**Re: Notification of Reduced Power
KSRD(FM), St. Joseph, MO (FIN: 85873)**

Dear Ms. Dortch:

On behalf of Educational Media Foundation ("EMF"), the licensee of noncommercial FM radio station KSRD, St. Joseph and pursuant to Section 73.1560(d) of the Commission's rules, this letter is to notify the Commission that KSRD has been operating at reduced power since September 23, 2014.

KRKA has been operating below 90% of its authorized power since September 23, 2014 due to a failure of some of the transmitter components. EMF has ordered replacement parts and is waiting for delivery. In the unlikely event EMF is unable to return KSRD to full power operations within 30 days, EMF will request special temporary authority to allow KSRD to continue operating at reduced power, as required by the Commission's rules.

Should there be any questions regarding this matter, please contact the undersigned.

Respectfully submitted,

Mary N. O'Connor
