(b) In consideration for the Transfers and pursuant to the Plan and the Plan Supplement, and subject to the Confirmation Order, on the Effective Date, the Transferee shall (i) pay to CMI the CMI Consideration and (ii) pay to CMI Holdings the CMI Holdings Consideration.

Bankruptcy Court approval, as applicable; provided, that, if such Necessary Consent is not obtained, or if an attempted assignment or transfer of such assets would be ineffective, the Transferors and the Transferee shall enter into an arrangement to provide for the Transferee to obtain the benefits and assume the obligations arising under such assets in accordance with this Agreement; provided, further, that the Transferee shall be liable for any costs or expenses incurred or Liabilities arising in connection with such arrangement.

2.8 No Assumption of Discharged Liabilities; Obligations under the Plan. For the avoidance of doubt, nothing herein shall require or be construed to effectuate the assumption, for any period of time, of any Liability discharged, released or otherwise satisfied (or to be discharged, released or otherwise satisfied on the Effective Date) pursuant to the Plan, the Plan Supplement or the Confirmation Order.

ARTICLE 3

6.3 Allocation of Consideration. The Transferee shall prepare and deliver to the Transferors a schedule reasonably allocating the Consideration, the Assumed Liabilities (to the extent properly taken into account in determining Transferors' amount realized under the Code) and any other items properly taken into account in determining the Transferors' amount realized under the Code (the "Allocated Purchase Price") among the Transferred Assets (and, with respect to any amounts allocated to the Capital Stock of an Asset Sale Transferred Subsidiary, among the assets of such Asset Sale Transferred Subsidiary), in accordance with section 1060 of the Code and the Treasury Regulations thereunder (such schedule, as may be reasonably amended from time to time by the Transferee, the "Asset Acquisition Statement"). The Asset Acquisition Statement shall be conclusive and binding on the parties. The consideration for the Transferred Assets (and any assets of the Transferred Subsidiaries that are treated as transferred for U.S. federal income tax purposes) shall be allocated for U.S. federal

income Tax purposes in accordance with the Asset Acquisition Statement, and no party shall take any position inconsistent with such allocation on any Tax Return (including IRS Form 8594 and any required exhibits thereto), in any refund claim, in any litigation or otherwise unless otherwise required by a change in law after the date hereof or a final determination within the meaning of Section 1313 of the Code (or any comparable provision of U.S. state, local, or non-U.S. law).

6.4 Control of Tax Matters.

(a) The Transferors shall act at the direction of the Transferee with respect to all Tax Matters, and the Transferee shall control, including through the counsel of its own choosing, all Tax Matters with respect to the Transfers and/or the Transferors. The Transferors shall promptly notify the Transferee of the commencement of any Tax proceeding that may give rise to Taxes for which the Transferee is responsible hereunder. Furthermore, the Transferors shall promptly forward to the Transferee copies of all notices and communications relating to Tax Matters and shall promptly provide to the Transferee any information and documents with respect to Tax Matters requested by the Transferee.

(b) The Transferors shall make, or shall join the Transferee in making, any Tax election requested by the Transferee with respect to the Transfer or the Transferred Assets, including, for the avoidance of doubt, joint elections with the Transferee under Section 338(h)(10) of the Code (and any analogous election under state or local tax law) with respect to any Transferred Subsidiary or elections under Treasury Regulations section 301.7701-3 to change a Transferred Subsidiaries' U.S. federal income tax classification (and any analogous election under state or local tax law).

6.5 Intended Tax Treatment. The parties acknowledge and agree that for U.S. federal, state and local Tax purposes (a) the transactions contemplated by this Agreement shall be treated as a taxable sale of the assets (as determined for U.S. federal income tax purposes) of CMI and CMI Holdings to New Holdings and (b) any payment pursuant to this Agreement after the Effective Date shall be treated as an adjustment to purchase price. If the Transferee determines to make, and to cause a Transferor to make, an election under Section 338(h)(10) of the Code with respect to any Transferred Subsidiary (or any direct or indirect Subsidiary of a Transferred Subsidiary), the parties shall treat the transaction in a manner consistent with Section 338(a) of the Code. The parties shall file their U.S. federal, state and local Tax Returns in a manner consistent with the foregoing unless otherwise required by a change in law after the date hereof or a final determination within the meaning of Section 1313 of the Code (or any comparable provision of U.S. state, local, or non-U.S. law).

