

CERTIFICATION STATEMENT

I, Andrew T. Armstrong of Yarmouth, Maine, a professional broadcast engineer of known reputation, do hereby certify that the antenna system designed for the applicant by Dielectric Communications Inc. Raymond, Maine, was assembled to the manufacturers specifications under my direct supervision in Portland, Maine, and that I have personally inspected and have approved said system's installation integrity.

STATEMENT OF QUALIFICATIONS

I, Andrew T. Armstrong of Yarmouth, Maine state:

That I am an employee of the applicant, Saga Communications of New England, LLC., and have been hereby directed to assist in the application for, and construct a transmission facility for channel 265B1 under the call sign WYNZ (FM), Licensed to Westbrook, Maine.

That all statements contained here are true and accurate to the best of my knowledge and belief.

That I am an experienced and qualified radio broadcast engineer.

That I attended Southern Maine Vocational Technical Institute in Portland, Maine, where I majored in Electronics.

That I have been employed in the field of radio engineering since 1990, and have served as a technical consultant to numerous radio broadcasters.

Andrew T. Armstrong
