Pursuant to the Joint Prepackaged Plan of Reorganization for Audacy, Inc. and its Affiliate Debtors Under Chapter 11 of the Bankruptcy Code [Docket No. 24] (as may be amended, modified or supplemented from time to time, the “**Plan**”), the Debtors currently anticipate that the following Restructuring Transactions shall occur in the following order, and shall, together with the distributions set forth in Articles II and III of the Plan, be deemed as one integrated transaction for U.S. federal income tax purposes. This Restructuring Transaction Steps Memorandum, together with the Plan, is intended to be, and hereby is adopted as, a “plan of reorganization” within the meaning of Treasury Regulations sections 1.368-2(g) and 1.368-3(a) to which Parent, Audacy Operations, Inc., Audacy Corp., Audacy Capital Corp. and Holders of applicable Allowed Claims are parties under section 368(b) of the Tax Code. All terms used but not defined herein shall have the meaning set forth in the Plan.

- Step 1 [On the Effective Date, Audacy, Inc. shall convert to a Delaware corporation.]

Solely for administrative convenience, the distributions in accordance with this Step 5 may be made directly by Reorganized Parent or other applicable Distribution Agent; provided, that the transactions shall be treated for U.S. federal income tax purposes as occurring as described in Step 4 and this Step 5.
- Step 6 Immediately after Step 5, Audacy Capital Corp. shall convert to a Delaware limited liability company.

EXHIBIT B

Equity Allocation Mechanism

EQUITY ALLOCATION MECHANISM

The allocation of Plan¹ consideration to Electing DIP Lenders, Holders of Allowed First Lien Claims, and Holders of Allowed Second Lien Notes Claims, as of the Effective Date, will include distributing Class A New Common Stock, Class B New Common Stock (collectively, the “**New Common Stock**”), and Special Warrants, to the extent provided for in the Plan and in accordance with the mechanism set forth below.² Electing DIP Lenders, Holders of Allowed First Lien Claims, and Holders of Allowed Second Lien Notes Claims that are eligible to receive any form of Plan Securities as of the Effective Date are referred to herein as “**Security Recipients**.” The exercise of any Special Warrants after the Effective Date will be subject to the terms of the Special Warrant Agreement.

GENERAL:

1. **Ownership Certification.** In order to be eligible to receive a distribution of New Common Stock on the Effective Date, each Security Recipient shall have provided a timely Ownership Certification in accordance with the FCC Ownership Procedures Order.
2. **Definition.**
 - (a) An “**Ownership Certification**” means a written certification, in the forms³ attached to the FCC Ownership Procedures Order, which shall be sufficient to enable the Debtors or Reorganized Debtors, as applicable, to determine (i) the extent to which direct and indirect voting and equity interests of the certifying party are held by non-U.S. Persons, as determined under Communications Laws; and (ii) whether the holding of more than 4.99% of the Class A New Common Stock by the certifying party would result in a violation of Communications Laws or be inconsistent with the FCC Approval; *provided*, that a Security Recipient may elect not to provide the information in the foregoing clause (ii), and any Ownership Certification without the information in the foregoing clause (ii) shall not prohibit a Security Recipient from receiving up to 4.99% of the Class A New Common Stock to the extent otherwise eligible therefor pursuant to this Equity Allocation Mechanism.

¹ Capitalized terms used but not defined herein shall have the meanings ascribed to them in the *Joint Prepackaged Plan of Reorganization for Audacy, Inc. and Its Affiliate Debtors Under Chapter 11 of the Bankruptcy Code* [Docket No. 24] (the “**Plan**”) or the *Order (I) Establishing Procedures for Compliance with FCC Media and Foreign Ownership Requirements and (II) Granting Related Relief* [Docket No. 78] (the “**FCC Ownership Procedures Order**”).

² For the avoidance of doubt, the procedures set forth in this Equity Allocation Mechanism shall not impact the issuance of (a) securities or other instruments under the Management Incentive Plan, which issuance shall be governed by the terms of the Management Incentive Plan or (b) the New Second Lien Warrants, which issuance shall be governed by the terms of the New Second Lien Warrants Agreement and the Plan.

³ Pursuant to the FCC Ownership Procedures Order, DIP Lenders and Holders of Allowed First Lien Claims are required to complete a separate form for their DIP Claims and First Lien Claims, respectively, as compared to Holders of Allowed Second Lien Claims on account of Second Lien Notes Claims.

3. ***Attributable Interests.*** Subject in all respects to the foreign ownership limitations discussed below, under Communications Laws, an owner of equity in a corporation which controls FCC broadcast licenses may be deemed “attributable” if it owns, directly or indirectly, 5% or more of the voting equity of such corporation. The distribution of New Common Stock to a Security Recipient may be in the form of more than 4.99% of the outstanding Class A New Common Stock when the shares of Class A New Common Stock are issued on and as of the Effective Date, only if such Security Recipient is identified on the FCC Interim Long Form Application (as the same may be amended or modified from time to time) pursuant to which FCC Approval is granted as the holder of an attributable interest in Reorganized Parent; *provided, however*, that investment companies, as defined in 15 U.S.C. § 80a-3, insurance companies and banks holding stock through their trust departments in trust accounts, may hold up to 19.99% of the Class A New Common Stock to the extent they otherwise qualify as holding a non-attributable interest pursuant to Communications Laws (and thus would not need to be identified in the FCC Interim Long Form Application). If such Security Recipient elects not to be deemed to hold an “attributable” interest in Reorganized Parent or is otherwise not identified in the FCC Interim Long Form Application, then such Security Recipient may be issued up to 4.99% (or up to 19.99%, if applicable) of the outstanding Class A New Common Stock when all shares of Class A New Common Stock are issued on and as of the Effective Date, with any remaining distribution in the form of Class B New Common Stock (and/or Special Warrants to the extent necessary to comply with foreign ownership limitations).

ALLOCATION OF PLAN SECURITIES:

The distribution of New Common Stock and Special Warrants made on and as of the Effective Date shall be as follows:

1. First, the
 - (a) DIP-to-Exit Equity Distribution shall be deemed made Pro Rata among the Electing DIP Lenders;
 - (b) the First Lien Claims Equity Distribution shall be deemed made Pro Rata among Holders of Allowed First Lien Claims; and
 - (c) the Second Lien Notes Claims Equity Distribution shall be deemed made Pro Rata among Holders of Allowed Second Lien Notes Claims;

provided, that each of the DIP-to-Exit Equity Distribution, the First Lien Claims Equity Distribution, and the Second Lien Notes Claims Equity Distribution shall be deemed to have been made initially in the form of Special Warrants as of the Effective Date.

2. Second:
 - (a) Each deemed holder of Special Warrants that (i) has timely delivered an Ownership Certification as set forth in the FCC Ownership Procedures Order; (ii) has provided certification therein that its foreign ownership, as calculated in accordance with Communications Laws, is 0%; and (iii) has

not selected the “Special Warrants Only Election” on its Ownership Certification, shall be deemed to have exercised its Special Warrants as of the Effective Date to the fullest extent possible for the applicable number of shares of Class B New Common Stock.

- (b) Any deemed holder of Class B New Common Stock that has not selected the “Class B Election” on its Ownership Certification shall be further deemed as of the Effective Date to have immediately exchanged such shares of Class B New Common Stock for a like number of shares of Class A New Common Stock, subject in all respects to the 4.99% Rule (as defined below) and the 19.99% Rule (as defined below), as applicable.
- (c) For any deemed holder of Class B New Common Stock that would be eligible to exchange its shares for more than 4.99% of the outstanding Class A New Common Stock when all shares of Class A New Common Stock are issued on and as of the Effective Date but has elected to be limited to holding up to 4.99% of the outstanding Class A New Common Stock, the number of shares of Class B New Common Stock exchanged by such Security Recipient for shares of Class A New Common Stock shall be limited so that such Security Recipient receives shares of Class A New Common Stock constituting no more than 4.99% of the total outstanding Class A New Common Stock issued, subject in all respects to section 7 below.
- (d) A deemed holder of Class B New Common Stock that (i) has not selected the “4.99% Election” on its Ownership Certification; and (ii) is identified on the FCC Interim Long Form Application (as the same may be amended or modified from time to time) pursuant to which FCC Approval is granted as the holder of an attributable interest in Reorganized Parent shall be eligible to obtain shares of Class A New Common Stock constituting more than 4.99% of the total outstanding Class A New Common Stock issued (subsections 2(c) and 2(d), collectively, the “**4.99% Rule**”), subject in all respects to section 7 below.
- (e) For any deemed holder of Class B New Common Stock that (i) would be eligible to exchange its shares for more than 4.99% of the outstanding Class A New Common Stock when all shares of Class A New Common Stock are issued on and as of the Effective Date; (ii) has not selected the “4.99% Election” on its Ownership Certification; and (iii) is an investment company, as defined in 15 U.S.C. § 80a–3, insurance company, or bank holding stock through its trust department in a trust account, the number of shares of Class B New Common Stock exchanged by such Security Recipient for shares of Class A New Common Stock shall be limited so that such Security Recipient receives shares of Class A New Common Stock constituting no more than 19.99% of the total outstanding Class A New Common Stock issued (the “**19.99% Rule**”), subject in all respects to section 7 below.

3. Third:

- (a) Each deemed holder of Special Warrants that (i) has timely delivered an Ownership Certification as set forth in the FCC Ownership Procedures Order; (ii) has provided certification therein that its foreign ownership, as calculated in accordance with Communications Laws, is greater than 0% (each a “**Non-U.S. Holder**,” and collectively, the “**Non-U.S. Holders**”); and (iii) has not selected the “Special Warrants Only Election” on its Ownership Certification, shall be deemed to have exercised its Special Warrants to receive shares of Class B New Common Stock (in accordance with 3(b) below), in an amount, after consideration of all deemed holders of Special Warrants that have not timely delivered an Ownership Certification pursuant to 3(d) below, of shares that causes the aggregate foreign ownership (on an equity and on a voting basis) of New Common Stock to equal, at most, 22.50% (the “**22.5% Rule**”).
- (b) Such allocation to Non-U.S. Holders shall be made on a proportional basis, such that (i) the portion of each Non-U.S. Holder’s Special Warrants corresponding to the percentage of such Non-U.S. Holder’s equity interests that are not foreign owned and/or the percentage of voting rights in such Non-U.S. Holder that are not foreign owned, as determined by the Debtors or Reorganized Debtors, as applicable, will be deemed to have been exercised to the fullest extent possible for the corresponding number of shares of Class B New Common Stock; and (ii) all or a portion of each Non-U.S. Holder’s remaining Special Warrants will be deemed to have been exercised to the fullest extent possible for the corresponding number of shares of Class B New Common Stock that complies with the 22.5% Rule, allocated among all such Non-U.S. Holders based on the aggregate number of Special Warrants held by all such Non-U.S. Holders after giving effect to subsection 3(b)(i), subject in all respects to the 4.99% Rule and the 19.99% Rule (*e.g.*, assuming all Special Warrants are not exercisable on the Effective Date, a Non-U.S. Holder with a 1.0% foreign ownership will be deemed to have exercised more Special Warrants into New Common Stock than a Non-U.S. Holder with an equivalent amount of Special Warrants but a 20% foreign ownership).
- (c) Any Security Recipient deemed to receive Class B New Common Stock pursuant to 3(b) above that has not selected the “Class B Election” on its Ownership Certification shall be further deemed to have immediately exchanged such shares of Class B New Common Stock for a like number of shares of Class A New Common Stock, subject in all respects to the 4.99% Rule and the 19.99% Rule.
- (d) Each deemed holder of Special Warrants that has not timely delivered an Ownership Certification as set forth in the FCC Ownership Procedures Order, or that does not do so to the reasonable satisfaction of the Debtors, shall not be deemed to have exercised any Special Warrants as of the

Effective Date, unless the Debtors, after consultation with the Required Consenting First Lien Lenders and the Required Consenting Second Lien Noteholders, or Reorganized Debtors, as applicable, have determined instead to treat such Security Recipient as being 100% foreign owned and eligible to participate as a Non-U.S. Holder in the distribution set forth in subsections 3(a)-3(c) above.

4. ***Holder Elections.*** All Security Recipients will be considered for eligibility to receive Class A New Common Stock to the extent consistent with Communications Laws. However, each Security Recipient may decline or limit the amount of New Common Stock to be distributed to it on the Effective Date, in accordance with and subject to the procedures established by the FCC Ownership Procedures Order. Specifically, subject to section 7 below, a Security Recipient may, by making the appropriate election on its Ownership Certification, receive its DIP-to-Exit Equity Distribution, First Lien Claims Equity Distribution, or Second Lien Notes Claims Equity Distribution, as the case may be,
 - (a) entirely in the form of Special Warrants and shall not be deemed to have exercised any Special Warrants;
 - (b) in Special Warrants deemed to have been exercised for shares of Class B New Common Stock to the extent provided in Sections 2 and 3 above, with any remaining Special Warrants not being deemed exercised; or
 - (c) in Special Warrants deemed to have been exercised for shares of Class B New Common Stock, which are converted to shares of Class A New Common Stock to the extent provided in Sections 2 and 3 above, with any remaining Special Warrants not being deemed exercised.
5. ***Second Lien Notes Trading Deadlines and Tendering Procedures.*** Holders of Second Lien Notes Claims shall be required to tender their Second Lien Notes into the Automated Tender Offer Program (“**ATOP**”)⁴ system of DTC as set forth in the FCC Ownership Procedures Order by no later than the applicable deadline set forth in the FCC Ownership Procedures Order (the “**Note Delivery Deadline**”).⁵ Upon tendering to ATOP, the positions of such Holders of the Second Lien Notes will be segregated through ATOP and such Holders thereafter will be unable to trade their Second Lien Notes Claims; *provided*, that until the Note Delivery Deadline, such Holders may withdraw any previously tendered Second Lien Notes from ATOP to trade their Second Lien Notes Claims.
6. ***Distributions on Account of Allowed DIP Claims and Allowed First Lien Claims.*** Distributions to Electing DIP Lenders on account of their Allowed DIP Claims and to Holders of Allowed First Lien Claims on account of their Allowed First Lien Claims will

⁴ The Debtors expect that the delivery of Second Lien Notes will occur via ATOP; however, DTC must agree to permit ATOP’s use for this purpose. If ATOP cannot be used for any reason, then submissions will instead be required to occur via Deposit or Withdrawal At Custodian (“**DWAC**”), with withdrawal to be coordinated by each Holder’s DTC participant (the “**DTC Participant**”).

⁵ Such deadlines may be extended in accordance with the FCC Ownership Procedures Order.

be made based on the DIP Agent's register or the First Lien Agent's register, as applicable, as of the Distribution Record Date and trades not reflected on such register shall not be recognized for purposes of distributions under the Plan, unless, in accordance with the FCC Ownership Procedures Order, to the reasonable satisfaction of the Certification Agent and the DIP Agent and/or First Lien Agent (in consultation with the Ad Hoc First Lien Group Advisors), the applicable claims and register can be reconciled.

7. ***FCC Limits on Ownership.*** Notwithstanding anything else herein, nothing in this Equity Allocation Mechanism shall (a) permit any Entity to, at any given time, obtain or hold more than 4.99% of the outstanding Class A New Common Stock on or after the Effective Date unless the Debtors or Reorganized Debtors, as applicable, have determined that such ownership will not cause a violation of Communications Laws or be inconsistent with the FCC Approval; or (b) cause Reorganized Parent to exceed an aggregate foreign ownership percentage (on an equity or on a voting basis) of 22.50% in the New Common Stock on the Effective Date and prior to the Declaratory Ruling. Any distribution in contravention of the preceding sentence shall be adjusted to the minimum extent necessary to comply with these limitations. In determining whether any Entity would hold more than 4.99% (or 19.99% if applicable) of the outstanding Class A New Common Stock on or after the Effective Date, such Entity will be attributed with any New Common Stock held by another Entity under common management or that otherwise would be aggregated under the FCC's ownership attribution rules.

Section 2.2. Registration.

(a) The Reorganized Parent shall keep, or cause to be kept, at an office designated for such purpose, books (the “Special Warrant Register”) in which it shall register the Special Warrants and exercises, exchanges, cancellations and transfers of outstanding Special Warrants in accordance with the procedures set forth in Article VI of this Agreement, all in a form reasonably satisfactory to the Reorganized Parent. No service fee shall be charged to the transferor or transferee for any exchange or registration of transfer of the Special Warrants; but the Reorganized Parent may require payment of a sum sufficient to cover any stamp, registration or other similar transfer tax that is imposed by a Governmental Authority on any Holder in connection with any such exchange or registration of transfer for which the Reorganized Parent would otherwise become liable and shall have no obligation to effect an exchange or register a Transfer unless and until it is satisfied that all such taxes and/or charges have been paid.

ARTICLE III

TERMS AND EXERCISE OF SPECIAL WARRANTS

Section 3.1. Exercise Price. Each Special Warrant shall entitle each Holder, subject to the provisions of this Agreement, the right to purchase from the Reorganized Parent one share of Class A New Common Stock or Class B New Common Stock (subject to adjustment from time to time as provided in Article IV hereof), at the price of \$0.0001 per share (the “Exercise Price”).

Section 3.2. Exercise. Subject to Section 3.3 hereof, the Reorganized Parent shall issue Class A New Common Stock upon exercise of Special Warrants by a Holder; provided, that (i) the Reorganized Parent shall issue Class B New Common Stock if the exercising Holder has made a Class B Election on its Exercise Form; (ii) the Reorganized Parent may issue Class B New Common Stock in lieu of Class A New Common Stock to the extent necessary to comply with Section 3.3 hereof; (iii) the number of Special Warrants permitted to be exercised for Class A New Common Stock or Class B New Common Stock additionally may be limited, as applicable, to the extent necessary to comply with Section 3.3 hereof; and (iv) if the exercising Holder has made a Class A New Common Stock Non-Attribution Election on its Exercise Form, the Reorganized Parent shall issue no more than 4.99 percent (or if the Reorganized Parent determines that the exercising Holder qualifies for an exception to the FCC’s rules allowing such Holder to own, directly or indirectly, 5.00 percent or more, but less than 20.00 percent, of the Class A New Common Stock without being deemed to hold an “attributable” interest in the Reorganized Parent, no more than 19.99 percent or such other maximum amount that would be consistent with the Communications Laws) of the then-outstanding Class A New Common Stock to an exercising Holder, with any remaining distribution in the form of Class B New Common Stock up to such amount which is in compliance with Section 3.3 hereof and the exercising Holder shall retain its remaining Special Warrants (if any). Notwithstanding anything herein to the contrary, it shall be a condition to the exercise of any Special Warrant that the Holder of such Special Warrant shall execute a joinder to the New Shareholders’ Agreement (or, in the case where such Holder does not execute such joinder, shall be deemed to have become a party to the New Shareholders’ Agreement, irrespective of whether such Holder physically executes the New Shareholders’ Agreement or a joinder thereto).¹

Section 3.3. Method of Exercise.

