Re: FM Radio Station WELS-FM, Kinston, North Carolina (Fac. ID No. 20409)
Notification of Resumption of Full Licensed Operations

Dear Ms. Dortch:

This firm is counsel to Eastern Airwaves, LLC (the "Licensee"), licensee of FM Radio Station WELS-FM, Kinston, North Carolina (Fac. ID No. 20409).

On February 7, 2018, in FCC File Number BSTA-20180207AAI, the Licensee requested special temporary authority ("STA") to operate at reduced power.

This letter shall serve as notification that the transmission line problem has been repaired and use of a temporary antenna is no longer needed. The station resumed full power operations on March 9, 2018. As a result, the STA requested in FCC File Number BSTA-20180207AAI, is no longer necessary.

If any questions should arise during the course of your consideration of this matter, it is respectfully requested that you communicate with this office.

Sincerely,

For Coe Ramsey