6.6 Section 1146 Exemption. The sale, issuance and transfer of the Transferred Assets (including the Equity Interests), as contemplated by this Agreement, shall be accomplished pursuant to and in contemplation of the Plan, the Plan Supplement and the Confirmation Order. As a result thereof, pursuant to Section 1146(a) of the Bankruptcy Code, the transfer of the Transferred Assets (including the Equity Interests) hereunder is not subject to any stamp tax, document recording tax, conveyance fee, intangibles, or similar tax, mortgage tax,

real estate transfer tax, mortgage recording tax, sales or use tax, Uniform Commercial Code filing or recording fee, regulatory filing or recording fee, or other similar tax or governmental assessment in the United States. The parties agree to include a provision in all instruments transferring title to Transferred Assets (including the Equity Interests) which restates the exemption provided by Section 1146(a) of the Bankruptcy Code. To the extent applicable, the Transferee shall pay all sales or other transfer, stamp or similar taxes incurred in connection with the sale, transfer and issuance of the Equity Interests to the Transferee.

ARTICLE 7

SURVIVAL

7.1 Survival. The parties hereto, intending to modify any applicable statute of limitations, agree that (a) none of the representations and warranties of the Transferors contained in Article 4, and of the Transferee contained in Article 5, shall survive the Effective Date, and (b) none of the covenants and agreements of the parties hereto to be performed by their terms on or prior to the Effective Date (collectively, the “Terminating Covenants”) shall survive the consummation of the Effective Date, and none of the parties or their respective Affiliates shall have any liability following the Effective Date with respect thereto. The covenants and agreements other than the Terminating Covenants shall survive the Effective Date in accordance with their respective terms.

ARTICLE 8

MISCELLANEOUS

8.1 Power of Attorney; Wind-Down.

This power is irrevocable and coupled with an interest, and shall not be affected by the dissolution or other inability to act of any of the Transferors.

(c) Each Transferor hereby agrees that it (i) shall, upon written request by the Transferee, commence the wind-down, liquidation and termination of the Transferors, and (ii) prior to receiving such request from the Transferee, shall not take any action to wind down,

liquidate or terminate any Transferor, or fail to take any action the failure of which would cause the wind-down, liquidation or termination of any Transferor, in each case, without the prior written consent of the Transferee (which consent may be withheld, delayed or conditioned in the Transferee's sole discretion).

8.2 Amendment. This Agreement may not be amended except by an instrument in writing signed on behalf of all of the parties hereto. The parties may amend any Schedule hereto in order to correct any inadvertent inclusion or omission.

8.9 No Third Party Beneficiary. Nothing in this Agreement shall confer any rights, remedies or claims upon any Person or entity not a party or a permitted assignee of a party to this Agreement.

8.10 Counterparts. This Agreement may be signed in any number of counterparts (including via facsimile or other electronic method) with the same effect as if the signatures to each counterpart were upon a single instrument, and all such counterparts together shall be deemed an original of this Agreement.

8.11 Release. Except for rights, actions, Liabilities and causes of action expressly provided for in the Plan, the Plan Supplement, the Confirmation Order or this Agreement:

(a) the Transferee agrees (and, from and after the Effective Date, shall cause its Affiliates and Subsidiaries to agree) that neither the Transferors nor any of the current or former officers, directors, managers, employees, equityholders, members, agents and

8.12 Governing Law. This Agreement and any claim or controversy hereunder shall be governed by and construed in accordance with the Laws of the State of Delaware without giving effect to the principles of conflict of laws thereof, except to the extent that the Laws of such State are superseded by the Bankruptcy Code or other applicable federal Law.

8.13 Consent to Jurisdiction, Venue and Service of Process. The parties hereto agree and consent that jurisdiction and venue for any legal action, suit or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby shall be the Chancery Court of the State of Delaware and if the Chancery Court of the State of Delaware denies jurisdiction then the state courts or the Federal courts located in New Castle County in the State of Delaware.

8.14 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). 8.15 Severability. If any term, provision, agreement, covenant or restriction of this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the terms, provisions, agreements, covenants and restrictions of this Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party hereto. Upon such a determination, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a reasonably acceptable manner so that the transactions contemplated hereby may be consummated as originally contemplated to the fullest extent possible.

8.16 Specific Performance. The parties to this Agreement agree that irreparable damage would occur if any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the parties to this Agreement shall be entitled to an injunction or injunctions to prevent breaches or threatened breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement, this being in addition to any other remedy at law or in equity, and the parties to this Agreement hereby waive any requirement for the posting of any bond or similar collateral in connection therewith.