(a) In connection with the exercise of any Special Warrant, a Holder shall (i) surrender such Special Warrant (or portion thereof) to the Reorganized Parent corresponding to the number of Special Warrant Shares being exercised, (ii) pay to the Reorganized Parent the aggregate Exercise Price for the number of Special Warrant Shares being exercised, at the option of such Holder, in United States dollars by wire transfer to an account specified in writing by the Reorganized Parent to such Holder, in immediately available funds in an amount equal to the aggregate Exercise Price for such Special Warrant Shares as specified in the Exercise Form and (iii) comply with Section 6.4.

¹ **Note to Draft:** Parties to discuss mechanics.

(b) Upon exercise of any Special Warrants, Reorganized Parent shall, as promptly as practicable (and in any event within five (5) Business Days), calculate and transmit to the Holder in a written notice the number of Special Warrant Shares issuable in connection with any exercise made pursuant to Article IV).

(c) Subject to the terms and conditions of this Agreement, the Holder of any Special Warrants wishing to exercise, in whole or in part, such Holder's right to purchase the Special Warrant Shares issuable upon exercise of such Special Warrants shall properly complete and duly execute the exercise form for the election to exercise such Special Warrants (an "Exercise Form") substantially in the form of Exhibit A.

(d) Any exercise of Special Warrants pursuant to the terms of this Agreement shall be irrevocable as of the date of delivery of the Exercise Form and shall constitute a binding agreement between the Holder and the Reorganized Parent, enforceable in accordance with the terms of this Agreement.

(e) The Reorganized Parent reserves the right to reject any Exercise Form that it reasonably determines is not in proper form or for which any corresponding agreement by the Reorganized Parent to exchange would, in the reasonable opinion of the Reorganized Parent, after consulting with independent outside legal counsel, be unlawful. Any such determination by the Reorganized Parent shall be final and binding on the Holder of the Special Warrants, absent manifest error; provided that the Reorganized Parent shall provide a Holder with the reasonable opportunity to correct any defects in its Exercise Form (without prejudicing such Holder's ability to deliver subsequent Exercise Forms). The Reorganized Parent further reserves the right to request such information (including, without limitation, information with respect to citizenship, other ownership interests and Affiliates) as the Reorganized Parent may reasonably deem appropriate, after consulting with independent outside legal counsel, to determine whether the exercise of the Special Warrants would (i) be unlawful, (ii) subject the Reorganized Parent to any limitation under the Communications Laws that would not apply to the Reorganized Parent but for such exchange, or (iii) limit or impair any business activities of the Reorganized Parent under the Communications Laws, which information shall be furnished promptly by any Holder from whom such information is requested as a condition to such Holder's exercise of Special Warrants. Moreover, the Reorganized Parent reserves the absolute right to waive any of the conditions to any particular exercise of Special Warrants or any defects in the Exercise Form(s) with regard to any particular exercise of Special Warrants. The Reorganized Parent shall provide prompt written notice to the Holder of any such rejection or waiver and in any event within five (5) Business Days of any such determination.

(f) Without limiting the foregoing and notwithstanding any provisions contained herein to the contrary, (i) no Holder shall be entitled to exercise any Special Warrant until all Regulatory Approvals required to be made to or obtained from any Governmental Authority with jurisdiction over the Reorganized Parent or its Subsidiaries have been made or obtained, and in the event that all required Regulatory Approvals are not received, the Holder shall continue to hold its Special Warrants; and (ii) the Reorganized Parent may (x) prohibit the exercise of Special Warrants which may, in the Reorganized Parent's reasonable determination, after consulting with independent outside legal counsel, cause more than 22.5% of the Reorganized Parent's outstanding equity interests or the equity of any Subsidiary of the Reorganized Parent to

be, directly or indirectly, owned or voted by or for the account of non-U.S. persons as determined pursuant to the Communications Laws, or by any other entity the equity of which is owned, controlled by, or held for the benefit of, non-U.S. persons, if such ownership or vote by non-U.S. persons (or by any other entity the equity of which is owned, controlled by, or held for the benefit of, non-U.S. persons) would cause the Reorganized Parent or any of its Subsidiaries to be in violation of the Communications Laws, (y) require Specific Approval prior to any exercise of a Special Warrant by a Non-U.S. Person (or by any other entity the equity of which is owned, controlled by, or held for the benefit of, Non-U.S. Persons) [at the level of 22.5% or more] to the extent necessary under the Communications Laws or the terms of any declaratory ruling obtained by Reorganized Parent or (z) prohibit the exercise of any Special Warrants if such exercise would, in the Reorganized Parent's reasonable determination, (A) result in a violation of applicable laws or regulations[, (B) involve circumstances that the Board of Directors determines could require the registration or qualification of any class of Common Stock or require the Reorganized Parent to file reports pursuant to any applicable federal or state securities laws or (C) subject the Reorganized Parent to regulation under the Investment Company Act of 1940, the Investment Advisors Act of 1940, the Employee Retirement Income Security Act of 1974 or other applicable law or regulation, each as amended.]²

(g) Notwithstanding anything herein to the contrary, it shall be a condition to the exercise of any Special Warrant that upon receipt of Special Warrant Shares upon exercise, the Holder shall be deemed to have become a party to the New Shareholders' Agreement (if not already a party thereto), irrespective of whether such Holder physically executes the New Shareholders' Agreement.

(h) [As soon as reasonably practicable upon][Upon] receipt of all necessary Regulatory Approvals, including grant by the FCC of the Petition for Declaratory Ruling approving foreign ownership of the Reorganized Parent in excess of 25% and receipt of the FCC's Specific Approval of any Holder requiring such approval, [the Reorganized Parent shall issue a notice ("Exchange Notice") specifying a deadline for Holders to return an Election Form, which deadline shall be [10] Business Days after the date of the Exchange Notice.] and provided that (i) a Holder has complied with the requirements of Sections 3.3(a) and 3.3(d), and (ii) the Reorganized Parent has reasonably determined that (x) such Holder's exercise of its Special Warrants does not violate any of the Communications Laws or the Securities Act or any decision, rule, regulation, policy, order or declaratory ruling issued by the FCC or the SEC, as applicable and (y) all conditions imposed by the FCC or any other Governmental Authority have been satisfied, such Holder's Special Warrants shall be automatically deemed exercised for either Class A Common Stock or Class B Common Stock (or both) pursuant to the election made by such Holder on its Exercise Form. [Special Warrants held by a Holder that does not timely deliver an Exercise Form shall be automatically deemed exercised for only Class B Common Stock.]

(i) If any full or partial exercise of Special Warrants is permitted for any Holder, each other Holder will be given the same opportunity to exercise its Special Warrants pro rata (subject to the same conditions), to the extent consistent with the Communications Laws or any order or ruling issued by the FCC or any other Governmental Authority. If any conditions to exercise of Special Warrants are modified or waived for any Holder, each other Holder will be

² **Note to Draft:** Subject to ongoing review and discussion.

offered the benefits of such modification or waiver (subject to the same conditions), to the extent consistent with the Communications Laws or any order or ruling issued by the FCC or any other Governmental Authority.

Section 3.4. Issuance of Common Stock.

(a) Following the valid exercise of any Special Warrants, the Reorganized Parent shall, subject to Section 3.7, promptly at its expense, and in no event later than five (5) Business Days after the Exercise Date, cause to be issued as directed by the Holder of such Special Warrants the total number of whole Special Warrant Shares for which such Special Warrants are being exercised (as the same may have been adjusted pursuant to Article IV) in such denominations as are requested by the Holder and registered as directed by the Holder.

(b) The Special Warrant Shares shall be deemed to have been issued at the time at which all of the conditions to such exercise set forth in Section 3.3 have been fulfilled (the "Exercise Date"), and the Holder, or, subject to Section 3.4(a), such other person to whom the Holder shall direct the issuance thereof, shall be deemed for all purposes to have become the holder of such Special Warrant Shares at such time.

Section 3.5. Reservation of Shares.

(a) The Reorganized Parent shall at all times reserve and keep available out of its authorized but unissued shares of Common Stock solely for the purpose of issuance upon the exercise of the Special Warrants, a number of shares of Class A New Common Stock and Class B New Common Stock equal to the aggregate Special Warrant Shares issuable upon the exercise of all outstanding Special Warrants. The Reorganized Parent shall take all such actions as may be necessary to assure that all such shares of Common Stock may be so issued without violating the Governing Documents, any agreements to which the Reorganized Parent is a party on the date hereof or on the date of such issuance, any requirements of any national securities exchange upon which shares of Common Stock, or any other securities of the Reorganized Parent, may be listed or any applicable Laws. The Reorganized Parent shall not take any action which would cause the number of authorized but unissued shares of Common Stock to be less than the number of such shares required to be reserved hereunder for issuance upon exercise of the Special Warrants.

(b) The Reorganized Parent covenants that it will take such actions as may be necessary or appropriate in order that all Special Warrant Shares issued upon exercise of the Special Warrants will, upon issuance in accordance with the terms of this Agreement, be validly issued, fully paid and non-assessable, and free from any and all (i) security interests created by or imposed upon the Reorganized Parent and (ii) taxes, liens and charges with respect to the issuance thereof. If at any time the number and kind of authorized but unissued shares of the Reorganized Parent's capital stock shall not be sufficient to permit exercise in full of the Special Warrants, the Reorganized Parent will as promptly as practicable take such corporate action as may, in the opinion of its counsel, be reasonably necessary (including seeking stockholder approval, if required) to increase its authorized but unissued shares to such number of shares as shall be sufficient for such purposes.

Section 3.6. Fractional Shares. Notwithstanding any provision to the contrary contained in this Agreement, the Reorganized Parent shall not be required to issue any fraction of a Special Warrant Share in connection with the exercise of any Special Warrants. In any case where the Holder of Special Warrants would, except for the provisions of this Section 3.6, be entitled under the terms thereof to receive a fraction of a share upon the exercise of such Special Warrants, the number of Special Warrant Shares issuable upon exercise thereof will be rounded (i) up to the next higher whole share of Common Stock if the fraction is equal to or greater than 1/2 and (ii) down to the next lower whole share of Common Stock if the fraction is less than 1/2; provided that the number of whole Special Warrant Shares which shall be issuable upon the contemporaneous exercise of any Special Warrants by any Holder shall be computed on the basis of the aggregate number of Special Warrant Shares issuable upon exercise of all such Special Warrants.

Section 3.7. Close of Books; Par Value.

(a) The Reorganized Parent shall not close its books against the transfer of any Special Warrants or any Special Warrant Shares in any manner which interferes with the timely exercise of such Special Warrants.

(b) Without limiting Section 3.5,

(i) the Reorganized Parent shall use commercially reasonable efforts to, from time to time, take all such action as may be necessary to assure that the par value per share of the unissued shares of Common Stock acquirable upon exercise of the Special Warrants is at all times equal to or less than the Exercise Price then in effect; and

(ii) the Reorganized Parent will not increase the stated or par value per share, if any, of the Common Stock above the Exercise Price per share in effect immediately prior to such increase in stated or par value.

Section 3.8. Payment of Taxes. In connection with the exercise of any Special Warrants, the Reorganized Parent shall pay any and all taxes (other than income [or similar] taxes) that may be payable in respect of the issue or delivery of Special Warrant Shares (including certificates therefor). The Reorganized Parent shall not be required, however, to pay any tax or other charge imposed by a Governmental Authority in respect of any transfer involved in the Reorganized Parent's issuance and delivery of any Special Warrant Shares (including certificates therefor) (or any payment of cash or other property in lieu of such shares) to any recipient other than the Holder of the Special Warrants being exercised, and in case of any such tax or other charge for which the Reorganized Parent would otherwise be liable, the Reorganized Parent shall not be required to issue or deliver any such Special Warrant Shares (or cash or other property in lieu of such Special Warrant Shares) until (i) such tax or charge has been paid or an amount sufficient for the payment thereof has been delivered to the Reorganized Parent or (ii) it has been established to the Reorganized Parent's reasonable satisfaction that any such tax or other charge that is or may become due has been paid.

Section 3.9. Redemption Event. If either (i) the Reorganized Parent proposes to redeem all or any portion of the outstanding Common Stock or (ii) the Reorganized Parent otherwise

purchases or makes any offer to purchase all or any portion of the outstanding Common Stock (in each case, excluding repurchases and redemptions from any officer or employee of the Reorganized Parent or its Subsidiaries pursuant to an equity incentive plan of the Reorganized Parent approved by the Board of Directors), then the Reorganized Parent shall provide proportional consideration for or a proportional redemption of Special Warrants held by the Holders, as applicable, on the same terms as and at a price equal to the price paid to holders of Common Stock for their shares of Common Stock in connection with the Redemption Event, as if the Special Warrants had been exercised for shares of Common Stock immediately prior to such redemption or purchase.

Section 3.10. Withholding. Subject to Section 3.8, notwithstanding anything in this Agreement or the Special Warrant to the contrary, the Reorganized Parent shall be entitled to deduct and withhold (or cause to be deducted and withheld) from any amounts or property payable or deliverable to any Person pursuant to or in connection with this Agreement or the Special Warrant such amounts as are required to be deducted or withheld under applicable law with respect [to the Special Warrant (and the Reorganized Parent shall be entitled to withhold, for the avoidance of doubt, from any amounts or property that are payable or deliverable with respect to the Special Warrant that are subsequent to the] payment or delivery [or other circumstance that gave rise to the requirement to deduct or withhold under applicable law);] provided that, the Reorganized Parent shall [use its commercially reasonable efforts to] notify such Person of such withholding obligation prior to the date on which such deduction and withholding will be made and the parties shall take commercially reasonable steps to reduce or eliminate any such withholding. Any amounts that are so withheld by the Reorganized Parent shall be paid to the appropriate Governmental Authority [and shall be treated as having been paid to the Person in respect of which such withholding was made].

ARTICLE IV

ADJUSTMENT OF NUMBER OF SPECIAL WARRANT SHARES; OTHER DISTRIBUTIONS

Section 4.1. Subdivision or Combination of Common Stock. In the event the Reorganized Parent, at any time or from time to time after the date hereof while any Special Warrant remains outstanding and unexpired in whole or in part, increases or decreases by combination (by reverse stock split or reclassification) or subdivision (by any stock split or reclassification) of the Common Stock (other than a stock split effected by means of a stock dividend or stock distribution to which Section 4.2 applies), then and in each such event the number of Special Warrant Shares issuable on exercise of the Special Warrants shall be increased or decreased by multiplying such number of Special Warrant Shares immediately prior to such adjustment by a fraction (i) the numerator of which shall be the Total Shares outstanding immediately following such adjustment and (ii) the denominator of which shall be the Total Shares immediately prior to such adjustment.

Section 4.2. Dividends Payable in Shares of Common Stock. In the event the Reorganized Parent shall, at any time or from time to time after the date hereof while any Special Warrant remains outstanding and unexpired in whole or in part, issue shares of Common Stock by means of a dividend payable in shares of Common Stock, then and in each such event the number

of Special Warrant Shares issuable on exercise of the Special Warrants shall be increased by multiplying such number of Special Warrant Shares immediately prior to such adjustment by a fraction (i) the numerator of which shall be the Total Shares outstanding immediately following such adjustment and (ii) the denominator of which shall be the Total Shares immediately prior to such adjustment.

Section 4.3. Other Distributions. In the event the Reorganized Parent shall, at any time or from time to time after the date hereof while any Special Warrant remains outstanding and unexpired in whole or in part, declare one or more dividends or distributions on the Common Stock payable in cash or any securities (other than shares of Common Stock) or property, with the record date or dates therefor occurring prior to the Exercise Date of the particular Special Warrants, then upon exercise of such Special Warrants, the Reorganized Parent shall pay or issue to the Holder, or, subject to Section 3.4(a), such other Person as the Holder directs, in addition to the issuance to, or at the direction of, the Holder of the Special Warrant Shares issuable upon exercise of the Special Warrants, an amount in cash or such securities or such other property equal to (i) the amount of all dividends or distributions of cash, securities (other than shares of Common Stock) or other property theretofore paid or payable, or issued or issuable, on one share of Common Stock, in each case from the date hereof, multiplied by (ii) the number of Special Warrant Shares issuable upon exercise of such Special Warrants; provided that if a dividend or distribution has been declared but not yet paid or issued, the Reorganized Parent may defer payment or issuance of the dividend or distribution to the Holder, or, subject to Section 3.4(a), such other person to whom the Holder shall direct the issuance thereof, until such time as the dividend or distribution is paid or issued to the holders of the Common Stock generally.

Section 4.4. Organic Change. In the event the Reorganized Parent shall, at any time or from time to time after the date hereof while the Special Warrants remain outstanding and unexpired in whole or in part, consummate an Organic Change, each Holder shall be entitled, following consummation of the Organic Change, upon exercise of the Special Warrants to receive the kind and amount of cash, securities or other property that it would have been entitled to receive had such Special Warrants been exercised immediately prior to the consummation of the Organic Change. The Reorganized Parent shall not effect, or enter into an agreement to effect, an Organic Change unless, prior to the consummation of such Organic Change, the surviving Person (if a Person other than the Reorganized Parent) resulting from the Organic Change, shall assume, by written instrument substantially similar in form and substance to this Agreement in all material respects, the obligations under this Agreement, including the obligation to deliver to the Holder such cash, stock, securities or other assets or property which, in accordance with this Section 4.4, the Holder shall be entitled to receive upon exchange or exercise of the Special Warrant. The provisions of this Section 4.4 shall similarly apply to successive Organic Changes.

Section 4.5. Notice of Adjustments. Whenever the number and/or kind of Special Warrant Shares is adjusted as herein provided, the Reorganized Parent shall (i) prepare, or cause to be prepared, a written statement setting forth the adjusted number and/or kind and amount of shares of Common Stock or cash, securities (other than shares of Common Stock) issuable or payable upon the exercise of the Special Warrants after such adjustment, the facts requiring such adjustment and the computation by which adjustment was made, and (ii) give written notice to the Holders, in the manner provided in Section 7.2 below, of the record date or the effective date of

the event. Failure to give such notice, or any defect therein, shall not affect the legality or validity of such event.

