

### **ASSIGNEE MULTIPLE OWNERSHIP**

This application seeks FCC consent to the assignment of the license of FM radio station WSPA-FM, Simpsonville, South Carolina (Facility ID No. 53623), from Audacy License, LLC, as Debtor-in-Possession, to The Greenville Divestiture Trust (the “Trust”). Neither the Trust nor its trustee (including the trustee’s owner/Managing Member) has any attributable interests in any other broadcast stations. Thus, as the proposed assignee seeks to acquire a single FM station, this proposal complies with the FCC’s multiple ownership rules.
