

INTERFERENCE ACCEPTANCE AGREEMENT

This Interference Acceptance Agreement ("Agreement") is entered into as of August 15, 2008 by and between WMBF License Subsidiary, LLC ("WMBF") and the South Carolina Educational Television Commission ("SCETC").

1. WMBF is the licensee of television Station WMBF-DT, FCC Facility ID No. 83969, Myrtle Beach, South Carolina, and holds a construction permit issued by the Federal Communications Commission ("FCC") authorizing it to construct a post-transition digital television ("DTV") facility on Channel 32 (see FCC File No. BMPCDT- 20060829BEG, hereafter referred to as the "WMBF Permit").

2. SCETC is the licensee of television Station WRLK-DT, FCC Facility ID No. 61013, Columbia, South Carolina, and holds a license issued by the FCC authorizing it to operate a post-transition DTV facility on Channel 32 (see FCC File No. BMLEDT-20040826AAL, hereafter referred to as the "WRLK License").

3. WMBF and SCETC desire to modify their authorized post-transition DTV facilities and maximize service to the public by constructing DTV facilities that transmit at higher powers than the WMBF Permit and the WRLK License currently authorize. Both stations have filed applications for permits to construct these expanded facilities. See File Nos. BMPCDT-20080620ABU ("WMBF Application") and BPEDT-20080620ACO ("WRLK Application"). The facility proposed by the WRLK Application would cause 0.91% unique interference to the facility proposed by the WMBF Application.

4. WMBF hereby agrees to accept the interference which would result from the increase in ERP described in Paragraph 3.