Section 4.6. Deferral or Exclusion of Certain Adjustments.

(a) No adjustment to the number of Special Warrant Shares shall be required hereunder unless such adjustment together with other adjustments carried forward as provided below, would result in an increase or decrease of at least 0.1% of the applicable Exercise Price or the number of Special Warrant Shares; provided that any adjustments which by reason of this Section 4.6 are not required to be made shall be carried forward and taken into account in any subsequent adjustment. All calculations under this Section 4.6 shall be made the nearest one one-thousandth (1/1,000) of a share, as the case may be.

(b) In the event that the par value of the shares of Common Stock shall be reduced below the par value on the date hereof, then, without action by the Reorganized Parent or otherwise the Exercise Price shall be automatically reduced to the par value of the shares of the Common Stock as so reduced; provided that for so long as any Special Warrant remains outstanding and unexpired in whole or in part, the Reorganized Parent shall not increase the par value of the shares of Common Stock or reduce the par value of the shares of Common Stock to zero.

ARTICLE V

TRANSFER AND EXCHANGE OF SPECIAL WARRANTS

Section 5.1. Registration of Transfers and Exchanges. When Special Warrants are presented to the Reorganized Parent with a written request (i) to register the Transfer of such Special Warrants or (ii) to exchange such Special Warrants for an equal number of Special Warrants of other authorized denominations, the Reorganized Parent shall register the Transfer or make the exchange, as requested if its customary requirements for such transactions are met; provided that (A) the Reorganized Parent shall have received (x) a written instruction of Transfer in form reasonably satisfactory to the Reorganized Parent, duly executed by the Holder thereof or by its attorney, duly authorized in writing along with evidence of authority that may be required by the Reorganized Parent, and (y) if a Person other than the Reorganized Parent is serving as registrar or transfer agent for the Special Warrants, a written order of the Reorganized Parent signed by an officer of the Reorganized Parent authorizing such exchange and (B) if reasonably requested by the Reorganized Parent, the Reorganized Parent shall have received a written opinion of counsel reasonably acceptable to the Reorganized Parent that such Transfer is in compliance with the Securities Act or state securities laws and the Communications Laws.

Section 5.2. Procedures for Exchanges and Transfers. Subject to the other sections of this Article V, the Reorganized Parent shall, upon receipt of all information required to be delivered hereunder, from time to time register the Transfer or exchange of any outstanding Special Warrants in the Special Warrant Register, upon delivery by the Holder thereof, at the Reorganized Parent's office designated for such purpose, of a form of assignment (an "Assignment Form") substantially in the form of Exhibit B hereto, properly completed and duly executed by the Holder thereof or by the duly appointed legal representative thereof or by a duly authorized attorney.

Section 5.3. Restrictions on Exchanges and Transfers.

(a) No Special Warrants shall be sold, exchanged or otherwise Transferred (A) in violation of (i) the Securities Act or state securities Laws, (ii) the Communications Laws or and (iii) the Governing Documents and (B) unless the transferee delivers to the Reorganized Parent a properly completed and duly executed IRS Form W-9 or the appropriate IRS Form W-8, as applicable. If any Holder purports to Transfer Special Warrants to any Person in a transaction that would violate the provisions of this Section 5.3, such Transfer shall be void *ab initio* and of no effect.

(b) The Reorganized Parent reserves the right, after consulting with independent outside legal counsel, to reject any and all Assignment Forms that it reasonably determines are not in proper form or for which any corresponding agreement by the Reorganized Parent to Transfer or exchange would, in the reasonable opinion of the Reorganized Parent, be unlawful. Any such determination by the Reorganized Parent shall be final and binding on the Holder of the Special Warrants, absent manifest error provided that the Reorganized Parent shall provide a Holder with the reasonable opportunity to correct any defects in its Assignment Forms (without prejudicing such Holder's ability to deliver subsequent Assignment Forms). The Reorganized Parent further reserves the right to request such information (including, without limitation, information with respect to citizenship, other ownership interests and Affiliates) as the Reorganized Parent may reasonably deem appropriate, after consulting with independent outside legal counsel, to determine whether the Transfer or exchange of the Special Warrants would (i) be unlawful, (ii) subject the Reorganized Parent to any limitation under the Communications Laws that would not apply to the Reorganized Parent but for such exchange, or (iii) limit or impair any business activities of the Reorganized Parent under the Communications Laws, which shall be furnished promptly by any Holder from whom such information is requested as a condition to such Holder's Transfer or exchange of Special Warrants. Moreover, the Reorganized Parent reserves the absolute right to waive any of the conditions to any particular Transfer or exchange of Special Warrants or any defects in the Assignment Form(s) with regard to any particular Transfer or exchange of Special Warrants. The Reorganized Parent shall provide prompt written notice to the Holder of any such rejection or waiver.

(c) Without limiting the foregoing and notwithstanding any provisions contained herein to the contrary, (i) no Holder shall be entitled to Transfer or exchange any Special Warrant until all Regulatory Approvals required to be made to or obtained from any Governmental Authority with jurisdiction over the Reorganized Parent or its Subsidiaries have been made or obtained, and in the event that all required Regulatory Approvals are not received, the Holder shall continue to hold its Special Warrants; and (ii) the Reorganized Parent may [(x)] prohibit the Transfer or exchange of [Special Warrants which may, in the Reorganized Parent's reasonable determination, after consulting with independent outside legal counsel, cause more than 22.5% of the Reorganized Parent's outstanding equity interests or the equity of any Subsidiary of the Reorganized Parent to be directly or indirectly owned or voted by or for the account of non-U.S. persons as determined pursuant to the Communications Laws, or by any other entity the equity of which is owned, controlled by, or held for the benefit of, non-U.S. persons, if such ownership or vote by non-U.S. persons (or by any other entity the equity of which is owned, controlled by, or held for the benefit of, non-U.S. persons) at the level of 22.5% or more would cause the Reorganized Parent or any of its Subsidiaries to be in violation of the Communications Laws, (y)

require Specific Approval prior to the Transfer or exchange of a Special Warrant to a Non-U.S. Person (or to any other entity the equity of which is owned, controlled by, or held for the benefit of, Non-U.S. Persons) or (z) prohibit the Transfer of any] Special Warrants if such Transfer would, in the Reorganized Parent's reasonable determination, (i) result in a violation of applicable laws or regulations, (ii) [subject the Reorganized Parent to any limitation under the Communications Laws that would not apply to the Reorganized Parent but for such exchange, (iii) limit or impair any business activities of the Reorganized Parent under the Communications Laws, (iv) involve circumstances that the Board of Directors determines could require the registration or qualification of any class of Common Stock or require the Reorganized Parent to file reports pursuant to any applicable federal or state securities laws or (v) subject the Reorganized Parent to regulation under the Investment Company Act of 1940, the Investment Advisors Act of 1940, the Employee Retirement Income Security Act of 1974 or other applicable law or regulation, each as amended.]

Section 5.4. Obligations with Respect to Transfers and Exchanges of Special Warrants. All Special Warrants issued upon any registration of Transfer or exchange of Special Warrants shall be the valid obligations of the Reorganized Parent, entitled to the same benefits under this Agreement as the Special Warrants surrendered upon such registration of Transfer or exchange.

Section 5.5. Fractional Special Warrants. The Reorganized Parent shall not effect any registration of Transfer or exchange which will result in the issuance of a fraction of a Special Warrant.

Section 5.6. New Shareholders' Agreement Transfer Restrictions. Anything to the contrary in this Agreement notwithstanding, no Holder shall be permitted to Transfer a Special Warrant, directly or indirectly, to any Person if such Transfer would be prohibited by the New Shareholders' Agreement with respect to the Special Warrant Shares corresponding to such Special Warrants. For the purposes of this Section 5.6 an indirect transfer shall include the Transfer, directly or indirectly, of a controlling interest of any person of whom the Holder of a Special Warrant is a Subsidiary with the primary purpose of effecting of the Transfer of the ownership of the Special Warrant. All Holders shall comply with transfer restrictions in the New Shareholders' Agreement as though they were a party thereto and such transfer restrictions are incorporated by reference herein.

Section 5.7. Joinder to New Shareholders' Agreement. Notwithstanding anything herein to the contrary, it shall be a condition to the Transfer of any Special Warrant that the transferee of such Special Warrant (i) shall comply with Section 5.6 and (ii) to the extent such transferee exercises any Special Warrant, shall execute a joinder to the New Shareholders' Agreement (or, in the case where such transferee does not execute such joinder, shall be deemed to have become a party to the New Shareholders' Agreement, irrespective of whether such transferee physically executes the New Shareholders' Agreement or a joinder thereto).³

ARTICLE VI

OTHER PROVISIONS RELATING TO RIGHTS OF HOLDERS OF SPECIAL WARRANTS

Section 6.1. No Rights or Liability as Stockholder. Nothing contained herein shall be construed as conferring upon any Holder or its transferees (in its capacity as a Holder), prior to exercise of the Special Warrants, the right to vote or to receive any cash dividends, stock dividends, cash distributions, stock distributions, or allotments of rights or other distributions paid, allotted, or distributed or distributable to the holders of Common Stock, or to consent or to receive notice as a stockholder in respect of any meeting of stockholders for the election of directors of the Reorganized Parent or of any other matter, or any rights whatsoever as stockholders of the Reorganized Parent. The vote or consent of each Holder (in its capacity as such) shall not be permitted with respect to any action or proceeding of the Reorganized Parent. No Holder (in its capacity as such) shall have any right not expressly conferred hereunder, under the New Shareholders' Agreement or under or by applicable Law with respect to the Special Warrants held by such Holder. No mere enumeration in any document of the rights or privileges of any Holder shall give rise to any liability of such Holder for the Exercise Price hereunder or as a stockholder of the Reorganized Parent, whether such liability is asserted by the Reorganized Parent or by creditors of the Reorganized Parent. Holders of Special Warrant Shares issued upon exercise of the Special Warrants shall have the same voting and other rights as other holders of Common Stock in the Reorganized Parent.

Section 6.2. Notice to Holders. The Reorganized Parent shall give notice to Holders and the Ad Hoc Groups Advisors, as provided in Section 7.2, if at any time prior to the exercise in full of the Special Warrants, any of the following events shall occur:

- (a) an Organic Change;
- (b) a dissolution, liquidation or winding up of the Reorganized Parent; or
- (c) the occurrence of any other event that would result in an adjustment to number and/or kind and amount of shares of Common Stock, cash or securities issuable or payable upon the exercise of the Special Warrants under Article IV.

Such giving of notice shall be initiated at least ten (10) Business Days prior to the date of such Organic Change, dissolution, liquidation or winding up or any other event that would result in the number of Special Warrant Shares issuable upon exercise of the Special Warrants under Article IV or Exercise Price to change (or, if earlier, any record date therefor). Any such notice shall specify any applicable record date or the date of closing the transfer books or proposed effective date. Failure to provide such notice shall not affect the validity of any action taken except to the extent a Holder is materially prejudiced by such failure. For the avoidance of doubt, no such notice (or the failure to provide it to the Holders) shall supersede or limit any adjustment called for by Article IV by reason of any event as to which notice is required by this Section 6.2.

Section 6.3. Cancellation of Special Warrants. If the Reorganized Parent shall purchase or otherwise acquire Special Warrants, such Special Warrants shall be cancelled and retired by appropriate notation on the Special Warrant Register.

Section 6.4. Tax Forms. Each Holder of a Special Warrant shall deliver to the Reorganized Parent a properly completed and duly executed IRS Form W-9 or the appropriate IRS Form W-8, as applicable.

Section 6.5. [Representations and Warranties of the Holder]. By acceptance of this Special Warrant Agreement, the Holder represents and warrants to the Reorganized Parent as follows:

(a) No Registration. The Holder understands that the Common Stock has not been, and will not be, registered under the Securities Act by reason of a specific exemption from the registration provisions of the Securities Act, the availability of which depends upon, among other things, the *bona fide* nature of the investment intent and the accuracy of the Holder's representations as expressed herein or otherwise made pursuant hereto.

(b) Investment Intent. The Holder is acquiring the Common Stock for investment for its own account, not as a nominee or agent, and not with a view to, or for resale in connection with, any distribution thereof. The Holder has no present intention of selling, granting any participation in, or otherwise distributing the Common Stock, nor does it have any contract, undertaking, agreement or arrangement for the same.

(c) Investment Experience. The Holder has substantial experience in evaluating and investing in private placement transactions of securities in companies similar to the Reorganized Parent, and has such knowledge and experience in financial or business matters so that it is capable of evaluating the merits and risks of its investment in the Reorganized Parent and protecting its own interests.

(d) Speculative Nature of Investment. The Holder understands and acknowledges that its investment in the Reorganized Parent is highly speculative and involves substantial risks. The Holder can bear the economic risk of its investment and is able, without impairing its financial condition, to hold the Common Stock for an indefinite period of time and to suffer a complete loss of its investment.

(e) Residency. The residency of the Holder (or, in the case of a partnership or corporation, such entity's principal place of business) has been correctly provided to the Reorganized Parent to the extent requested by the Reorganized Parent.

(f) Restrictions on Resales. The Holder acknowledges that the Common Stock must be held indefinitely unless subsequently registered under the Securities Act or an exemption from such registration is available.

(g) No Public Market. The Holder understands and acknowledges that no public market now exists for any of the securities issued by the Reorganized Parent and that the Reorganized Parent has made no assurances that a public market will ever exist for the Reorganized Parent's securities.

(h) Brokers and Finders. The Holder has not engaged any brokers, finders or agents in connection with the Common Stock, and the Reorganized Parent has not incurred nor will incur, directly or indirectly, as a result of any action taken by the Holder, any liability for brokerage or finders' fees or agents' commissions or any similar charges in connection with the Common Stock.

(i) Legal Counsel. The Holder has had the opportunity to review this Special Warrant Agreement, the exhibits and schedules attached hereto and the transactions contemplated by this Special Warrant Agreement with its own legal counsel. Except as expressly set forth in this Special Warrant Agreement, the Holder is not relying on any statements or representations of the Reorganized Parent or its agents for legal advice with respect to this investment or the transactions contemplated by this Special Warrant Agreement.

(j) Tax Advisors. The Holder has reviewed with its own tax advisors the U.S. federal, state and local and non-U.S. tax consequences of this investment and the transactions contemplated by this Special Warrant Agreement. With respect to such matters, the Holder relies solely on any such advisors and not on any statements or representations of the Reorganized Parent or any of its agents, written or oral.

(k) No "Bad Actor" Disqualification. Neither (i) the Holder, (ii) to its knowledge, any of its directors, executive officers, other officers that may serve as a director or officer of any company in which it invests, general partners or managing members, nor (iii) to its knowledge, any beneficial owner of any of the Reorganized Parent's voting equity securities (in accordance with Rule 506(d) of the Securities Act) held by the Holder is subject to any of the "bad actor" disqualifications described in Rule 506(d)(1)(i) through (viii) under the Securities Act, except as set forth in Rule 506(d)(2)(ii) or (iii) or (d)(3) under the Securities Act and disclosed, reasonably in advance of the acceptance of this Special Warrant Agreement, in writing in reasonable detail to the Reorganized Parent.]

(ii) with prior Majority Holders Consent and at least 5 business days' advance written notice to the Ad Hoc Groups Advisors; provided, however, Supermajority Holders Consent shall be required for any amendment that (A) reduces the term of the Special Warrants (or otherwise modifies any provisions pursuant to which the Special Warrants may be terminated or cancelled); (B) increases the Exercise Price and/or decreases the number of Special Warrant Shares (or, as applicable, the amount of such other securities and/or assets) deliverable upon exercise of the Special Warrants, other than such increases and/or decreases that are made pursuant to Article IV; or (C) modifies, in a manner adverse to the Holders generally, the anti-dilution provisions set forth in Article IV.

(c) Any amendment, modification or waiver effected pursuant to and in accordance with the provisions of this Section 7.7 shall be binding upon the Holders and upon the

Reorganized Parent. In the event of any amendment, modification or waiver, the Reorganized Parent shall give prompt written notice thereof to all Holders.

Section 7.8. No Inconsistent Agreements; No Impairment. The Reorganized Parent shall not, on or after the date hereof, enter into any agreement with respect to its securities which conflicts, directly or indirectly, with the rights granted to the Holders in this Agreement. The Reorganized Parent shall not, by amendment of its certificate of incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Reorganized Parent, but will at all times in good faith assist in the carrying out of all the provisions of the Special Warrants and in the taking of all such action as may be necessary in order to preserve the exercise rights of the Holders against impairment.

Section 7.16. FCC Matters.

(a) Notwithstanding anything herein to the contrary, each Holder acknowledges that the Reorganized Parent and certain of its Subsidiaries are each under an ongoing obligation to comply with the Communications Laws, including FCC rules limiting foreign ownership, and that any provision hereof that conflicts or is found by the FCC to conflict with the Communications Laws shall be unenforceable. Each Holder further agrees to provide the Reorganized Parent all information reasonably required in order to complete and prosecute any FCC application or petition for declaratory ruling that may be required under the Communications Laws, to respond to any inquiries from the FCC or other Governmental Authorities, or to enable the Reorganized Parent to ensure that it complies with the Communications Laws. further action of any Person (including by, or on behalf of, any Holder, the Company, or the Warrant Agent) shall be required to effectuate the expiration of Warrants pursuant to this Section 3.2(b).

(c) Method of Exercise. In order for a Holder to exercise all or any of the Warrants represented by a Warrant Certificate, the Holder thereof must (i) provide written notice to the Company and the Warrant Agent in accordance with the notice information set forth in Section 11, (ii) at the Corporate Agency Office, (x) deliver to the Warrant Agent an exercise form for the election to exercise such Warrants, substantially in the form set forth in Exhibit B hereto (an “**Exercise Form**”), setting forth the number of Warrants being exercised and, if applicable, whether Cashless Exercise is being elected with respect thereto, and otherwise properly completed and duly executed by the Holder thereof, and (y) surrender to the Warrant Agent the Definitive Warrant Certificate evidencing such Warrants; (iii) pay to the Warrant Agent an amount equal to (x) all taxes required to be paid by the Holder, if any, pursuant to Section 3.4 prior to, or concurrently with, exercise of such Warrants and (y) except in the case of a Cashless Exercise, the aggregate of the Exercise Price in respect of each share of Common Stock into which such Warrants are exercisable, in case of (x) and (y), by cashier’s check payable to the order of the Warrant Agent, or by wire transfer in immediately available funds to such account of the Warrant Agent at such banking institution as the Warrant Agent shall have designated from time to time for such purpose in accordance with Section 11.1(b) and (iv) comply with Section 3.8 and Section 9.4.

