engineering Addendum. In addition, over a three day period, from February 23-25, 2024, I personally conducted the measurements and collected the data reported the summary contained in that report. To the best of my knowledge and belief, that schedule accurately reports the transport streams of each station reported as measured.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on February 27, 2024.

A handwritten signature in blue ink that reads "Thomas Driggers". The signature is written in a cursive style and is positioned above a horizontal line.
