

Multiple Ownership Compliance

By this application and two simultaneously filed FCC Form 314 assignment applications, Connoisseur Media, LLC (“Connoisseur”) seeks Commission consent to the acquisition of four radio stations that are located in, and home to, the Nassau-Suffolk, New York Arbitron Radio Market: WBZO(FM), Bay Shore, New York; WIGX(FM), Smithtown, New York; WHLI(AM), Hempstead, New York; and WKJY(FM), Hempstead, New York. These four stations are also reported as part of the New York, New York Arbitron Radio Market.

Presently, neither Connoisseur, nor its attributable interest holders hold any attributable interest in any other stations in the Nassau-Suffolk, New York Radio Market or the New York, New York Radio Market. Thus, as a result of the proposed assignment of licenses, Connoisseur will hold an attributable interest in four radio stations in the relevant markets, three FM stations and one AM stations. This combination complies with the Commission’s multiple ownership rules applicable to a radio market of this size, respectively.

I. Nassau-Suffolk, New York Arbitron Radio Market

As demonstrated in the BIA Market Definition for the Nassau-Suffolk, New York Arbitron Radio Market provided hereto at Attachment 1, there presently are 43 commercial and noncommercial full power radio stations in the Nassau-Suffolk, New York Arbitron Radio Market. Pursuant to Section 73.3555(a)(1)(ii) of the Commission’s Rules, in a radio market with between 30 and 44 commercial and noncommercial full power radio stations (inclusive), an entity may own, operate, and control up to 7 commercial radio stations, of which no more than 4 may be in same service. As the proposed assignment of WBZO(FM), WIGX(FM), WHLI(AM), and WKJY(FM) will result in a combination of three FM stations and one AM station, the acquisition complies with the Commission’s multiple ownership rules.

II. New York, New York Arbitron Radio Market

In addition, these four stations are also listed in the much larger New York, New York Arbitron Radio Market. As demonstrated in the BIA Market Definition for the New York, New York Arbitron Radio Market provided hereto at Attachment 2, there presently are 152 commercial and noncommercial full power radio stations in the New York, New York Arbitron Radio Market. Pursuant to Section 73.3555(a)(1)(i) of the Commission’s Rules, in a radio market with more than 45 commercial and noncommercial full power radio stations (inclusive), an entity may own, operate, and control up to 8 commercial radio stations, of which no more than 5 may be in same service. Therefore, the proposed acquisition of these four stations also complies with respect to the New York market.