(d) Partial Exercise. If fewer than all the Warrants represented by a Warrant Certificate are exercised, such Definitive Warrant Certificate shall be surrendered and a new Definitive Warrant Certificate of the same tenor and for the number of Warrants which were not exercised shall be executed by the Company in accordance with Section 2.3(c). The Warrant Agent shall countersign the new Definitive Warrant Certificate, registered in such name or names, subject to the provisions of Section 8 regarding registration of transfer and payment of governmental charges in respect thereof, as may be directed in writing by the Holder, and shall deliver the new Definitive Warrant Certificate to the Person or Persons in whose name such new Definitive Warrant Certificate is so registered. The Company, whenever required by the Warrant Agent, will supply the Warrant Agent with Definitive Warrant Certificates duly executed on behalf of the Company for such purpose.

(e) Issuance of Common Stock. Upon due exercise of Warrants evidenced by any Warrant Certificate in conformity with the foregoing provisions of Section 3.2(c), the Warrant Agent shall, when the actions specified in Section 3.2(c)(i) have been effected, any payment specified in Section 3.2(c)(ii) is received and the provisions of Section 3.8 have been complied with, deliver to the Company the Exercise Form received pursuant to Section 3.2(c)(i), deliver or deposit all funds received as instructed in writing by the Company and advise the Company by telephone at the end of such day of the amount of funds so deposited to its account. The Company shall thereupon, as promptly as practicable, and in any event within five (5) Business Days after the Exercise Date referred to below, (i) determine the number of shares of Common Stock issuable pursuant to exercise of such Warrants pursuant to Section 3.6 or if Cashless Exercise applies, Section 3.7 and (ii) deliver or cause to be delivered to the Recipient (as defined below) the shares of Common Stock in book-entry form in accordance with Section 3.2(f) in an amount equal to the aggregate number of shares of Common Stock issuable upon such exercise (based upon the

aggregate number of Warrants so exercised), as so determined, together with an amount in cash in lieu of any fractional share of Common Stock(s), if the Company so elects pursuant to Section 5.2. The shares of Common Stock in book-entry form so delivered shall be, to the extent possible, in such denomination or denominations as such Holder shall request in the applicable Exercise Form and shall be registered or otherwise placed in the name of, and delivered to, the Holder or, subject to Section 3.4 and Section 3.7, such other Person as shall be designated in writing by the Holder in such Exercise Form (the Holder or such other Person being referred to herein as the “**Recipient**”). As a condition to the issuance of shares of Common Stock pursuant to this Section 3.2(e), the Recipient shall: (A) execute a joinder to the Shareholders’ Agreement, substantially in the form attached hereto as Exhibit C, and (B) provide to the Company or its registered office provider such documentation and other evidence as is reasonably required by the Company or its registered office to carry out and to be satisfied that they have complied with all necessary “know your customer” or similar requirements under all applicable laws and regulations.

(f) Time of Exercise. Each exercise of a Warrant shall be deemed to have been effected immediately prior to the close of business on the day on which each of the requirements for exercise of such Warrant specified in Section 3.2(c) and Section 3.8 has been duly satisfied (the “**Exercise Date**”). At such time, subject to Section 5.1(d)(iv) and the Recipient complying with its obligations pursuant to Section 3.2(e), the Company shall procure the entry into the Company’s register of stockholders of the name of the Recipient as holder of the shares of Common Stock on the Exercise Date, and shall provide to the Recipient an extract of the register so updated as soon as practicable thereafter, in book-entry form for the shares of Common Stock issuable upon such exercise as provided in Section 3.2(e) shall be deemed to have been issued and, for all purposes of this Agreement, the Recipient shall, as between such Person and the Company, be deemed to be and entitled to all rights of the holder of record of such shares of Common Stock.

(g) The Warrant Agent shall:

(i) examine all Exercise Forms and all other documents delivered to it by or on behalf of the Holders as contemplated hereunder to ascertain whether or not, on their face, such Exercise Forms and any such other documents have been executed and completed in accordance with their terms and the terms hereof;

(ii) where an Exercise Form or other document appears on its face to have been improperly completed or executed or some other irregularity in connection with the exercise of the Warrants exists, inform the appropriate parties (including the Person submitting such instrument) of the need for fulfillment of all requirements, specifying those requirements which appear to be unfulfilled;

(iii) inform the Company of, cooperate with, and reasonably assist such Person and the Company in, resolving any discrepancies between Exercise Forms received and delivery of Warrants to the Warrant Agent’s account;

(iv) advise the Company promptly after receipt of an Exercise Form of (x) the receipt of such Exercise Form and the number of Warrants exercised in accordance with the terms and conditions of this Agreement, (y) the

instructions with respect to delivery of the shares of Common Stock deliverable upon such exercise and (z) such other information as the Company shall reasonably require.

(h) All questions as to the validity, form and sufficiency (including time of receipt) of an Exercise Form will be determined by the Company in its reasonable discretion in accordance with the provisions set forth herein. The Company reserves the right to reject any and all Exercise Forms not in proper form or for which any corresponding agreement by the Company to exchange would be unlawful[; provided that the Company shall provide the Holder with the reasonable opportunity to correct any defects in the Exercise Forms.] Moreover, without limiting the rights and immunities of the Warrant Agent, the Company reserves the absolute right to waive any of the conditions to the exercise of Warrants or defects in Exercise Forms with regard to any particular exercise of Warrants. If the Company believes there is any irregularity in the exercise of the Warrants, then the Company shall (or shall cause the Warrant Agent to) promptly give notice to the Holder of the Warrants that submitted the applicable Exercise Form of such irregularities and an opportunity to cure the same[, provided that neither the Company nor the Warrant Agent shall incur any liability for the failure to give such notice.] The Warrant Agent shall incur no liability for or in respect of any determination, action or omission by the Company in accordance with this Section 3.2(h).

3.3 Application of Funds upon Exercise of Warrants. Any funds delivered to the Warrant Agent upon exercise of any Warrant(s) shall be held by the Warrant Agent in trust for the Company. The Warrant Agent shall promptly deliver and pay to or upon the written order of the Company all funds received by it upon the exercise of any Warrants by bank wire transfer to an account designated by the Company or as the Warrant Agent otherwise may be directed in writing by the Company.

3.4 Payment of Taxes. The Company shall pay any and all taxes (other than income or similar taxes) that may be payable in respect of the issue or delivery of shares of Common Stock on exercise of Warrants pursuant hereto. The Company shall not be required, however, to pay any tax or other charge imposed in respect of any transfer involved in the issue and delivery of shares of Common Stock in book-entry form for shares of Common Stock or payment of cash or other property to any Recipient other than the Holder of the Warrant Certificate evidencing the exercised Warrant, and in case of such transfer or payment, the Warrant Agent and the Company shall not be required to issue or deliver any shares of Common Stock in book-entry form or any certificate or pay any cash until (a) such tax or charge has been paid or an amount sufficient for the payment thereof has been delivered to the Warrant Agent or the Company or (b) it has been established to the Company's satisfaction that any such tax or other charge that is or may become due has been paid.

3.5 Cancellation of Warrant Certificates. Any Definitive Warrant Certificate surrendered for exercise shall, if surrendered to the Company, be delivered to the Warrant Agent. All Warrant Certificates surrendered or delivered to or received by the Warrant Agent for cancellation pursuant to this Section 3.5 shall be promptly cancelled by the Warrant Agent and shall not be reissued by the Company. The Warrant Agent shall destroy any such cancelled Warrant Certificates and deliver its certificate of destruction to the Company, unless the Company shall otherwise direct.

3.6 Common Stock Issuable. The number of shares of Common Stock “obtainable upon exercise” or “issuable upon exercise” of Warrants at any time shall be the number of shares of Common Stock into which such Warrants are then exercisable. The number of shares of Common Stock “into which each Warrant is exercisable” shall be one share of Common Stock, subject to adjustment as provided in Section 5.1.

3.7 Cashless Exercise. Notwithstanding any provisions herein to the contrary, if, on the Exercise Date of a Cashless Exercise, the Cashless Exercise Current Market Price of one share of Common Stock is greater than the applicable Exercise Price on the Exercise Date, then, in lieu of paying to the Company the applicable Exercise Price by wire transfer in immediately available funds, the Holder may elect to receive shares of Common Stock equal to the value (as determined below) of the Warrants or any portion thereof being exercised (such portion, the “**Cashless Exercise Warrants**” with respect to such date) by (i) in the case of Warrants evidenced by a Global Warrant Certificate, providing notice to the Warrant Agent pursuant to the Applicable Procedures and the Exercise Form; or (ii) in the case of Warrants evidenced by a Definitive Warrant Certificate, providing notice pursuant to the Exercise Form, in the case of (i) or (ii), that the Holder desires to effect a “cashless exercise” (a “**Cashless Exercise**”) with respect to the Cashless Exercise Warrants, in which event the Company shall issue to the Holder a number of shares of Common Stock with respect to Cashless Exercise Warrants computed using the following formula (it being understood that any portion of the Warrants being exercised on such date that are not Cashless Exercise Warrants will not be affected by this calculation):

$$X = (Y (A-B)) \div A$$

Where X = the number of shares of Common Stock to be issued to the Holder in respect of the Cashless Exercise Warrants

Y = the number of shares of Common Stock purchasable under the Cashless Exercise Warrants being exercised by the Holder (on the Exercise Date)

A = the applicable Cashless Exercise Current Market Price of one share of Common Stock (on the Exercise Date)

B = the applicable Exercise Price (as adjusted through and including the Exercise Date).

3.8 Regulatory Approvals.

(a) The Company reserves the right to reject any and all Exercise Forms that it reasonably determines in good faith are not in proper form or for which any corresponding agreement by the Company to exchange would, in the reasonable opinion of the Company, be unlawful. Any such determination by the Company shall be final and binding on the Holder of the Warrants, absent manifest error; provided that the Company shall provide a Holder with the reasonable opportunity to correct any defects in its Exercise Forms (without prejudicing such Holder’s ability to deliver subsequent Exercise Forms). The Company further reserves the right to request such information (including, without limitation, information with respect to citizenship, other ownership interests and Affiliates) as the Company (A) may deem appropriate, after

consulting with independent outside legal counsel, to determine whether the exercise of the Warrants would (i) be unlawful, (ii) subject the Company to any limitation under the Communications Laws that would not apply to the Company but for such exchange, or (iii) limit or impair any business activities of the Company under the Communications Laws, and/or (B) may be reasonably required in order to complete and prosecute any FCC application or petition for declaratory ruling necessary to obtain any Regulatory Approvals, or to respond to any inquiries from the FCC or other Governmental Authorities, which shall be furnished promptly by any Holder from whom such information is requested as a condition to such Holder's exercise of Warrants. Each Holder agrees that the Company may disclose to the FCC or other Governmental Authorities the identity of and further ownership information about any Person, as required by the FCC or other Governmental Authorities or, to the extent so required, as the Company's independent outside legal counsel reasonably deems advisable, about any Person who would hold any interest in the Company of 5% or more of the Company's voting or equity interests in the Company calculated pursuant to the Communications Laws upon the exercise of Warrants. Moreover, the Company reserves the absolute right to waive any of the conditions to any particular exercise of Warrants or any defects in the Exercise Form(s) with regard to any particular exercise of Warrants. The Company shall provide prompt written notice to the Holder of any such rejection or waiver.

(b) Without limiting the foregoing and notwithstanding any provisions contained herein to the contrary, (i) no Holder shall be entitled to exercise any Warrant until all Regulatory Approvals required to be made to or obtained from any Governmental Authority with jurisdiction over the Company or its Subsidiaries have been made or obtained, and in the event that all required Regulatory Approvals are not received, the Holder shall continue to hold its Warrants; and (ii) the Company may (x) prohibit the exercise of Warrants which may, in the Company's determination, after consulting with independent outside legal counsel, cause 22.5% or more of the Company's outstanding equity interests or the equity of any Subsidiary of the Company to be directly or indirectly owned or voted by or for the account of non-U.S. persons as determined pursuant to the Communications Laws, or by any other entity the equity of which is owned, controlled by, or held for the benefit of, Non- U.S. Persons, if such ownership or vote by non-U.S. persons (or by any other entity the equity of which is owned, controlled by, or held for the benefit of, non-U.S. persons)[at the level of more than 22.5%] would cause the Company or any of its Subsidiaries to be in violation of the Communications Laws, (y) require Specific Approval prior to any exercise of a Warrant by a non-U.S. person (or by any other entity the equity of which is owned, controlled by, or held for the benefit of, non-U.S. persons) to the extent necessary under the Communications Laws or the terms of any declaratory ruling obtained by the Company or (z) prohibit the exercise of any Warrants if such exercise would, in the Company's reasonable determination [(A)] result in a violation of applicable laws or regulations[, (B) involve circumstances that the Board of Directors determines could require the registration or qualification of any class of Common Stock or require the Company to file reports pursuant to any applicable federal or state securities laws or (C) subject the Company to regulation under the Investment Company Act of 1940, the Investment Advisors Act of 1940, the Employee Retirement Income Security Act of 1974 or other applicable law or regulation, each as amended.]

(c) Notwithstanding anything herein to the contrary, it shall be a condition to the exercise of any Warrant that upon receipt of Common Stock upon exercise, the Holder shall, if not already a party to the Shareholders' Agreement, execute a joinder thereto (or, in the case where such Holder does not execute such joinder, be deemed to have become a party to the

Shareholders' Agreement, irrespective of whether such Holder physically executes the Shareholders' Agreement or a joinder thereto).¹²

(d) Upon receipt of all necessary Regulatory Approvals, if any, in respect of the exercise of any Warrant, and provided that (i) a Holder has complied with the requirements of Sections 3.2(a) and 3.2(c), (ii) the Company has determined that (x) the Holder's exercise of its Warrants does not violate any of the Communications Laws or the Securities Act or any decision, rule, regulation, policy, order or declaratory ruling issued by the FCC or the SEC, as applicable and (y) all conditions imposed by the FCC or any other Governmental Authority in any Regulatory Approval have been satisfied, such Holder's Warrants shall be automatically deemed exercised.

3.9 Withholding. Subject to Section 3.4, notwithstanding anything in this Agreement or the Warrant to the contrary, the Company shall be entitled to deduct and withhold (or cause to be deducted and withheld) from any amounts or property payable or deliverable to any Person pursuant to or in connection with this Agreement or the Warrant such amounts as are required to be deducted or withheld under applicable law with respect to t[he Warrant (and the Company shall be entitled to withhold, for the avoidance of doubt, from any amounts or property that are payable or deliverable with respect to the Warrant that are subsequent to the] payment or delivery [or other circumstance that gave rise to the requirement to deduct or withhold under applicable law);] provided that, the Company shall [use its commercially reasonable efforts to] notify such Person of such withholding obligation prior to the date on which such deduction and withholding will be made and the parties shall take commercially reasonable steps to reduce or eliminate any such withholding. Any amounts that are so withheld by the Company shall be paid to the appropriate Governmental Authority [and shall be treated as having been paid to the Person in respect of which such withholding was made.]

4. **Dissolution, Liquidation or Winding Up.**

Unless Section 5.1(f) applies, if, on or prior to the Expiration Time, the Company (or any other Person controlling the Company) shall propose a voluntary or involuntary dissolution, liquidation or winding up (collectively, a "***Winding Up***"; provided that a Winding Up shall not be effected pursuant to a Transaction) of the affairs of the Company, the Company shall give written notice thereof to the Warrant Agent and all Holders in the manner provided in Section 11.2 prior to the date on which such transaction is expected to become effective or, if earlier, the record date for such transaction. Such notice shall also specify the date as of which the holders of record of the shares of Common Stock shall be entitled to exchange their shares for securities, money or other property deliverable upon such dissolution, liquidation or winding up, as the case may be, on which date each Holder of Warrant Certificates shall receive the securities, money or other property which such Holder would have been entitled to receive had such Holder been the holder of record of the shares of Common Stock into which the Warrants were exercisable immediately prior to such dissolution, liquidation or winding up (net of the then applicable Exercise Price) and the rights to exercise the Warrants shall terminate.

¹² **Note to Draft:** Parties to discuss mechanics.

Unless Section 5.1(f) applies, in case of any Winding Up of the Company, the Company shall deposit with the Warrant Agent any funds or other property which the Holders are entitled to receive pursuant to the above paragraph, together with a Company Order as to the distribution thereof. After receipt of such deposit from the Company and after receipt of surrendered Warrant Certificates evidencing Warrants, the Warrant Agent shall make payment in appropriate amount to such Person or Persons as it may be directed in writing by the Holder surrendering such Warrant Certificate. The Warrant Agent shall not be required to pay interest on any money deposited pursuant to the provisions of this Section 4 except such as it shall agree with the Company to pay thereon. Any moneys, securities or other property which at any time shall be deposited by the Company or on its behalf with the Warrant Agent pursuant to this Section 4 shall be, and are hereby, assigned, transferred and set over to the Warrant Agent in trust for the purpose for which such moneys, securities or other property shall have been deposited; provided that moneys, securities or other property need not be segregated from other funds, securities or other property held by the Warrant Agent except to the extent required by law.

5. Adjustments.

5.1 Adjustments. In order to prevent dilution of the rights granted under the Warrants and to grant the Holders certain additional rights, the Exercise Price shall be subject to adjustment from time to time only as specifically provided in this Section 5.1 and the number of shares of Common Stock obtainable upon exercise of Warrants shall be subject to adjustment from time to time only as specifically provided in this Section 5.1, in each case, without duplication.

