

**Technical Statement**  
**Translator W270AS**  
Channel 270D – 101.9 MHz  
0.250 kW ERP (DA) – 418.4 m COR AMSL  
Villa Rica, Georgia  
March 2024

**Minor Change Application:**

In this instant application, WKNG, LLC seeks to relocate Translator W270AS to ASR 1019386. It will be a fill-in translator for WKNG (AM), Tallapoosa, GA. There is overlap between the 60 dBu contours of the proposed and licensed facilities, making this a minor change. See the attached Minor Change Demonstration map in this exhibit.

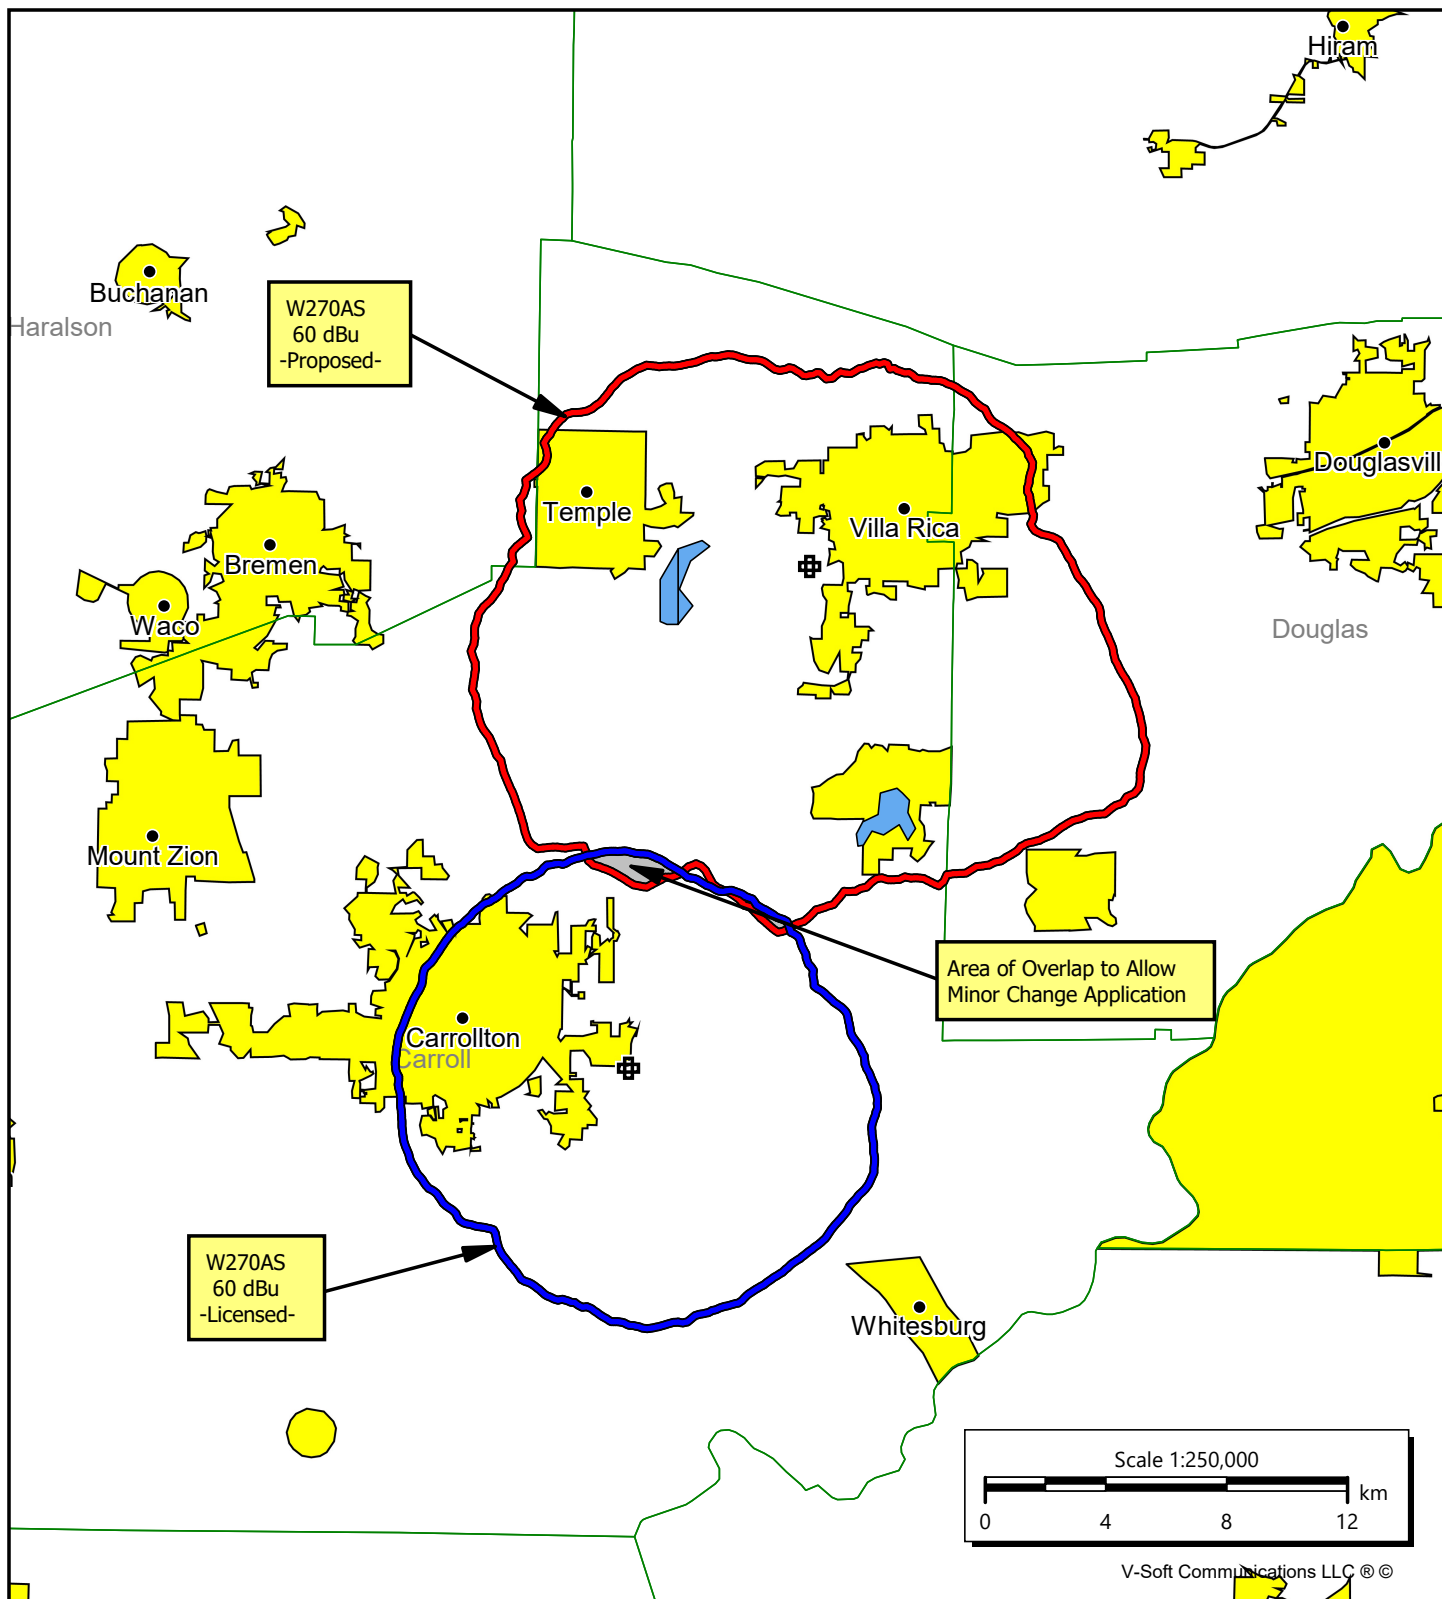

**§74.1204 Compliance:**

§74.1204 clearance to co-channel Translator W270CE and 2<sup>nd</sup> adjacent channel station WKHX-FM, Marietta, GA is demonstrated in this application.

**Multiple Translators:**

There is no 60 dBu contour overlap between this proposal and Translator W229CI, which rebroadcasts the same signal. This lack of 60 dBu overlap is demonstrated in this application.

The 03 Second USGS Terrain Database was used throughout this application.
