I, Russell T. Gully, hereby state that I am a surveyor licensed by the State of Texas.

On March 21, 2008, I surveyed the installation of the directional FM antenna for KLTP, San Angelo, Texas. I found that the antenna has been installed in accordance with the manufacturer's instructions in that it is oriented at a True Azimuth of 45 Degrees True as specified in FCC Construction Permit.

Russell T. Gully
Registered Professional Land Surveyor No. 5636