(a) Subdivisions and Combinations. In the event the Company shall, at any time or from time to time after the Original Issue Date while any Warrants remain outstanding and unexpired in whole or in part, effect a subdivision (by any equity security split, subdivision or otherwise) of the outstanding shares of Common Stock into a greater number of shares of Common Stock (other than (x) a subdivision upon a Transaction to which Section 5.1(f) applies or (y) an equity security split effected by means of a stock or equity security dividend or distribution to which Section 5.1(b) applies), then and in each such event the Exercise Price in effect at the opening of business on the day after the date upon which such subdivision becomes effective shall be proportionately decreased by multiplying such Exercise Price by a fraction (i) the numerator of which shall be the total number of shares of Common Stock issued and outstanding immediately prior to such subdivision and (ii) the denominator of which shall be the sum of (A) the total number of shares of Common Stock issued and outstanding immediately prior to such subdivision plus (B) the number of shares of Common Stock issuable as a result of such subdivision. Conversely, if the Company shall, at any time or from time to time after the Original Issue Date while any Warrants remain outstanding and unexpired in whole or in part, effect a combination (by any reverse equity security split, combination or otherwise) of the outstanding shares of Common Stock into a smaller number of shares of Common Stock (other than a combination upon a Transaction to which Section 5.1(f) applies), then and in each such event the Exercise Price in effect at the opening of business on the day after the date upon which such combination becomes effective shall be proportionately increased by multiplying such Exercise Price by a fraction (i) the numerator of which shall be the total number of shares of Common Stock issued and outstanding immediately prior to such combination and (ii) the denominator of which shall be the sum of (A) the total number of shares of Common Stock issued and outstanding immediately prior to such combination minus (B) the number of shares of Common Stock reduced as a result of such

combination. Any adjustment under this Section 5.1(a) shall become effective immediately after the opening of business on the day after the date upon which the subdivision or combination becomes effective.

(b) Common Stock Dividends. In the event the Company shall, at any time or from time to time after the Original Issue Date while any Warrants remain outstanding and unexpired, in whole or in part, pay, make or issue to the holders of its Common Stock, or shall fix a record date for the determination of holders of Common Stock to receive, a dividend or distribution payable in, or otherwise pay, make or issue, or fix a record date for the determination of holders of Common Stock to receive, a dividend or other distribution on any class of its equity securities payable in, Common Stock (other than a dividend or distribution upon a Transaction to which Section 5.1(f) applies), then and in each such event the Exercise Price in effect at the opening of business on the day after the date for the determination of the holders of Common Stock entitled to receive such dividend or distribution shall be decreased by multiplying such Exercise Price by a fraction (not to be greater than 1):

(i) the numerator of which shall be the total number of shares of Common Stock issued and outstanding at the close of business on such date for determination; and

(ii) the denominator of which shall be the sum of (A) the total number of shares of Common Stock issued and outstanding at the close of business on such date for determination plus (B) the number of shares of Common Stock issuable in payment of such dividend or distribution.

Any adjustment under this Section 5.1(b) shall, subject to Section 5.1(d)(iv), become effective immediately after the opening of business on the day after the date for the determination of the holders of Common Stock entitled to receive such dividend or distribution.

(c) Reclassifications. In the event that the Company reclassifies the Common Stock (other than any such reclassification in connection with a Transaction to which Section 5.1(f) applies) into Common Stock and any other equity interests of the Company:

(i) then and in each such event, the Exercise Price in effect immediately prior to the close of business on the effective date of such reclassification shall be decreased by multiplying such Exercise Price by a fraction (not to be greater than 1): (x) the numerator of which shall be the Fair Market Value per share of Common Stock on such date for determination minus the Fair Market Value (as determined in good faith by the Board of Directors, whose determination shall be evidenced by a resolution of the Board of Directors filed with the Warrant Agent) of the portion applicable to one share of Common Stock of such other equity interests of the Company into which Common Stock are so reclassified and (y) the denominator of which shall be Fair Market Value per share of Common Stock;

(ii) if the outstanding shares of Common Stock shall be changed into a larger or smaller number of shares of Common Stock as a part of such reclassification, such change shall be deemed a subdivision or combination, as the case may be, of the outstanding shares of Common Stock for the purposes and within the meaning of

Section 5.1(a) (and the effective date of such reclassification shall be deemed to be “the date upon which such subdivision becomes effective” or “the date upon which such combination becomes effective,” as applicable, for the purposes and within the meaning of Section 5.1(a)); and

(iii) any dividend or distribution of equity interests made or paid on Common Stock shall not be deemed a reclassification within the meaning of this Section 5.1(c).

(d) Other Provisions Applicable to Adjustments. The following provisions shall be applicable to the making of adjustments to the Exercise Price and the number of shares of Common Stock into which each Warrant is exercisable under Section 5.1:

(i) Common Stock Held by the Company. The dividend or distribution of any issued shares of Common Stock owned or held by or for the account of the Company shall be deemed a dividend or distribution of Common Stock for purposes of Section 5.1(b). The Company shall not make or issue any dividend or distribution on Common Stock held in the treasury of the Company. For the purposes of Section 5.1(b), the number of shares of Common Stock at any time outstanding shall not include Common Stock held in the treasury of the Company.

(ii) When Adjustments Are to be Made. The adjustments required by Section 5.1(a), Section 5.1(b), Section 5.1(c) and Section 5.1(g) shall be made whenever and as often as any specified event requiring an adjustment shall occur, except that no adjustment of the Exercise Price that would otherwise be required shall be made unless and until such adjustment either by itself or with other adjustments not previously made increases or decreases the Exercise Price immediately prior to the making of such adjustment by at least 1%. Any adjustment representing a change of less than such minimum amount (except as aforesaid) shall be carried forward and made as soon as such adjustment, together with other adjustments required by Section 5.1(a), Section 5.1(b), Section 5.1(c) and Section 5.1(g) and not previously made, would result in such minimum adjustment.

(iii) Fractional Interests. In computing adjustments under this Section 5.1, fractional interests in Common Stock shall be taken into account to the nearest one-thousandth of a share of Common Stock.

(iv) Deferral of Issuance Upon Exercise. In any case in which Section 5.1(b) or Section 5.1(g) shall require that a decrease in the Exercise Price be made effective prior to the occurrence of a specified event and any Warrant is exercised after the time at which the adjustment became effective but prior to the occurrence of such specified event and, in connection therewith, Section 5.1(e) shall require a corresponding increase in the number of shares of Common Stock into which each Warrant is exercisable, the Company may elect to defer (but not in any event later than the Expiration Time or the closing date of the applicable Third Party Sale Transaction) until the occurrence of such specified event (A) the issuance to the Holder of the Warrant Certificate evidencing such Warrant (or other Person entitled thereto) of, and the registration of such Holder (or other

Person) as the record holder of, the shares of Common Stock over and above the shares of Common Stock issuable upon such exercise on the basis of the number of shares of Common Stock obtainable upon exercise of such Warrant immediately prior to such adjustment and to require payment in respect of such number of shares of Common Stock the issuance of which is not deferred on the basis of the Exercise Price in effect immediately prior to such adjustment and (B) the corresponding reduction in the Exercise Price; provided, however, that the Company shall deliver to such Holder or other person a due bill or other appropriate instrument that evidences the right of such Holder or other Person to receive, and to become the record holder of, such additional shares of Common Stock, upon the occurrence of such specified event requiring such adjustment (without payment of any additional Exercise Price in respect of such additional shares of Common Stock) and, if the shares of Common Stock are then traded on a national securities exchange or other market, meets any applicable requirements of the principal national securities exchange or other market on which the shares of Common Stock are then traded.

(e) Adjustment to Common Stock Obtainable Upon Exercise. Whenever the Exercise Price is adjusted as provided in this Section 5.1 (other than as an adjustment required pursuant to Section 5.1(g)), the number of shares of Common Stock into which a Warrant is exercisable shall simultaneously be adjusted by multiplying such number of shares of Common Stock into which a Warrant is exercisable immediately prior to such adjustment by a fraction, the numerator of which shall be the Exercise Price immediately prior to such adjustment, and the denominator of which shall be the Exercise Price immediately thereafter.

(f) [Changes in Common Stock. In case at any time or from time to time after the Original Issue Date while any Warrants remain outstanding and unexpired in whole or in part, the Company (including any Successor Company) shall be a party to or shall otherwise engage in any transaction or series of related transactions constituting: (1) a consolidation of the Company with, a sale of all of the equity (including a tender or exchange offer) of the Company to, a merger of the Company into, a sale of all or substantially all of the assets of the Company and its Subsidiaries (taken as a whole) to, any other Person, or any similar transaction, in each case, in which the previously outstanding shares of Common Stock shall receive or be entitled to receive (either directly or upon subsequent liquidation or winding up), cancelled, reclassified or converted or changed into or exchanged for securities or other property (including cash) or any combination of the foregoing (a “**Non-Surviving Transaction**”), or (2) any merger of another Person into the Company in which the previously outstanding shares of Common Stock shall be cancelled, reclassified or converted or changed into or exchanged for securities of the Company or other property (including cash) or any combination of the foregoing (a “**Surviving Transaction**” and any Non-Surviving Transaction or Surviving Transaction being herein called a “**Transaction**”); then:

(i) if such Transaction constitutes a Sale Cash Only Transaction and such Sale Cash Only Transaction is consummated on or prior to the Black-Scholes Expiration Date, then, at the effective time of the consummation of such Sale Cash Only Transaction, (A) any Warrants not exercised prior to the closing of such Sale Cash Only Transaction shall automatically expire, terminate and become void without any payment or consideration other than as contemplated by the following clause (B) and (B) to the extent the Black-Scholes Value of one Warrant as of the date of the consummation of the

Sale Cash Only Transaction is greater than zero, the Company shall deliver or cause to be delivered to the Holder of each Warrant Certificate evidencing any unexercised Warrants, cash in an amount, for each Warrant so evidenced, equal to the greater of (x) such Black-Scholes Value and (y) the consideration to be received by such Holder if such Warrant were exercised for Common Stock;

(ii) if such Transaction is a [Redomestication Transaction or a]Non-Sale Transaction:

(A) as a condition to the consummation of such Transaction, the Company shall (or, in the case of any Non-Surviving Transaction, the Company shall cause such other Person to) execute and deliver to the Warrant Agent a written instrument providing that any Warrant that remains outstanding in whole or in part, upon the exercise thereof at any time on or after the consummation of such Transaction, shall be exercisable (on such terms and subject to such conditions as shall be as nearly equivalent as may be practicable to the provisions set forth in this Agreement) into, in lieu of the shares of Common Stock issuable upon such exercise prior to such consummation, only the securities or other property ("***Substituted Property***") that would have been receivable upon such Transaction by a Qualifying Electing Person holding the number of shares of Common Stock into which such Warrant was exercisable immediately prior to such Transaction and for an aggregate Exercise Price for such Warrant equal to the product of (I) the number of shares of Common Stock into which such Warrant was exercisable immediately prior to such Transaction and (II) the Exercise Price per share of Common Stock immediately prior to such Transaction;

(B) except as otherwise specified in Section 5.1(f)(ii)(A), the rights and obligations of the Company (or, in the event of a Non-Surviving Transaction, such other Person) and the Holders in respect of Substituted Property shall be substantially unchanged to be as nearly equivalent as may be practicable to the rights and obligations of the Company and Holders in respect of shares of Common Stock hereunder as set forth in Section 3.1 hereof; and

(C) such written instrument under clause (ii)(A) above shall provide for adjustments which, for events subsequent to the effective date of such written instrument, shall be as nearly equivalent as may be practicable to the adjustments provided for in this Section 5; and the provisions of this Section 5.1(f) shall similarly apply to successive Transactions that are not Third Party Sale Transactions;

(iii) if such Transaction constitutes a Sale Securities Only Transaction and such Sale Cash Only Transaction is consummated on or prior to the Black-Scholes Expiration Date, then, at the effective time of the consummation of such Sale Securities Only Transaction, (A) any Warrants not exercised prior to the closing of such Sale

Securities Only Transaction shall automatically expire, terminate and become void without any payment or consideration other than as contemplated by the following clause (B) and (B) if the Black-Scholes Value of one Warrant as of the date of the consummation of the Sale Securities Only Transaction is greater than zero, the Company shall deliver or cause to be delivered to the Holder of each Warrant Certificate evidencing any unexercised Warrants, an amount of the Sale Securities Only Transaction Securities for each Warrant so evidenced having a Fair Market Value equal to the greater of: (x) such Black-Scholes Value and (if such Sale Securities Only Transaction Securities consist of securities of more than one type) in such proportion among the securities so delivered as to be the same as the pro rata kind and amount per share of Common Stock (determined on the basis of all outstanding shares of Common Stock held by all Qualifying Persons) and (y) value of the consideration to be received by such Holder if such Warrant were exercised for Common Stock and (if such Sale Securities Only Transaction Securities consist of securities of more than one type) in such proportion among the securities so delivered as to be the same as the pro rata kind and amount per share of Common Stock (determined on the basis of all outstanding shares of Common Stock held by all Qualifying Persons); or

(iv) if such Transaction constitutes a Sale Cash and Securities Transaction and such Sale Cash Only Transaction is consummated on or prior to the Black-Scholes Expiration Date, then, at the effective time of the consummation of such Sale Cash and Securities Transaction, (A) any Warrants not exercised prior to the closing of such Sale Cash and Securities Transaction shall automatically expire, terminate and become void without any payment or consideration other than as contemplated by the following clause (B) and (B) if the Black-Scholes Value of each Warrant as of the date of the consummation of the Sale Cash and Securities Transaction is greater than zero, the Company shall deliver or cause to be delivered to the Holder of each Warrant Certificate evidencing any unexercised Warrants, an amount of Sale Cash and Securities Transaction Consideration for each Warrant so evidenced having a Fair Market Value equal to the greater of: (x) such Black-Scholes Value and (if such Sale Cash and Securities Transaction Consideration consists of consideration of more than one type) in such proportion among the cash, securities and other property so delivered as to be the same as the pro rata kind and amount per share of Common Stock (determined on the basis of all outstanding shares of Common Stock held by all Qualifying Persons) actually received in such Sale Cash and Securities Transaction by all Qualifying Persons and (y) value of the consideration to be received by such Holder if such Warrant were exercised for Common Stock and (if such Sale Cash and Securities Transaction Consideration consists of consideration of more than one type) in such proportion among the cash, securities and other property so delivered as to be the same as the pro rata kind and amount per share of Common Stock (determined on the basis of all outstanding shares of Common Stock held by all Qualifying Persons) actually received in such Sale Cash and Securities Transaction by all Qualifying Persons.

For the avoidance of doubt, notwithstanding anything to the contrary contained herein, in no event shall a Holder be entitled to any Fair Market Value, or any delivery of any cash, securities or other property in respect thereof, on account of the Warrants (using the Black-Scholes Value or

otherwise) in any [Redomestication Transaction or] Non-Sale Transaction (other than the kind and amount of Substituted Property specified in Section 5.1(f)(ii)(A)].¹³

(g) [Upon a Change of Control].

(i) In the event of a Change of Control [after the Black-Scholes Expiration Date]¹⁴ in which the only consideration payable to Holders of Common Stock is cash, each Warrant shall be deemed to be exercised immediately prior to the consummation of such Change of Control and the Holder thereof shall receive solely the cash consideration to which such Holder would have been entitled as a result of such Change of Control, less the Exercise Price, as though the Warrant had been exercised immediately prior thereto. Upon a Change of Control in which the consideration payable to Holders of Common Stock is other than only cash, at the option of the Company in its sole discretion, each Warrant will be either (A) assumed by the party surviving such Change of Control and shall continue to be exercisable subject to the terms set forth herein for the kind and amount of consideration to which such Holder would have been entitled as a result of such Change of Control had the Warrant been exercised immediately prior thereto, or (B) if not assumed by the party surviving such Change of Control, deemed to be exercised immediately prior to the consummation of such Change of Control and the Holder thereof shall receive the consideration to which such Holder would have been entitled as a result of such Change of Control, less the Exercise Price, as though the Warrant had been exercised immediately prior thereto; provided, however, that the foregoing Section 5.1(g)(i) shall be subject in all respects to compliance with the Communications Laws.

(h) After compliance by the Company with this Section 5.1(g), each Holder (A) agrees to raise no objections with respect to the treatment provided in Section 5.1(g)(i) with respect to a Change of Control (provided that such Holder shall not be deemed to have waived any applicable dissenters rights, appraisal rights or similar rights in connection with such Change of Control) and (B) shall, subject to any applicable dissenters rights, appraisal rights or similar rights in connection with such Change of Control, surrender all Warrants to the Warrant Agent, and all such Warrants surrendered or so delivered to the Warrant Agent shall be promptly cancelled by the Warrant Agent and shall not be reissued by the Company.]

(i) Cash Dividends. In the event the Company shall, at any time or from time to time after the Original Issue Date while any Warrants remain outstanding and unexpired in whole or in part, pay, or fix a record date for the determination of holders of Common Stock to receive, any dividend of cash to holders of its Common Stock (other than any dividend or distribution upon a Transaction to which Section 5.1(f) [or Section 5.1(g)] or applies) (a “**Cash Dividend**”), then and in each such event, the Exercise Price in effect immediately prior to the close of business on the date for the determination of the holders of Common Stock entitled to receive such dividend or distribution shall be decreased (to an amount not less than zero) by an amount equal to the amount of the cash so distributed to one share of Common Stock. Any adjustment

¹³ **Note to Draft:** To be included *only* in the Black-Scholes-Protected Warrant Agreement.

¹⁴ **Note to Draft:** To be included *only* in the Black-Scholes-Protected Warrant Agreement.

under this Section 5.1(g) shall, subject to Section 5.1(d)(iv), become effective immediately prior to the opening of business on the day after the date for the determination of the holders of Common Stock entitled to receive such Cash Dividend.

(j) Optional Tax Adjustment. The Company may at its option, at any time during the term of the Warrants, increase the number of shares of Common Stock into which each Warrant is exercisable, or decrease the Exercise Price, in addition to those changes required by Section 5.1(a), Section 5.1(b), Section 5.1(c) or Section 5.1(g) as deemed advisable by the Board of Directors, in order that any event treated for income tax purposes as a dividend of equity securities or equity security rights shall not be taxable to the recipients.

(h) [Warrants Deemed Exercisable. For purposes solely of this Section 5, the number of shares of Common Stock which the holder of any Warrant would have been entitled to receive had such Warrant been exercised in full at any time or into which any Warrant was exercisable at any time shall be determined assuming such Warrant was exercisable in full at such time.]

