

**Change of Primary Station Notification**

**FM Translator Station W227DC, Nashville, TN (FCC Facility ID No. 146836)**

**FM Translator Station W271AB, Nashville, TN (FCC Facility ID No. 43627)**

This exhibit applies to the applications to notify the Commission of the change of primary station rebroadcast by FM Translator Stations W227DC and W271AB. Effective February 28, 2024, the primary station being rebroadcast by W227DC and W271AB has changed to WBUZ-HD4, La Vergne, TN (FCC Facility ID No. 74243).

W227DC, W271AB and WBUZ(FM) are all licensed to WYCQ, Inc. A copy of the required contour exhibit showing the protected contour of the primary station and the translator stations is attached hereto. W227DC and W271AB are fill-in translators. The signal is delivered via internet.
