

**Purpose of Application**

The instant transfer of control application seeks Commission consent to the reallocation of shareholder interests in Wireless Communications Corp. (“WCC”), licensee of KJAN(AM), Atlantic, Iowa (Facility ID No. 73031), and K266AN, Atlantic, Iowa (Facility ID No. 142398). This application is being filed simultaneously with transfer of control applications for licensees Wireless Broadcasting, LLC and Crawford County Broadcasting Corp., which also involve the same parties as the instant application.

Pursuant to the transaction proposed herein, WCC’s single majority shareholder, J.C. Van Ginkel, will sell his WCC shares back to WCC, and WCC will reallocate Mr. Van Ginkel’s former WCC shares so that WCC shareholder James M. Field will become the new single majority shareholder (the “Proposed Transaction”) as follows:

<u>Name</u>	<u>Pre-Transfer</u>		<u>Post-Transfer</u>	
	<u>Voting</u>	<u>Equity</u>	<u>Voting</u>	<u>Equity</u>
J.C. Van Ginkel	25 out of 45 shares (~55.5%)	25 out of 45 shares (~55.5%)	0 out of 45 shares (0%)	0 out of 45 shares (0%)
James M. Field	10 out of 45 shares (~22.2%)	10 out of 45 shares (~22.2%)	22.725 out of 45 shares (50.5%)	22.725 out of 45 shares (50.5%)

As there will be a single majority shareholder before and after the Proposed Transaction, and all other WCC shareholders will be neither officers nor directors of WCC before and after the Proposed Transaction, all other WCC shareholders are non-attributable.

Other than the Stock Redemption Agreement, which has been attached to the instant application, neither WCC nor any of WCC’s shareholders have entered into any agreements in connection with the Proposed Transaction.