(k) Notice of Adjustment. Upon the occurrence of each adjustment of the Exercise Price or the number of shares of Common Stock into which a Warrant is exercisable pursuant to this Section 5.1, the Company at its expense shall promptly:

(i) compute such adjustment in accordance with the terms hereof;

(ii) after such adjustment becomes effective, deliver to all Holders, in accordance with Section 11.1(b) and Section 11.2, a notice setting forth such adjustment in reasonable detail and showing in reasonable detail the facts upon which such adjustment (including the kind and amount of securities, cash or other property for which the Warrants shall be exercisable and the Exercise Price) is based; and

(iii) deliver to the Warrant Agent a certificate of the Treasurer or other officer of the Company having equivalent responsibilities setting forth the Exercise Price and the number of shares of Common Stock into which each Warrant is exercisable after such adjustment and setting forth a brief statement of the facts requiring such adjustment and the computation by which such adjustment was made (including a description of the basis on which the Fair Market Value of any evidences of indebtedness, shares of equity securities, securities, cash or other assets or consideration used in the computation was determined). As provided in Section 10.1, the Warrant Agent shall be entitled to rely on such certificate and shall be under no duty or responsibility with respect to any such certificate, except to exhibit the same from time to time to any Holder desiring an inspection thereof during reasonable business hours.

(l) Statement on Warrant Certificates. Irrespective of any adjustment in the Exercise Price or amount or kind of equity securities into which the Warrants are exercisable, Warrant Certificates theretofore or thereafter issued may continue to express the same Exercise Price initially applicable or amount or kind of equity securities initially issuable upon exercise of the Warrants evidenced thereby pursuant to this Agreement.

5.2 Fractional Interest. The Company shall not be required upon the exercise of any Warrant to issue any fractional shares of Common Stock, but may, in lieu of issuing any fractional shares of Common Stock make an adjustment therefore in cash on the basis of the Fair Market Value per share of Common Stock on the date of such exercise. If Warrant Certificates evidencing more than one Warrant shall be presented for exercise at the same time by the same Holder, the number of full shares of Common Stock which shall be issuable upon such exercise thereof shall be computed on the basis of the aggregate number of Warrants so to be exercised. The Holders, by their acceptance of the Warrant Certificates, expressly waive their right to receive any fraction of a share of Common Stock or a stock certificate representing a fraction of a share of Common Stock.

5.3 No Other Adjustments. In each case, except in accordance with Section 5.1, the applicable Exercise Price and the number of shares of Common Stock obtainable upon exercise of any Warrant will not be adjusted for (x) any dividend or distribution made or paid on the shares of Common Stock or any other equity securities, (y) any purchase (including by tender or exchange offer) of any shares of Common Stock or (z) the issuance of shares of Common Stock or any securities convertible into or exchangeable for shares of Common Stock or carrying the right to purchase any of the foregoing, including:

(i) upon the issuance of any other securities by the Company on or after the Original Issue Date, whether or not contemplated by the Plan, or upon the issuance of shares of Common Stock upon the exercise of any such securities;

(ii) upon the issuance of any shares of Common Stock or other securities or any payments pursuant to the Management Incentive Plan (as defined in the Plan) or any other equity incentive plan of the Company;

(iii) upon the issuance of any shares of Common Stock pursuant to the exercise of the Warrants; or

(iv) upon the issuance of any shares of Common Stock or other securities of the Company in connection with a business acquisition transaction.

6. Loss or Mutilation.

If (a) any mutilated Warrant Certificate is surrendered to the Warrant Agent or (b) both (i) there shall be delivered to the Company and the Warrant Agent (A) a claim by a Holder as to the destruction, loss or wrongful taking of any Warrant Certificate of such Holder and a request thereby for a new replacement Warrant Certificate, and (B) such indemnity bond as may be required by them to save each of them and any agent of either of them harmless and (ii) such other reasonable requirements as may be imposed by the Company and the Warrant Agent as permitted by Section 8-405 of the Uniform Commercial Code have been satisfied, then, in the absence of notice to the Company or the Warrant Agent that such Warrant Certificate has been acquired by a “protected purchaser” within the meaning of Section 8-405 of the Uniform Commercial Code, the Company shall execute and upon its written request the Warrant Agent shall countersign and deliver to the registered Holder of the lost, wrongfully taken, destroyed or mutilated Warrant Certificate, in exchange therefore or in lieu thereof, a new Warrant Certificate of the same tenor

and for a like aggregate number of Warrants. At the written request of such registered Holder, the new Warrant Certificate so issued shall be retained by the Warrant Agent as having been surrendered for exercise, in lieu of delivery thereof to such Holder, and shall be deemed for purposes of Section 3.2 to have been surrendered for exercise on the date the conditions specified in clauses (a) or (b) of the preceding sentence were first satisfied.

Upon the issuance of any new Warrant Certificate under this Section 6, the Company may require the payment of any tax or other governmental charge that is imposed in relation thereto and any other reasonable and documented out-of-pocket expenses (including the reasonable and documented fees and expenses of the Warrant Agent and of counsel to the Company) in connection therewith.

Every new Warrant Certificate executed and delivered pursuant to this Section 6 in lieu of any lost, wrongfully taken or destroyed Warrant Certificate shall constitute an additional contractual obligation of the Company, whether or not the allegedly lost, wrongfully taken or destroyed Warrant Certificate shall be at any time enforceable by anyone, and shall be entitled to the benefits of this Agreement equally and proportionately with any and all other Warrant Certificates duly executed and delivered hereunder.

The provisions of this Section 6 are exclusive and shall preclude (to the extent lawful) all other rights or remedies with respect to the replacement of mutilated, lost, wrongfully taken, or destroyed Warrant Certificates.

7. Reservation and Authorization of Common Stock.

The Company covenants that, for the duration of the Exercise Period, the Company will at all times reserve and keep available, from its authorized and unissued shares of Common Stock solely for issuance and delivery upon the exercise of the Warrants and free of preemptive rights, such number of shares of Common Stock and other securities, cash or property as from time to time shall be issuable upon the exercise in full of all outstanding Warrants for cash. The Company further covenants that it shall, from time to time, take all steps necessary to increase the authorized number of its shares of Common Stock if at any time the authorized number of shares of Common Stock remaining unissued would otherwise be insufficient to allow delivery of all the shares of Common Stock then deliverable upon the exercise in full of all outstanding Warrants. The Company covenants that it will take such actions as may be necessary or appropriate in order that all shares of Common Stock issuable upon exercise of the Warrants will, upon issuance, be duly and validly issued, and will be free of restrictions on transfer and will be free from all taxes, liens and charges in respect of the issue thereof (other than income or similar taxes or taxes in respect of any transfer occurring contemporaneously or otherwise specified herein or in connection with a Cashless Exercise). The Company shall take all such actions as may be necessary to ensure that all such shares of Common Stock may be so issued without violation of any applicable law or governmental regulation. The Company covenants that the stock certificates, if any, issued to evidence any shares of Common Stock issued upon exercise of Warrants will comply with the Delaware General Corporation Act (as amended) and any other applicable law.

The Company hereby authorizes and directs its current and future transfer agents for the shares of Common Stock at all times to reserve stock certificates for such number of shares of

Common Stock, to the extent as, and if, required. The Warrant Agent is hereby authorized to requisition from time to time from any such transfer agents stock certificates required to honor outstanding Warrants upon exercise thereof in accordance with the terms of this Agreement, and the Company hereby authorizes and directs such transfer agents to comply with all such requests of the Warrant Agent. The Company will supply such transfer agents with duly executed stock certificates for such purposes, to the extent as, and if, required.

8. Warrant Transfer and Exchange.

8.1 Warrant Transfer Books.

(a) The Warrant Agent will maintain an office (the “**Corporate Agency Office**”) in the United States of America, where Warrant Certificates may be surrendered for registration of transfer or exchange and where Warrant Certificates may be surrendered for exercise of Warrants evidenced thereby, which office is _____, on the Original Issue Date. The Warrant Agent will give prompt written notice to all Holders of Warrant Certificates of any change in the location of such office.

(b) The Warrant Certificates evidencing the Warrants shall be issued in registered form only. The Company shall cause to be kept at the office of the Warrant Agent designated for such purpose a warrant register (the “**Warrant Register**”) in which, subject to such reasonable regulations as the Warrant Agent may prescribe and such regulations as may be prescribed by law, the Company shall provide for the registration of Warrant Certificates and of transfers or exchanges of Warrant Certificates as herein provided.

(c) Upon surrender for registration of transfer of any Warrant Certificate at the Corporate Agency Office, the Company shall execute, and the Warrant Agent shall countersign and deliver, in the name of the designated transferee or transferees, one or more new Warrant Certificates evidencing a like aggregate number of Warrants.

(d) At the option of the Holder, Warrant Certificates may be exchanged at the office of the Warrant Agent upon payment of the charges hereinafter provided for other Warrant Certificates evidencing a like aggregate number of Warrants. Whenever any Warrant Certificates are so surrendered for exchange, the Company shall execute, and the Warrant Agent shall countersign and deliver, the Warrant Certificates of the same tenor and evidencing the same number of Warrants as evidenced by the Warrant Certificates surrendered by the Holder making the exchange. Every Warrant Certificate surrendered for registration of transfer or exchange shall (if so required by the Company or the Warrant Agent) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company and the Warrant Agent, duly executed by the Holder thereof or his attorney duly authorized in writing.

8.2 Restrictions on Exchanges and Transfers.

(a) No Warrants or Common Stock shall be sold, exchanged or otherwise Transferred (A) in violation of (i) the Securities Act or state securities Laws, (ii) the Communication Laws, or (iii) the Company’s certificate of incorporation or other governing documents and (B) unless the transferee delivers to the Warrant Agent a properly completed and

duly executed IRS Form W-9 or the appropriate IRS Form W-8, as applicable. If any Holder purports to Transfer Warrants to any Person in a transaction that would violate the provisions of this Section 8.2, such Transfer shall be void ab initio and of no effect.

(b) The Company reserves the right to reject any and all Assignment Forms that it reasonably determines are not in proper form or for which any corresponding agreement by the Company to Transfer or exchange would, in the reasonable opinion of the Company, be unlawful. Any such determination by the Company shall be final and binding on the Holder of the Warrants, absent manifest error provided that the Company shall provide a Holder with the reasonable opportunity to correct any defects in its Assignment Forms (without prejudicing such Holder's ability to deliver subsequent Assignment Forms). The Company further reserves the right to request such information (including, without limitation, information with respect to citizenship, other ownership interests and Affiliates) as the Company may deem appropriate, after consulting with independent outside legal counsel, to determine whether the Transfer or exchange of the Warrants would (i) be unlawful, (ii) subject the Company to any limitation under the Communications Laws that would not apply to the Company but for such exchange, (iii) limit or impair any business activities of the Company under the Communications Laws, which shall be furnished promptly by any Holder from whom such information is requested as a condition to such Holder's Transfer or exchange of Warrants[, (iv) involve circumstances that the Board of Directors determines could require the registration or qualification of any class of Common Stock or require the Company to file reports pursuant to any applicable federal or state securities laws or (v) subject the Company to regulation under the Investment Company Act of 1940, the Investment Advisors Act of 1940, the Employee Retirement Income Security Act of 1974 or other applicable law or regulation, each as amended.] Moreover, the Company reserves the absolute right to waive any of the conditions to any particular Transfer or exchange of Warrants or any defects in the Assignment Form(s) with regard to any particular Transfer or exchange of Warrants. The Company shall provide prompt written notice to the Holder of any such rejection or waiver.

(c) Notwithstanding anything herein to the contrary, it shall be a condition to the Transfer of any Warrant that the transferee of such Warrant (i) shall comply with Section 8.2(a) and (ii) to the extent such transferee exercises any Warrant, shall execute a joinder to the Shareholders' Agreement (or, in the case where such transferee does not execute such joinder, shall be deemed to have become a party to the Shareholders' Agreement, irrespective of whether such transferee physically executes the Shareholders' Agreement or a joinder thereto).

8.3 Miscellaneous Procedures for Transfer or Exchanges of Warrants.

(a) All Warrant Certificates issued upon any registration of transfer or exchange of Warrant Certificates shall be the valid obligations of the Company, evidencing the same obligations, and entitled to the same benefits under this Agreement, as the Warrant Certificates surrendered for such registration of transfer or exchange.

(b) No service fee shall be charged to the transferor or transferee for any registration of transfer or exchange of Warrant Certificates; provided, however, that the Company may require payment of a sum sufficient to cover any stamp, registration or other similar transfer tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Warrant Certificates.

(c) The Warrant Agent shall, upon request of the Company from time to time, deliver to the Company such reports of registered ownership of the Warrants and such records of transactions with respect to the Warrants and the shares of Common Stock as the Company may request. The Warrant Agent shall also make available to the Company for inspection by the Company's agents or employees, from time to time as the Company may request, such original books of accounts and records maintained by the Warrant Agent in connection with the issuance and exercise of Warrants hereunder, such inspections to occur at the Corporate Agency Office during normal business hours.

(d) The Warrant Agent shall keep copies of this Agreement and any notices given to Holders hereunder available for inspection by the Holders during normal business hours at the Corporate Agency Office. The Company shall supply the Warrant Agent from time to time with such numbers of copies of this Agreement as the Warrant Agent may request.

9. Warrant Holders.

9.1 No Voting or Dividend Rights.

(a) No Holder of a Warrant Certificate evidencing any Warrant shall have or exercise any rights, solely by reason of the ownership or possession of a Warrant or the Warrant Certificate representing the same or otherwise by virtue hereof, as a holder of Common Stock of the Company, including the right to vote, to receive dividends and other distributions as a holder of Common Stock or to receive notice of, or attend, meetings or any other proceedings of the holders of Common Stock.

(b) The consent of any Holder of a Warrant Certificate, solely by reason of the ownership or possession of a Warrant or the Warrant Certificate representing the same or otherwise by virtue hereof, shall not be required with respect to any action or proceeding of the Company, including with respect to any Third Party Sale Transaction.

(c) Except as provided in Section 4, no Holder of a Warrant Certificate, solely by reason of the ownership or possession of a Warrant or the Warrant Certificate representing the same or otherwise by virtue hereof, shall have any right to receive any cash dividends, equity security dividends, allotments or rights or other distributions paid, allotted or distributed or distributable to the holders of Common Stock prior to, or for which the relevant record date preceded, the date of the exercise of such Warrant.

(d) No Holder of a Warrant Certificate shall have any right not expressly conferred hereunder or under, or by applicable law with respect to, the Warrant Certificate held by such Holder.

9.2 Rights of Action. All rights of action against the Company in respect of this Agreement, except rights of action vested in the Warrant Agent, are vested in the Holders of the Warrant Certificates, and any Holder of any Warrant Certificate, without the consent of the Warrant Agent or the Holder of any other Warrant Certificate, may, in such Holder's own behalf and for such Holder's own benefit, enforce and may institute and maintain any suit, action or proceeding against the Company suitable to enforce, or otherwise in respect of, such Holder's right to exercise such Holder's Warrants in the manner provided in this Agreement.

9.3 Treatment of Holders of Warrant Certificates. Every Holder, by virtue of accepting a Warrant Certificate, consents and agrees with the Company, with the Warrant Agent and with every subsequent holder of such Warrant Certificate that, prior to due presentment of such Warrant Certificate for registration of transfer, the Company and the Warrant Agent may treat the Person in whose name the Warrant Certificate is registered as the owner thereof for all purposes and as the Person entitled to exercise the rights granted under the Warrants, and neither the Company, the Warrant Agent nor any agent thereof shall be affected by any notice to the contrary.

9.4 Tax Forms. Each Holder of a Warrant Certificate shall deliver to the Warrant Agent a properly completed and duly executed IRS Form W-9 or the appropriate IRS Form W-8, as applicable.

9.5 [Representations and Warranties of the Holder. By acceptance of this Warrant Agreement, the Holder represents and warrants to the Company as follows:

(a) No Registration. The Holder understands that the Common Stock has not been, and will not be, registered under the Securities Act by reason of a specific exemption from the registration provisions of the Securities Act, the availability of which depends upon, among other things, the *bona fide* nature of the investment intent and the accuracy of the Holder's representations as expressed herein or otherwise made pursuant hereto.

(b) Investment Intent. The Holder is acquiring the Common Stock for investment for its own account, not as a nominee or agent, and not with a view to, or for resale in connection with, any distribution thereof. The Holder has no present intention of selling, granting any participation in, or otherwise distributing the Common Stock, nor does it have any contract, undertaking, agreement or arrangement for the same.

(c) Investment Experience. The Holder has substantial experience in evaluating and investing in private placement transactions of securities in companies similar to the Company, and has such knowledge and experience in financial or business matters so that it is capable of evaluating the merits and risks of its investment in the Company and protecting its own interests.

(d) Speculative Nature of Investment. The Holder understands and acknowledges that its investment in the Company is highly speculative and involves substantial risks. The Holder can bear the economic risk of its investment and is able, without impairing its financial condition, to hold the Common Stock for an indefinite period of time and to suffer a complete loss of its investment.

(e) Accredited Investor. The Holder is an "accredited investor" within the meaning of Regulation D, Rule 501(a), promulgated by the SEC and agrees to submit to the Company such further assurances of such status as may be reasonably requested by the Company. The Holder has furnished or made available any and all information requested by the Company to satisfy any applicable verification requirements as to "accredited investor" status. Any such information is true, correct and complete.

(f) Residency. The residency of the Holder (or, in the case of a partnership or corporation, such entity's principal place of business) has been correctly provided to the Company to the extent requested by the Company.

(g) Restrictions on Resales. The Holder acknowledges that the Common Stock must be held indefinitely unless subsequently registered under the Securities Act or an exemption from such registration is available. The Holder is aware of the provisions of Rule 144 promulgated under the Securities Act, which permit resale of shares purchased in a private placement subject to the satisfaction of certain conditions, which may include, among other things, the availability of certain current public information about the Company; the resale occurring not less than a specified period after a party has purchased and paid for the security to be sold; the number of shares being sold during any three-month period not exceeding specified limitations; the sale being effected through a "broker's transaction," a transaction directly with a "market maker" or a "riskless principal transaction" (as those terms are defined in the Securities Act or the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder); and the filing of a Form 144 notice, if applicable. The Holder acknowledges and understands that the Company may not be satisfying the current public information requirement of Rule 144 at the time the Holder wishes to sell the Common Stock and that, in such event, the Holder may be precluded from selling the Common Stock under Rule 144 even if the other applicable requirements of Rule 144 have been satisfied. The Holder acknowledges that, in the event the applicable requirements of Rule 144 are not met, registration under the Securities Act or an exemption from registration will be required for any disposition of the Common Stock. The Holder understands that, although Rule 144 is not exclusive, the Securities and Exchange Commission has expressed its opinion that persons proposing to sell restricted securities received in a private offering other than in a registered offering or pursuant to Rule 144 will have a substantial burden of proof in establishing that an exemption from registration is available for such offers or sales and that such persons and the brokers who participate in the transactions do so at their own risk.

