

AGREEMENT

This Agreement ("Agreement") is entered into as of May 3, 2010 by and between Primeland Television, Inc. and Belo Kentucky, Inc.

1. Primeland Television, Inc. ("Primeland") is the licensee of Station WLFI-TV, FCC Facility ID No. 73204, Lafayette, Indiana, which is authorized by the Federal Communications Commission ("FCC" or "Commission") to operate on post-transition digital television ("DTV") channel 11.

2. Belo Kentucky, Inc. ("Belo") is the licensee of Station WHAS-TV, FCC Facility ID No. 32327, Louisville, Kentucky, which is authorized by the FCC to operate on post-transition DTV Channel 11.

3. In an effort to restore over-the-air DTV service to certain of WHAS-TV's former analog viewers who presently are unable to receive its digital signal on channel 11, Belo is seeking permanent authority to increase WHAS-TV's power on channel 11 from 5.2 kW to 16.4 kW with the following parameters (the "Proposed WHAS-TV Operations"):

Radiation Center Above Mean Sea Level: 585 meters

Radiation Center Above Ground Level: 287.6 meters

HAAT: 392 meters

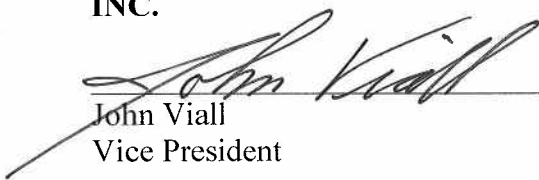

Tower ASR: 1031016

4. The Proposed WHAS-TV Operations results in a total of 9.4% predicted interference to WLFI-TV's authorized post-transition DTV facility, which is above the Commission's new interference limit of 0.5%.¹ Belo seeks Primeland's agreement to permanently accept the 9.4% interference to WLFI-TV's post-transition DTV operation on channel 11.

5. Primeland hereby agrees to permanently accept the predicted interference to WLFI-TV caused by the Proposed WHAS-TV Operations.

6. Except for the agreement set forth in Paragraph 5 above, no consideration is being promised by either party in connection with this Agreement.
