Dear Mohammad,

Please disregard my email below. The ASRN (1060388) in the application is correct. I totally made a fool out of myself and I apologize.

Thank you for your help on this!

Dear Mohammad,

I am writing to you regarding engineering STA application BSTA-20100303AFV for KEFM-LP (Facility ID 127996) filed on March 3, 2010.

This morning, I found a typo in the Antenna Structure Registration Number in the application. The correct ASRN should be 1060398 and not 1060388. I apologize for the negligence; I've been jetlagged all of last week because I'd just returned from my trip to my wedding in Taiwan.

Can you advise if you can change the ASRN to 1060398 for me? Also, can you advise if you can grant this STA before its one year silent authority runs out this Friday March 12th?

As always, thank you for your assistance and I look forward to your response.
