

**WYSJ-CD, YORKTOWN, VA (FACILITY ID 35134)**

**Class A Continued Eligibility**

WVEC Television, LLC (“Licensee”), licensee of WYSJ-CD (the “Station”), consummated its acquisition of the Station on March 21, 2023. Because Licensee’s acquisition of the Station did not include acquisition of the prior licensee’s programming contracts for the Station, the Station went temporarily silent upon consummation of the transaction to allow Licensee to plan for the Station’s new operations, including the Station’s relocation (as reflected in the construction permit the instant application proposes to modify). The Station returned to service on January 26, 2024, at its existing licensed location, as an affiliate of True Crime Network. Licensee is in the process of restoring the systems needed for the insertion of locally produced programming and expects to air a minimum of 27 hours of locally produced programming during the first quarter of 2024. The Station will continue in future quarters to air an average of at least three hours per week of locally produced programming.
