

**Affidavit of John D. Kennedy  
Regarding installation of  
Antenna for WWEI-FM, Easthampton, Massachusetts  
Construction Permit File Number: BMPH-20051104AAZ  
FCC Facility ID Number: 11295**

October 30, 2014

Entercom License, LLC, licensee of WWEI-FM, Easthampton, Massachusetts has now installed the station's antenna pursuant to the antenna manufacturer's specifications in order to produce the directional antenna pattern specified in the construction permit, file number BMPH-20051104AAZ.

It is the undersigned's belief that the WWEI-FM antenna is correctly installed and oriented so as to produce the directional antenna pattern specified in the construction permit.

The installation work was conducted under my direct supervision and within the scope of my understanding and expertise. I certify that I am a qualified broadcast radio engineer of 36 years experience.

  
John D. Kennedy
