

the Tribe or NHO may attach religious and cultural significance to historic properties that may be affected by its proposed undertaking. Such efforts may include, but are not limited to, seeking information from the relevant SHPO or THPO, Indian Tribes, state agencies, the U.S. Bureau of Indian Affairs, or, where applicable, any federal agency with land holdings within the state (NPA, Section IV.B). If after such reasonable and good faith efforts, you determine that a Tribe or NHO may attach religious and cultural significance to historic properties in the area and the Tribe or NHO does not respond to TCNS notification within a reasonable time, you should make a reasonable effort to follow up, and must seek guidance from the Commission in the event of continued non-response or in the event of a procedural or substantive disagreement. If you determine that the Tribe or NHO is unlikely to attach religious and cultural significance to historic properties within the area, you do not need to take further action unless the Tribe or NHO indicates an interest in the proposed construction or other evidence of potential interest comes to your attention.

Re: Section 106 Review - Invitation to Comment on Potential Impact
to Sites of Religious and Cultural Importance
New Life Media
WIBI Murphysboro Tower Site
TCNS No. 70480
DEA No. 21011002

Dear Ms. Kaniatobe:

In accordance with the *Nationwide Programmatic Agreement for Review of Effects on Historic Properties for Certain Undertakings*, we are respectfully requesting comment on the proposed telecommunications facility, as it relates to potential impacts on resources of religious and/or cultural importance to your tribe.

Details on the proposed project are presented below.

TCNS No. / Notification Date:	70480 / November 11, 2010
Site Name:	WIBI Murphysboro
Address or Location:	North side of Crane Road
Parcel Number:	09-24-200-009
City, County, State:	DeSoto, Sumerset Township, Jackson County, IL
Latitude / Longitude:	N37-48-59.1, W89-15-57.4
Site Description:	The Site (project area) will be located in an agricultural field and will contain a fenced tower facility and proposed access/utility easements.
Proposed Project Description:	The proposed project will consist of a 125' tall self-support tower and associated equipment to be located within a 65' x 22' fenced compound. The Section 106 Review being conducted includes the assessment of the proposed tower, project area, and proposed access/utility easements.

For your use, we are enclosing a copy of the *FCC Form 620*, which has been submitted to the State Historic Preservation Office.

As this project is proposed for development in the very near future, we would appreciate receiving your comments within 10 days of receipt of this letter. If you have any questions regarding the proposed development or wish to discuss this project in more detail, please do not hesitate to contact us.

Your assistance is greatly appreciated and we look forward to hearing from you even if you should decide that this project is of no interest to your tribe.

Very truly yours,

Subject: Reply to Proposed Tower Structure (Notification ID: 70480) - Email ID #2662136

Dear Virginia M Janssen,

Thank you for using the Federal Communications Commission's (FCC) Tower Construction Notification System (TCNS). The purpose of this email is to inform you that an authorized user of the TCNS has replied to a proposed tower construction notification that you had submitted through the TCNS.

The following message has been sent to you from Cultural Resources Tech Joseph W Jacker Mr of the Keweenaw Bay Indian Community in reference to Notification ID #70480:

Aniin;

The Keweenaw Bay Indian Community Tribal Historic Preservation Office (KBIC THPO) received your requests for comments or interest concerning Section 106 of the National Historic Preservation Act, to the effect on historic and cultural sites within your proposed project area. The KBIC Tribal Historic Preservation Office has identified no properties of interest regarding religious or cultural sites documented at this time in your proposed location. If the scope of work changes in any way, or if artifacts or human remains are discovered, please notify the KBIC THPO immediately so we can assist in making an appropriate determination.

Please forward any future consultation requests for review of project proposals pursuant to Section 106 of the National Historic Preservation Act to Joseph Jacker, Cultural Resources Technician, Tribal Historic Preservation Office or through email at joe@kbic-nsn.gov and keep us informed of future projects as we continue our efforts to identify and document historic, archaeological and traditional cultural sites in the area.

The KBIC THPO charges a fee of \$25.00 for review of project proposals, which covers a preliminary in-house review of records for the presence of cultural sites in the proposed project area. Please submit a check for \$25.00 to the KBIC THPO using the address listed below, if you have already done so, thank you. Fees help us cover costs of research and other consultation activities.

Miigwech (Thank you),

Summer Sky Cohen, Officer