(h) No Public Market. The Holder understands and acknowledges that no public market now exists for any of the securities issued by the Company and that the Company has made no assurances that a public market will ever exist for the Company's securities.

(i) Brokers and Finders. The Holder has not engaged any brokers, finders or agents in connection with the Common Stock, and the Company has not incurred nor will incur, directly or indirectly, as a result of any action taken by the Holder, any liability for brokerage or finders' fees or agents' commissions or any similar charges in connection with the Common Stock.

(j) Legal Counsel. The Holder has had the opportunity to review this Warrant Agreement, the exhibits and schedules attached hereto and the transactions contemplated by this Warrant Agreement with its own legal counsel. Except as expressly set forth in this Warrant Agreement, the Holder is not relying on any statements or representations of the Company or its agents for legal advice with respect to this investment or the transactions contemplated by this Warrant Agreement.

(k) Tax Advisors. The Holder has reviewed with its own tax advisors the U.S. federal, state and local and non-U.S. tax consequences of this investment and the transactions contemplated by this Warrant Agreement. With respect to such matters, the Holder relies solely

on any such advisors and not on any statements or representations of the Company or any of its agents, written or oral. The Holder understands that it (and not the Company) shall be responsible for its own tax liability that may arise as a result of this investment and the transactions contemplated by this Warrant Agreement.

(l) No “Bad Actor” Disqualification. Neither (i) the Holder, (ii) to its knowledge, any of its directors, executive officers, other officers that may serve as a director or officer of any company in which it invests, general partners or managing members, nor (iii) to its knowledge, any beneficial owner of any of the Company’s voting equity securities (in accordance with Rule 506(d) of the Securities Act) held by the Holder is subject to any of the “bad actor” disqualifications described in Rule 506(d)(1)(i) through (viii) under the Securities Act, except as set forth in Rule 506(d)(2)(ii) or (iii) or (d)(3) under the Securities Act and disclosed, reasonably in advance of the acceptance of this Warrant Agreement, in writing in reasonable detail to the Company.]

10. Concerning the Warrant Agent.

10.1 Nature of Duties and Responsibilities Assumed. The Company hereby appoints the Warrant Agent to act as agent of the Company as set forth in this Agreement. The Warrant Agent hereby accepts the appointment as agent of the Company and agrees to perform that agency upon the terms and conditions set forth in this Agreement and in the Warrant Certificates or as the Company and the Warrant Agent may hereafter agree, by all of which the Company and the Holders of Warrant Certificates, by their acceptance thereof, shall be bound; provided, however, that the terms and conditions contained in the Warrant Certificates are subject to and governed by this Agreement or any other terms and conditions hereafter agreed to by the Company and the Warrant Agent.

The Warrant Agent shall not, by countersigning Warrant Certificates or by any other act hereunder, be deemed to make any representations as to validity or authorization of (i) the Warrants or the Warrant Certificates (except as to its countersignature thereon), (ii) any securities or other property delivered upon exercise of any Warrant, (iii) the accuracy of the computation of the number or kind or amount of equity securities or other securities or other property deliverable upon exercise of any Warrant or (iv) the correctness of any of the representations of the Company made in such certificates that the Warrant Agent receives. The Warrant Agent shall not at any time have any duty to calculate or determine whether any facts exist that may require any adjustments pursuant to Section 5 hereof with respect to the kind and amount of Common Stock or other securities or any property issuable to Holders upon the exercise of Warrants required from time to time. The Warrant Agent shall have no duty or responsibility to determine the accuracy or correctness of such calculation or with respect to the methods employed in making the same. The Warrant Agent shall not be accountable with respect to the validity or value (or the kind or amount) of any Common Stock or of any securities or property which may at any time be issued or delivered upon the exercise of any Warrant or upon any adjustment pursuant to Section 5 hereof, and it makes no representation with respect thereto. The Warrant Agent shall not be responsible for any failure of the Company to make any cash payment or to issue, transfer or deliver any Common Stock or stock or other securities or property upon the surrender of any Warrant Certificate for the purpose of exercise or upon any adjustment pursuant to Section 5 hereof or to comply with any of the covenants of the Company contained in Section 5 hereof.

The Warrant Agent shall not (i) be liable for any recital or statement of fact contained herein or in the Warrant Certificates or for any action taken, suffered or omitted by it in good faith on the belief that any Warrant Certificate or any other documents or any signatures are genuine or properly authorized, (ii) be responsible for any failure on the part of the Company to comply with any of its covenants and obligations contained in this Agreement or in the Warrant Certificates or (iii) be liable for any act or omission in connection with this Agreement except for its own gross negligence or willful misconduct (which gross negligence or willful misconduct must be determined by a final, non-appealable judgment of a court of competent jurisdiction).

The Warrant Agent is hereby authorized to accept and protected in accepting instructions with respect to the performance of its duties hereunder by Company Order and to apply to any such officer named in such Company Order for instructions (which instructions will be promptly given in writing when requested), and the Warrant Agent shall not be liable for any action taken or suffered to be taken by it in good faith in accordance with the instructions in any Company Order.

The Warrant Agent may execute and exercise any of the rights and powers hereby vested in it or perform any duty hereunder either itself or by or through its attorneys, agents or employees; provided, however, that reasonable care has been exercised in the selection and in the continued employment of any such attorney, agent or employee. The Warrant Agent shall not be under any obligation or duty to institute, appear in or defend any action, suit or legal proceeding in respect hereof, unless first indemnified to its satisfaction, but this provision shall not affect the power of the Warrant Agent to take such action as the Warrant Agent may consider proper, whether with or without such indemnity. The Warrant Agent shall promptly notify the Company in writing of any claim made or action, suit or proceeding instituted against it arising out of or in connection with this Agreement.

The Company shall perform, execute, acknowledge and deliver or cause to be performed, executed, acknowledged and delivered all such further acts, instruments and assurances as may reasonably be required by the Warrant Agent in order to enable it to carry out or perform its duties under this Agreement.

The Warrant Agent shall act solely as agent of the Company hereunder and does not assume any obligation or relationship of agency or trust for or with any of the Holders or any beneficial owners of Warrants. The Warrant Agent shall not be liable except for the failure to perform such duties as are specifically set forth herein or specifically set forth in the Warrant Certificates, and no implied covenants or obligations shall be read into this Agreement against the Warrant Agent whose duties and obligations shall be determined solely by the express provisions hereof or the express provisions of the Warrant Certificates.

10.2 Right to Consult Counsel. The Warrant Agent may at any time consult with legal counsel satisfactory to it (who may be legal counsel for the Company), and the Warrant Agent shall incur no liability or responsibility to the Company or to any Holder for any action taken, suffered or omitted by it in good faith in accordance with the opinion or advice of such counsel.

10.3 Compensation, Reimbursement and Indemnification. The Company agrees to pay the Warrant Agent from time to time compensation for all fees and expenses relating to its services hereunder as the Company and the Warrant Agent may agree from time to time and to reimburse

the Warrant Agent for reasonable expenses and disbursements, including reasonable counsel fees incurred in connection with the execution and administration of this Agreement. The Company further agrees to indemnify the Warrant Agent for and hold it harmless against any losses, liabilities or reasonable expenses arising out of or in connection with the acceptance and administration of this Agreement, including the reasonable costs, legal fees and expenses of investigating or defending any claim of such liability, except that the Company shall have no liability hereunder to the extent that any such loss, liability or expense results from the Warrant Agent's own gross negligence, bad faith or willful misconduct (which gross negligence, bad faith or willful misconduct must be determined by a final, non-appealable judgment of a court of competent jurisdiction).

10.4 Warrant Agent May Hold Company Securities. The Warrant Agent, any Countersigning Agent and any stockholder, equity holder, director, officer or employee of the Warrant Agent or any Countersigning Agent may buy, sell or deal in any of the warrants or other securities of the Company or its Affiliates, become pecuniarily interested in transactions in which the Company or its Affiliates may be interested, contract with or lend money to the Company or its Affiliates or otherwise act as fully and freely as though it were not the Warrant Agent or the Countersigning Agent, respectively, under this Agreement. Nothing herein shall preclude the Warrant Agent or any Countersigning Agent from acting in any other capacity for the Company or for any other legal entity.

10.5 Resignation and Removal; Appointment of Successor.

(a) The Warrant Agent may resign its duties and be discharged from all further duties and liability hereunder (except liability arising as a result of the Warrant Agent's own gross negligence or willful misconduct) after giving 30 days' prior written notice to the Company. The Company may remove the Warrant Agent upon 30 days' written notice, and the Warrant Agent shall thereupon in like manner be discharged from all further duties and liabilities hereunder, except as aforesaid. The Warrant Agent shall, at the expense of the Company, cause notice to be given in accordance with Section 11.1(b) to each Holder of a Warrant Certificate of said notice of resignation or notice of removal, as the case may be. Upon such resignation or removal, the Company shall appoint in writing a new Warrant Agent. If the Company shall fail to make such appointment within a period of 30 calendar days after it has been notified in writing of such resignation by the resigning Warrant Agent or after such removal, then the Holder of any Warrant Certificate may apply to any court of competent jurisdiction for the appointment of a new Warrant Agent. Any new Warrant Agent, whether appointed by the Company or by such a court, shall be an entity doing business under the laws of the United States or any state thereof in good standing, authorized under such laws to act as Warrant Agent, and having a combined capital and surplus of not less than \$25,000,000. The combined capital and surplus of any such new Warrant Agent shall be deemed to be the combined capital and surplus as set forth in the most recent annual report of its condition published by such Warrant Agent prior to its appointment; provided, however, that such reports are published at least annually pursuant to law or to the requirements of a federal or state supervising or examining authority. After acceptance in writing of such appointment by the new Warrant Agent, it shall be vested with the same powers, rights, duties and responsibilities as if it had been originally named herein as the Warrant Agent, without any further assurance, conveyance, act or deed; but if for any reason it shall be reasonably necessary or expedient to execute and deliver any further assurance, conveyance, act or deed, the same shall be done at the

reasonable expense of the Company and shall be legally and validly executed and delivered by the resigning or removed Warrant Agent. Not later than the effective date of any such appointment, the Company shall file notice thereof with the resigning or removed Warrant Agent. Failure to give any notice provided for in this Section 10.5(a), however, or any defect therein, shall not affect the legality or validity of the resignation of the Warrant Agent or the appointment of a new Warrant Agent as the case may be.

(b) Any entity into which the Warrant Agent or any new Warrant Agent may be merged, or any entity resulting from any consolidation to which the Warrant Agent or any new Warrant Agent shall be a party, shall be a successor Warrant Agent under this Agreement without any further act; provided, however, that such entity would be eligible for appointment as successor to the Warrant Agent under the provisions of Section 10.5(a). Any such successor Warrant Agent shall promptly cause notice of its succession as Warrant Agent to be given in accordance with Section 11.1(b) to each Holder of a Warrant Certificate at such Holder's last address as shown on the Warrant Register.

10.6 Appointment of Countersigning Agent.

(a) The Warrant Agent may appoint a Countersigning Agent or Agents which shall be authorized to act on behalf of the Warrant Agent to countersign Warrant Certificates issued upon original issue and upon exchange, registration of transfer or pursuant to Section 6, and Warrant Certificates so countersigned shall be entitled to the benefits of this Agreement equally and proportionately with any and all other Warrant Certificates duly executed and delivered hereunder. Wherever reference is made in this Agreement to the countersignature and delivery of Warrant Certificates by the Warrant Agent or to Warrant Certificates countersigned by the Warrant Agent, such reference shall be deemed to include countersignature and delivery on behalf of the Warrant Agent by a Countersigning Agent and Warrant Certificates countersigned by a Countersigning Agent. Each Countersigning Agent shall be acceptable to the Company and shall at the time of appointment be an entity doing business under the laws of the United States of America or any State thereof in good standing, authorized under such laws to act as Countersigning Agent, and having a combined capital and surplus of not less than \$25,000,000. The combined capital and surplus of any such new Countersigning Agent shall be deemed to be the combined capital and surplus as set forth in the most recent annual report of its condition published by such Countersigning Agent prior to its appointment; provided, however, that such reports are published at least annually pursuant to law or to the requirements of a federal or state supervising or examining authority.

(b) Any entity into which a Countersigning Agent may be merged or any entity resulting from any consolidation to which such Countersigning Agent shall be a party, shall be a successor Countersigning Agent without any further act; provided, however, that such entity would be eligible for appointment as a new Countersigning Agent under the provisions of Section 10.6(a), without the execution or filing of any paper or any further act on the part of the Warrant Agent or the Countersigning Agent. Any such successor Countersigning Agent shall promptly cause notice of its succession as Countersigning Agent to be given in accordance with Section 11.1(b) to each Holder of a Warrant Certificate at such Holder's last address as shown on the Warrant Register.

(c) A Countersigning Agent may resign at any time by giving 30 days' prior written notice thereof to the Warrant Agent and to the Company. The Warrant Agent may at any time terminate the agency of a Countersigning Agent by giving 30 days' prior written notice thereof to such Countersigning Agent and to the Company.

(d) The Warrant Agent agrees to pay to each Countersigning Agent from time to time reasonable compensation for its services under this Section 10.6 and the Warrant Agent shall be entitled to be reimbursed for such payments, subject to the provisions of Section 10.3.

(e) Any Countersigning Agent shall have the same rights and immunities as those of the Warrant Agent set forth in Section 10.1.

11. Notices.

11.1 Notices Generally.

(a) Any request, notice, direction, authorization, consent, waiver, demand or other communication permitted or authorized by this Agreement to be made upon, given or furnished to or filed with the Company or the Warrant Agent by the other party hereto or by any Holder shall be sufficient for every purpose hereunder if in writing (including electronic mail or other form of electronic communication) and emailed or delivered by hand (including by courier service) as follows:

if to the Company, to:

if to the Warrant Agent, to:

or, in either case, such other address as shall have been set forth in a notice delivered in accordance with this Section 11.1(a).

All such communications shall, when so delivered by electronic mail or delivered by hand, be effective when electronically mailed with confirmation of receipt or received by the addressee, respectively.

(b) Where this Agreement provides for notice to Holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first-class postage prepaid, to each Holder affected by such event, at the address of such Holder as it appears in the Warrant Register, not later than the latest date, and not earlier than the

earliest date, prescribed for the giving of such notice. In any case where notice to Holders is given by mail, neither the failure to mail such notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. Where this Agreement provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice.

In case by reason of the suspension of regular mail service or by reason of any other cause it shall be impracticable to give such notice by mail, then such notification as shall be made by a method approved by the Warrant Agent as one which would be most reliable under the circumstances for successfully delivering the notice to the addressees shall constitute a sufficient notification for every purpose hereunder.

11.2 Required Notices to Holders. In the event the Company shall:

(a) take any action that would result in an adjustment to the Exercise Price and/or the number of Common Stock issuable upon exercise of a Warrant pursuant to Section 5.1;

(b) consummate any Winding Up;

(c) consummate any [Third Party Sale Transaction or]¹⁵ [Change of Control];

or

(d) set a record date for determining the holders of Common Stock entitled to participate in any dividend or distribution (each of (a), (b), (c) or (d), an “**Action**”);

then, the Company shall cause to be delivered to the Warrant Agent and shall give to each Holder of a Warrant Certificate, in accordance with Section 11.1(b) hereof, a written notice of such Action, including, (x) in the case of an Action pursuant to Section 11.2(a), the information required under Section 5.1(k)(ii), and (y) in the case of an Action pursuant to Section 11.2(c), the material terms and conditions of such Third Party Sale Transaction and the date on which such Third Party Sale Transaction is expected to become effective. Such notice shall (i) be given promptly after the effective date of such Action and (ii) in the case of an Action pursuant to Section 11.2(c), be given at least ten (10) Business Days prior to the closing of the relevant Third Party Sale Transaction; or (iii) in the case of any Action covered by clause (d) above, be given by the date that is nine (9) calendar days prior to such record date.

If at any time the Company shall cancel any of the Actions for which notice has been given under this Section 11.2 prior to the consummation thereof, the Company shall give each Holder prompt notice of such cancellation in accordance with Section 11.1(b).

[The Company shall cause any notice covered by clause (c) above of any Action constituting a Third Party Sale Transaction in which all or any portion of the Sale Securities Only Transaction Securities or Sale Cash and Securities Transaction Consideration comprises non-cash

property (other than securities listed or admitted for trading on any U.S. national securities exchange) to set forth the Fair Market Values of such non-cash property.]¹⁶

In addition, in the event the Company enters into any definitive agreement with respect to any [Third Party Sale Transaction or]¹⁷ [Change of Control], the Company shall promptly cause to be delivered to the Warrant Agent and shall promptly give to each Holder of a Warrant Certificate, in accordance with Section 11.1(b), a notice of the entering into such definitive agreement.

12. Inspection.

The Warrant Agent shall cause a copy of this Agreement to be available at all reasonable times at the office of the Warrant Agent for inspection by any Holder of any Warrant Certificate. The Warrant Agent may require any such Holder to submit its Warrant Certificate for inspection by the Warrant Agent.

13. Amendments.

(a) Subject to Section 13(c), this Agreement may be amended, modified, waived or supplemented by the Company and the Warrant Agent with the consent of the Required Warrant Holders; provided, however, that any amendment, modification, waiver, or supplement to this Agreement which has a material, disproportionate, and adverse effect on any Holder of a Warrant Certificate (as compared to other Holders and without giving effect to such Holder's specific tax or economic position or any other matters personal to such holder) shall also require the approval of such Holder in order to be effective and enforceable against such Holder.

(b) Notwithstanding the foregoing, subject to Section 13(c), the Company and the Warrant Agent may, without the consent or concurrence of the Holders of the Warrant Certificates, by supplemental agreement or otherwise, amend, modify, waive, or supplement this Agreement for the purpose of making any changes or corrections in this Agreement that (i) are required to cure any ambiguity or to correct or supplement any defective or inconsistent provision or clerical omission or mistake or manifest error herein contained or (ii) add to the covenants and agreements of the Company in this Agreement further covenants and agreements of the Company thereafter to be observed, or surrender any rights or powers reserved to or conferred upon the Company in this Agreement; provided, however, that any amendment, modification, waiver, or supplement to this Agreement which has a material, disproportionate, and adverse effect on any Holder of a Warrant Certificate (as compared to other Holders and without giving effect to such Holder's specific tax or economic position or any other matters personal to such holder) shall also require the approval of such Holder in order to be effective and enforceable against such Holder.

(c) The consent of each Holder of any Warrant Certificate evidencing any Warrants affected thereby shall be required for any supplement or amendment to this Agreement or the Warrants that would: (i) increase the Exercise Price or decrease the number of Common Stock receivable upon exercise of Warrants, in each case other than as provided in Section 5.1; (ii)

change the Expiration Time to an earlier date or time; (iii) modify the provisions contained in Section 5.1, Section 5.3 or Section 11.2 (including the definitions used in and material to such Sections) in a manner adverse to the Holders of Warrant Certificates generally with respect to their Warrants; (iv) amend or modify this Section 13 or Section 14 in a manner adverse to the Holders of the Warrant Certificates; or (v) modify the definition of “Required Warrant Holders”.

(d) The Warrant Agent shall join with the Company in the execution and delivery of any such amendment unless such amendment affects the Warrant Agent’s own rights, duties or immunities hereunder, in which case the Warrant Agent may, but shall not be required to, join in such execution and delivery; provided, however, that as a condition precedent to the Warrant Agent’s execution of any amendment to this Agreement, the Company shall deliver to the Warrant Agent a certificate from an Appropriate Officer that states that the proposed amendment is in compliance with the terms of this Section 13. Upon execution and delivery of any amendment pursuant to this Section 13, such amendment shall be considered a part of this Agreement for all purposes and every Holder of a Warrant Certificate theretofore or thereafter countersigned and delivered hereunder shall be bound thereby.

(e) Promptly after the execution by the Company and the Warrant Agent of any such amendment, the Company shall give notice to the Holders of Warrant Certificates, setting forth in general terms the substance of such amendment, in accordance with the provisions of Section 11.1(b). Any failure of the Company to mail such notice or any defect therein, shall not, however, in any way impair or affect the validity of any such amendment.

14. **Waivers.**

The Company may take any action herein prohibited, or omit to perform any act herein required to be performed by it, only if the Company has obtained the written consent of the Required Warrant Holders as required pursuant to Section 13 and, if Section 13(c) applies, the consent of the Holders of any Warrant Certificates evidencing any Warrants affected thereby.

15. **[Successor to Company.**

So long as Warrants remain outstanding, the Company will not enter into any Non-Surviving Transaction that constitutes[either a Redomestication Transaction or] a Non-Sale Transaction in which Warrants would be outstanding after consummation unless the acquirer (a “**Successor Company**”) shall expressly assume by a supplemental agreement, executed and delivered to the Warrant Agent, in form reasonably satisfactory to the Warrant Agent, the due and punctual performance of every covenant of this Agreement on the part of the Company to be performed and observed and shall have provided for exercise rights in accordance with Section 5.1(f). Upon the consummation of such[Redomestication Transaction or] a Non-Sale Transaction, the Successor Company shall succeed to, and be substituted for, and may exercise every right and power of, the Company under this Agreement with the same effect as if such Successor Company had been named as the Company herein.]¹⁸

¹⁸ **Note to Draft:** To be included *only* in the Black-Scholes-Protected Warrant Agreement.

16. Headings.

The section headings contained in this Agreement are inserted for convenience only and will not affect in any way the meaning or interpretation of this Agreement.

17. Counterparts.

This Agreement may be executed in two or more counterparts, each of which will be deemed to be an original, but all of which together constitute one and the same instrument. A signature to this Agreement transmitted electronically shall have the same authority, effect and enforceability as an original signature.

18. Severability.

The provisions of this Agreement will be deemed severable and the invalidity or unenforceability of any provision hereof will not affect the validity or enforceability of the other provisions hereof; provided, however, that if any provision of this Agreement, as applied to any party or to any circumstance, is adjudged by a court or governmental body not to be enforceable in accordance with its terms, the parties agree that the court or governmental body making such determination will have the power to modify the provision in a manner consistent with its objectives such that it is enforceable, and/or to delete specific words or phrases, and in its reduced form, such provision will then be enforceable and will be enforced.

19. No Redemption.

The Warrants shall not be subject to redemption by the Company or any other Person; provided, however, that (i) the Warrants may be acquired by means other than a redemption, whether by tender offer, open market purchases, negotiated transactions or otherwise, in accordance with applicable securities laws, so long as such acquisition does not otherwise violate the terms of this Agreement and (ii) the Warrants are subject to termination upon a Third Party Sale Transaction as specified in Section 5.1(f).

20. Persons Benefiting.

This Agreement shall be binding upon and inure to the benefit of the Company, the Warrant Agent and the Holders from time to time. Nothing in this Agreement, express or implied, is intended to confer upon any person other than the Company, the Warrant Agent and the Holders any rights or remedies under or by reason of this Agreement or any part hereof, and all covenants, conditions, stipulations, promises and agreements contained in this Agreement shall be for the sole and exclusive benefit of the parties hereto and of the Holders; provided, however, that the Non-Recourse Parties are express third-party beneficiaries of Section 24. Each Holder, by acceptance of a Warrant Certificate, agrees to all of the terms and provisions of this Agreement applicable thereto.

21. Applicable Law; Venue.

THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, WITHOUT GIVING

EFFECT TO ANY CHOICE OF LAW OR CONFLICT OF LAW RULES OR PROVISIONS (WHETHER OF THE STATE OF NEW YORK OR ANY OTHER JURISDICTION) TO THE EXTENT SUCH RULES OR PROVISIONS WOULD CAUSE THE APPLICATION OF THE LAWS OF ANY JURISDICTION OTHER THAN THE STATE OF NEW YORK. EACH OF THE PARTIES TO THIS AGREEMENT CONSENTS AND AGREES THAT ANY ACTION TO ENFORCE THIS AGREEMENT OR ANY DISPUTE, WHETHER SUCH DISPUTE ARISES IN LAW OR EQUITY, ARISING OUT OF OR RELATING TO THIS AGREEMENT SHALL BE BROUGHT EXCLUSIVELY IN THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK OR ANY NEW YORK STATE COURT SITTING IN NEW YORK CITY. THE PARTIES HERETO CONSENT AND AGREE TO SUBMIT TO THE EXCLUSIVE JURISDICTION OF SUCH COURTS. EACH OF THE PARTIES TO THIS AGREEMENT WAIVES AND AGREES NOT TO ASSERT IN ANY SUCH DISPUTE, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY CLAIM THAT (I) SUCH PARTY AND SUCH PARTY'S PROPERTY IS IMMUNE FROM ANY LEGAL PROCESS ISSUED BY SUCH COURTS OR (II) ANY LITIGATION OR OTHER PROCEEDING COMMENCED IN SUCH COURTS IS BROUGHT IN AN INCONVENIENT FORUM. THE PARTIES HEREBY AGREE THAT MAILING OF PROCESS OR OTHER PAPERS IN CONNECTION WITH ANY SUCH ACTION OR PROCEEDING TO AN ADDRESS PROVIDED IN WRITING BY THE RECIPIENT OF SUCH MAILING, OR IN SUCH OTHER MANNER AS MAY BE PERMITTED BY LAW, SHALL BE VALID AND SUFFICIENT SERVICE THEREOF AND HEREBY WAIVE ANY OBJECTIONS TO SERVICE IN THE MANNER HEREIN PROVIDED.

22. Waiver of Jury Trial.

EACH PARTY ACKNOWLEDGES THAT ANY DISPUTE THAT MAY ARISE OUT OF OR RELATING TO THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE SUCH PARTY HEREBY EXPRESSLY WAIVES ITS RIGHT TO JURY TRIAL OF ANY DISPUTE BASED UPON OR ARISING OUT OF THIS AGREEMENT OR ANY OTHER AGREEMENTS RELATING HERETO OR ANY DEALINGS AMONG THEM RELATING TO THE TRANSACTIONS CONTEMPLATED HEREBY. THE SCOPE OF THIS WAIVER IS INTENDED TO ENCOMPASS ANY AND ALL ACTIONS, SUITS AND PROCEEDINGS THAT RELATE TO THE SUBJECT MATTER OF THE TRANSACTIONS CONTEMPLATED HEREBY, INCLUDING CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS, AND ALL OTHER COMMON LAW AND STATUTORY CLAIMS. EACH PARTY REPRESENTS THAT (I) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT IN THE EVENT OF ANY ACTION, SUIT OR PROCEEDING, SEEK TO ENFORCE THE FOREGOING WAIVER, (II) SUCH PARTY UNDERSTANDS AND WITH THE ADVICE OF COUNSEL HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (III) SUCH PARTY MAKES THIS WAIVER VOLUNTARILY, AND (IV) SUCH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND REPRESENTATIONS IN THIS SECTION 9.4.

23. Entire Agreement.

This Agreement sets forth the entire agreement of the parties hereto as to the subject matter hereof and supersedes all previous agreements among all or some of the parties hereto with respect thereto, whether written, oral or otherwise.

24. Confidentiality.

Except for required disclosures to any regulatory authority or self-regulatory authority with authority to regulate or oversee any aspect of the business of a Holder or its Affiliates, including bank and securities examiners or any other governmental body (provided, disclosures to such regulatory authority or self-regulatory authority shall be made with instructions to maintain confidentiality of the Confidential Information (as defined below)) or as and to the extent as may be required by applicable law, without the prior written consent of the Company, each Holder shall not make, and shall direct its officers, directors, managers, agents, employees and other representatives not to make, directly or indirectly, any public comment, statement, or communication with respect to, or otherwise disclose or permit the disclosure of Confidential Information or any of the terms, conditions, or other aspects of this Agreement; provided, however, that each Holder and each of its respective equity owners may disclose Confidential Information (i) to its and their respective attorneys, accountants, consultants, and other advisors or professionals to the extent necessary to obtain their services in connection with monitoring its investment in the Company and who are subject to confidentiality obligations to such Holder at least as protective as the terms set forth in this Section 23, provided, such Holder shall be responsible for any breach of such confidentiality provisions by any attorneys, accountants, consultants, or other advisors or professionals of such Holder or such Holder's equity owners or Affiliates that actually receive Confidential Information; (ii) to the extent required under any agreement between such Holder or its respective equity owners and the respective investors, limited partners or other similar Persons of such Holder and its respective equity owners, as applicable, who are subject to obligations of confidentiality and in confidential materials delivered to prospective investors, limited partners or other similar Persons of such Holder and its respective equity owners, as applicable, who are subject to obligations of confidentiality; provided, however, that such Holder will use commercially reasonable best efforts to, and shall direct its respective equity owners, to, enforce their respective rights in connection with a known breach of such confidentiality obligations by any Person receiving Confidential Information pursuant to this clause (ii), and (iii) to a bona fide potential purchaser of Common Stock or Warrants held by such Holder if such bona fide potential purchaser executes a confidentiality agreement with such Holder containing terms at least as protective as the terms set forth in this Section 23 and which, among other things, provides for third-party beneficiary rights in favor of the Company to enforce the terms thereof. Each Holder shall use, and shall direct its officers, directors, managers, agents, employees and other representatives to whom Confidential Information is disclosed to use, the Confidential Information only in connection with its investment in the Common Stock of the Company and not for any other purpose (including to disadvantage the Company, any equity holder, or any other Holder). As used herein, "**Confidential Information**" means all information, knowledge, systems or data relating to the business, operations, finances, policies, strategies, intentions or inventions of the Company and its Subsidiaries and Affiliates (including any of the terms of this Agreement) from whatever source obtained, except for any such information, knowledge, systems or data which at the time of disclosure was (x) in the public domain or

otherwise in the possession of the disclosing Person unless such information, knowledge, systems or data was placed into the public domain or became known to such disclosing Person in violation of any non-disclosure obligation, including this Section 23, (y) becomes available to the disclosing Person from a third party on a non-confidential basis, provided that such third party is not known by the disclosing Person to have a contractual, legal or fiduciary obligation of confidentiality with respect thereto, or (z) developed by or on behalf of the disclosing Person without use of or reference to the Confidential Information or breach of this Section 23.

The Warrant Agent and the Company agree that the Warrant Register and the number of Warrants held by each Holder (but not the aggregate number of Warrants outstanding) shall constitute “Confidential Information” and shall not be disclosed by the Warrant Agent or the Company except in compliance with this Section 23, which shall apply to the Warrant Agent and the Company *mutatis mutandis* with respect to such information.

Each Holder, the Warrant Agent and the Company agree that money damages would not be a sufficient remedy for any breach of this Section 23, and that in addition to all other remedies, the non-breaching party shall be entitled to seek injunctive or other equitable relief as a remedy for any such breach. Each Holder, the Warrant Agent and the Company agree not to oppose the granting of such relief and agrees to waive any requirement for the securing or posting of any bond in connection with such remedy.

If any Holder is required by applicable law to disclose any Confidential Information (other than to a regulatory or self-regulatory authority), it must, to the extent practicable and permitted by applicable law, first provide notice reasonably in advance to the Company with respect to the content of the proposed disclosure, the reasons that such disclosure is required by law and the time and place that the disclosure will be made. Such Holder shall cooperate, at the Company’s sole cost and expense, with the Company to obtain confidentiality agreements or arrangements with respect to any legally mandated disclosure and in any event shall disclose only such information as is required by applicable law when required to do so.

25. Non-Recourse.

Notwithstanding anything express or implied in this Agreement, each Holder and the Warrant Agent covenants, agrees and acknowledges that no recourse under this Agreement or any documents or instruments delivered in connection with this Agreement shall be had against any of the former, current or future direct or indirect equityholders, unitholders, directors, officers, employees, agents, Affiliates, members, financing sources, managers, general or limited partners or assignees, in each case, of the Company or any of its subsidiaries (collectively, but not including the Company itself or any of its subsidiaries, the “***Non-Recourse Parties***”), whether by the enforcement of any assessment or by any legal or equitable proceeding, or by virtue of any applicable law, it being expressly agreed and acknowledged that no personal liability whatsoever shall attach to, be imposed on or otherwise be incurred by any of the Non-Recourse Parties, as such, for any obligation or liability of the Company under this Agreement or any documents or instruments delivered in connection herewith for any claim based on, in respect of or by reason of such obligations or liabilities or their creation; provided, however, that nothing in this Section 24 shall relieve or otherwise limit the liability of the Company for any breach or violation of its obligations under this Agreement or such agreements, documents or instruments.

26. Waiver of Certain Damages.

To the extent permitted by applicable law, each of the Company, each Holder and the Warrant Agent agrees not to assert, and hereby waives, any claim against any other party, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any Warrant or any of the transactions contemplated hereby.

27. Interpretation.

Unless otherwise indicated to the contrary herein by the context or use thereof: (i) the words, “herein,” “hereto,” “hereof” and words of similar import refer to this Agreement as a whole and not to any particular Section or paragraph hereof; (ii) the word “including” means “including, but not limited to”; (iii) masculine gender shall also include the feminine and neutral genders, and vice versa; and (iv) words importing the singular shall also include the plural, and vice versa. Unless the context of this Agreement otherwise requires, references to statutes shall include all regulations promulgated thereunder and references to statutes or regulations shall be construed as including all statutory and regulatory provisions consolidating, amending or replacing the statute or regulation. All references to currency, monetary values, “\$” and dollars set forth herein shall mean United States dollars (USD) and all payments hereunder shall be made in United States dollars. All accounting terms used herein and not expressly defined herein shall have the meaning given to them under GAAP. Except when used together with the word “either” or otherwise for the purpose of identifying mutually exclusive alternatives, the term “or” has the inclusive meaning represented by the phrase “and/or”. The words “will” and “will not” are expressions of command and not merely expressions of future intent or expectation. When used in this Agreement, the word “either” shall be deemed to mean “one or the other”, not “both”. References herein to a party are references to the parties to this Agreement, except to the extent expressly provided otherwise.

The Warrant Certificates are issuable only in registered form in denominations of whole numbers of Warrants. Upon surrender at the office of the Warrant Agent and payment of the charges specified herein and in the Warrant Agreement, this Warrant Certificate may be exchanged for Warrant Certificates in other authorized denominations or the transfer hereof may be registered in whole or in part in authorized denominations to one or more designated transferees; provided, however, that such other Warrant Certificates issued upon exchange or registration of transfer shall evidence the same aggregate number of Warrants as this Warrant Certificate. The Company shall cause to be kept at the office of the Warrant Agent the Warrant Register in which, subject to such reasonable regulations as the Warrant Agent may prescribe and such regulations as may be prescribed by law, the Company shall provide for the registration of Warrant Certificates and of transfers or exchanges of Warrant Certificates. No service charge shall be made for any registration of transfer or exchange of Warrant Certificates; provided, however, that the Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Warrant Certificates.

The Warrant Agreement permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of Warrant Certificates under the Warrant Agreement at any time by the Company and the Warrant Agent with the consent of the Required Warrant Holders.

Until the exercise of any Warrant, subject to the provisions of the Warrant Agreement and except as may be specifically provided for in the Warrant Agreement, (i) no Holder of a Warrant Certificate evidencing any Warrant shall have or exercise any rights by virtue hereof as a holder of shares of Common Stock of the Company, including the right to vote, to receive dividends and other distributions or to receive notice of, or attend meetings of, holders of shares of Common Stock or other equity securities of the Company or any other proceedings of the Company; (ii) the consent of any such Holder shall not be required with respect to any action or proceeding of the Company; (iii) except as provided with respect to a Winding Up of the Company, no such Holder, by reason of the ownership or possession of a Warrant or the Warrant Certificate representing the same, shall have any right to receive any cash dividends, stock or other equity securities dividends, allotments or rights or other distributions (except as specifically provided in the Warrant Agreement), paid, allotted or distributed or distributable to the holders of shares of Common Stock or other equity securities of the Company prior to or for which the relevant record date preceded

This Warrant Certificate, each Warrant evidenced thereby and the Warrant Agreement shall be governed by, and construed in accordance with, the laws of the State of New York, without giving effect to any choice of law or conflict of law rules or provisions (whether of the State of New York or any other jurisdiction) to the extent such rules or provisions would cause the application of the laws of any jurisdiction other than the State of New York. from exercising its rights under Article III of the Warrant Agreement, as the same may be amended from time to time, to decline to permit the requested exercise;
